The Great Business Of Life Is To Be, To Do, To Do Without.

The Story Unfolds

On September 1, 1951, forty two anxious but green Freshmen were enrolled in Dubois High School. At the beginning it appeared obvious that many of these would distinguish themselves and would become outstanding.

Our faculty included the following: Mr. A. J. Kreitzer, Principal; Mr. Elmer Zehr, Social Studies; Mr. Ralph Seger, Coach and Commerce; Mrs. Ruth Schiller, Mathematics and Latin; Mr. John Walker, Science; Miss Thelma Sater, Commerce and English; Miss Jesse Mae Quebbeman, Home Economics and Miss Charlotte Coomer, Music.

Our class officers were President - Mary Ann Baer; Vice President - Robert Skaggs; Secretary - John Popp; Treasurer - Dian Rohrscheib; Class Reporters Charles Himsel and Shirley Nordhoff.

Miss Quebbeman was our class sponsor. Our basketball queen attendants were Shirley Hall and Shirley Nordhoff. In the second half of school, Alberta Lampert was forced to quit school due to illness. We were however pleased to learn that after her convalescence she returned to school and will no doubt complete her high school education.

When we returned as sophomores we found that we had lost two more of our number, Emily Hiemer who had returned to Germany and Milton Hodges.

During the year we had four new teachers, Miss Barbara Price replaced Miss Quebbeman; Mr. Aaron Parks took the Science classes from Mr. Walker and also taught Vocational Agriculture, a new department that had been added; Mr. Chapman taught English and Mrs. Eva Lasher replaced Mrs. Charlotte Coomer Rasche while Lula Ellen made her appearance.

Our Sophomore class officers were President - John Popp; Vice President; Patricia Fromme; Secretary - James Friedman; Treasurer Shirley Hall; Class reporters Charles Himsel and Shirley Nordhoff.

This year our Basketball Queen attendants were Shirley Nordhoff and Virginia Knies. Mr. Chapman was our class sponsor.

After four months vacation we reported back for our junior year in high school to discover that we had lost Mary Eileen Schepers, Shirley Kane and Eugene Hostetter. Faculty changes included Mrs. Henry Seger for Miss Price, Mr. Henry Seger for Mr. Chapman and Mrs. Rasche again returned to the music department.

The junior class officers were President - Mary Ann Baer; Vice President - Thomas Reck; Secretary - Shirley Hall; Treasurer Geraldine Nonte; Class reporters - Shirley Hall and Thomas Reck.

Our basketball queen attendants for the year were Shirley Nordhoff and Virginia Knies. Donald Opel was elected cheer leader from our class.

Thelma Sater was our junior sponsor and some of the activities of the class were as follows: selling magazines, a junior carnival, the class play entitled "The Campbells Are Coming" and the Junior-Senior Prom. All the activities were a huge success and we became quite prosperous. During the year we lost James Wineinger and Eileen Coble but we gained Gene Neukam who came to us from French Lick High School.

Again in our senior year there was a change in faculty as Mr. Paul Phillips took the place of Mrs. Schiller and Mrs. Amanda Tolliver replaced Miss Sater. Two new departments were added as Mr. Parks took Farm Shop and Mr. Phillips taught a class in Industrial Arts.

Our class officers were President - Robert Skaggs; Vice President Thomas Reck; Secretary - Virginia Knies; Treasurer - Geraldine Nonte; Class Reporters were Mary Ann Baer and Floyd Thimling.

Our class sponsor was Mr. Zehr, who helped us order our announcements and helped guide us to a successful conclusion to our senior year. Mr. Henry Seger was kind enough to sponsor our senior play entitled, "Girl Shy."

Virginia Knies was elected as the basketball queen and her attendants were Shirley Nordhoff and Geraldine Nonte. Shirley Hall was selected as the Holiday Queen. Donald Opel again served as a yell leader and Mary Ann Baer was selected as the representative in the D. A. R. Good-Citizenship Contest.

We sincerely feel that our senior year was the greatest year of our life and already have a feeling that we will be sorry that it is all over. However, we are heartened with the knowledge that all good things must come to an end.

For our class motto we chose, "Success Lies In Effort." Our class colors are blue and white and the class flower a white carnation.

On April 24, 1955 we held our Baccalaureate Services followed on April 28 by the commencement at which time we received our diplomas from Principal Kreitzer in an impressive ceremony.

The National Beta Club

The National Beta Club is the official honor society of Dubois High School. It has chapters throughout the nation and has its headquarters at Spartanburg, S. C. Each year the membership to the club is open to anyone who has maintained a B average and an average of 90% in Citizenship.

The motto of the club is: ACHIEVEMENT, CHARACTER, AND LEADERSHIP. The motto is applied in that the members of the club act as a student council in an advisory capacity to the principal and help determine the policies of the school. The club members also have charge of the Library in Dubois High School.

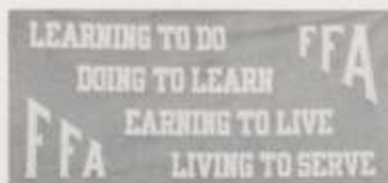

In the past years it has been the practice of the senior members of the group to take a trip to the convention or some other outstanding affair. Last year the group attended "A Holiday On Ice" at Louisville.

I Speak For Democracy

I am Democracy: to you, with your permission, I speak . . . to you, for you, . . . and about YOU, the 160 million citizens of the United States. The greatest Democracy in the world. I am so great that I speak in many ways. My voice is seen as well as heard. I am the Newborn Babe in the cradle, telling you that, even in this country I am less than two centuries old . . . and in many lands I have not even been born, not entered into the minds of men.

I am the little boy you see going to school for the first time. I am well fed, I am well clothed. My home is warm and comfortable. All my playmates, rich and poor alike, will be in school, too.

I am the young man you see receiving his high school diploma . . . you saw me score my first run in baseball . . . fail a biology exam . . . ask for my first date . . . study World Governments and speak for Democracy. Yes, you saw me and now I am wearing a soldiers uniform . . . I live for Democracy . . . and God willing, I shall die for it.

I am the soldier you saw . . . at Valley Forge . . . in Cuba . . . in Alsace Lorraine . . . and on top of Old Baldy. Our cause was great, and our courage was equal to it.

I am the veteran, proud and strong. In times of peace . . . I farm the fields . . . I build the houses . . . I run the factories.

You see me rejoicing with the merry-makers at . . . the Mardi Gras . . . cheering with the crowd at the Polo Grounds . . . celebrating with the students at Notre Dame.

You see me overwhelmed with sadness . . . at the cold, dreary funeral of the little boy down the street who had Polio . . . at the bedside of the blind grandmother . . . and in the procession honoring the return of the Dead War Hero.

I recognize the need for Law and Order . . . our Laws are written Laws . . . not subject to the whims of Dictators. Our basic Law . . . The Constitution of the United States: . . . guarantees each individual the basic Rights that are in accord with the dignity of a man created by God and destined to return to Him.

These Rights are: Freedom to Worship God according to the dictates of each individual's conscience: . . . Freedom of the Press, Assembly, and Petition. Last and most important, Freedom of Speech.

You, oh Citizen of "America the Beautiful," have heard me because you and I are free. And as long as I am free, my voice will speak . . . "Forever and Forever."

Join with me in Song and Prayer: America! America! God Mend Thine Every Flaw, Confirm Thy Soul, In Self-Control, Thy Liberty In Law.

Long May Our Land Be Bright . . . With Freedom's Holy Light . . . Protect Us By Thy Might . . . Great God Our King.
