FOREWORD

The editors and staff of the 1970 Echo hope that this copy of the Echo will preserve the memories of the changing people within it. We hope it will help them remember their good times as they turn from adolescents to adults. We hope that it will remind them of their past, so that they have a sense of direction, as they turn from immaturity and thought of themselves to maturity and thoughts that will benefit a greater share of humanity. Our belief is that this edition of the Echo will be treasured by those represented as they turn their eyes to the future.

Sincerely,

Linda Goller

Tom Eisenhut

As we, the yearbook staff of Dubois High prepare to fill the 1970 edition of The Echo with our experiences and impressions of the preceding four years, we consider it our privilege and obligation to dedicate this yearbook to our parents and teachers. Without their assistance, guidance and concern our High School years would have been much less enriching and rewarding. We are indeed grateful for this cooperation and understanding.

SENIOR CLASS TRIP

BACCALAUREATE

AND COMMENCEMENT

Young though we were when we entered the halls of Dubois High School, we have found many precious things: friendship, knowledge, and happiness. We worked, we learned, we loved, and we lived. We were challenged by our teachers, by our parents; and we shall continue to be challenged as we pass through these doors to begin the new life that lies beyond. We shall remember the understanding and guidance given to us by our teachers. Although we may be separated, our memories of D. H. S. will linger on forever.
