Sometimes . . .

it is so hard to get up in the morning, knowing what is ahead of me. It seems like all the problems, all the challenges that I used to think about as being "out there somewhere" have closed in on me. They have become a part of my life. It's kind of scary in a way, and yet it is a relief to face them . . . they are no longer a part of the unknown. It's a good feeling to be working to constructively change things, rather than sitting around worrying that someday I'll have to face problems that maybe I can't handle.

*“ . . . behold if you
may
glory looking day ”*

Will the questions be answered? All the questions that come into my life! And more questions are formed by finding one answer. I look to God and I think I have found answers. Yet, when I come to school, I lose touch. Sometimes I get so hungry for knowledge. I realize too late that education is more than memorization. I learn not from teachers, but from life . . . from day to day I learn. I try so hard to understand. Maybe I try too hard. I try so hard to find love; maybe again, I try too hard.

*“Maybe I try . . .
 . . . too hard!”*

Academics

Today we are discovering knowledge
 The dark shroud of our ignorance is lifting;
 we are learning to learn--
 "And remember, your term papers are due
 on or before Monday."
 (Psst! Hey, Mike, have you begun yours yet?)
 Sometimes we must grasp for answers
 that appear beyond our reach--
 ("Please, no test Friday! I have three already!")
 Yet with the precious knowledge gained
 we better comprehend
 how very little we actually know.

Maintaining the best
of the old traditions,

"When Trouble Comes"

. our souls to try, You are the friends who just "stands by,"
Perhaps there's nothing you can do; The thing is strictly ours to do;
For there are troubles all your own, and paths the soul must tread alone;
Times when friendship cannot smooth the road
Nor even lift the heavy load,
But just to know you are our friend
Who will "stand by" until the end,
Whose sympathy through all endures,
Whose warm handclasp is always ours--
It helps, someday, to pull us through,
Although there's nothing you can really do.
And so with fervent heart we proudly sigh,
"You are our friend who just 'stands by!'"
(More friends on page 119!)

Bernice Wise, Susie Gehlhausen.

Activities

We are compelled to keep up with the times,
for at our awkward stage
we are simultaneously clinging to the past,
learning to face the present,
and carefully planning our futures.
Our year at Dubois
helped us to accept our position
by planting signs to guide our hesitant steps.
The symbol of our country,
displayed at our athletic contests,
kept us mindful of our duties
as citizens of the greatest nation in the world.
Through socializing with our friends
we found that being part of the middle generation
had benefits that no one else could share.

Each school year a new and different variety of extracurricular activities add a bit of spice to the usual routine of daily classwork. Such activities give both students and teachers an opportunity to get to know one another in an atmosphere unlike that which exists during the regular school hours. Fun, laughter, and moments to remember are all an important part of these special times, as is evident here.

Student Council

Darla Bair, Secretary; Scott Gehlhausen, Treasurer; Glen Barker, President.

During the '74-'75 school year the activities of the Student Council varied from their continuing the management of the candy machine to sponsoring the printing of the spring sports schedule. Under the sponsorship of Mr. Terry Hasler, they also conducted a survey concerning the possibilities of a name change for the new high school. And for the student body they sponsored the showing of the popular TV-movie GO ASK ALICE. Student Council members were Mary Bair, Darla Bair, Shirley Freyberger, Terry Neukam, Terry Friedman, Vernon Seng, Glen Barker, Scott Gehlhausen, Martha Sanders, and Keith Schepers.

Karen and Terry were kept quite busy as they registered guests at the Beta Club Convention, while Arlene, Mike, and Darla relaxed to "The Incredible Shrinking Man".

The 1974-75 Beta Club Officers are from left: Alice Denu --Secretary, Kenny Beckman--Treasurer, Karen Thewes --President, Kathy Brosmer--Vice-President.

Beta Club

Cathy Hemmerlein presents her speech at the induction for new Beta Club members.

"Let's Go to the Gym!"

... for plays

How many times have you gone to the gym during a school year? Pretty many I bet because it is used for many different reasons. Remember the Indiana Theatre Company, HARVEY, pep sessions, assemblies and, of course, ball games? What a blast!

... for practice

... for bands

... for initiation

... for pep sessions

... to goof off

... to????

OFFICERS: On ladder, President Rick Kempf, seated from left to right, Treasurer Greg Heldman, Secretary Alice Denu, and Reporter Susie Knies.

Practice was the only word for the band as they pounded the pavement for an award-winning routine.

The band contributed school spirit throughout the year with songs and snappy routines.

Sing!!! Sing!!! Sing!!!

Under the direction of Miss Carolyn Dilegge, over sixty students sang their way through a very successful year. A few members went to contest and won first place. Pictured at right are the blue ribbon winners: Mary Rasche, Micki Schott, Geri Linne, Tina Nigg, Lori Knies, Gwen Potts, Laurie Rasche, and Karen Thewes.

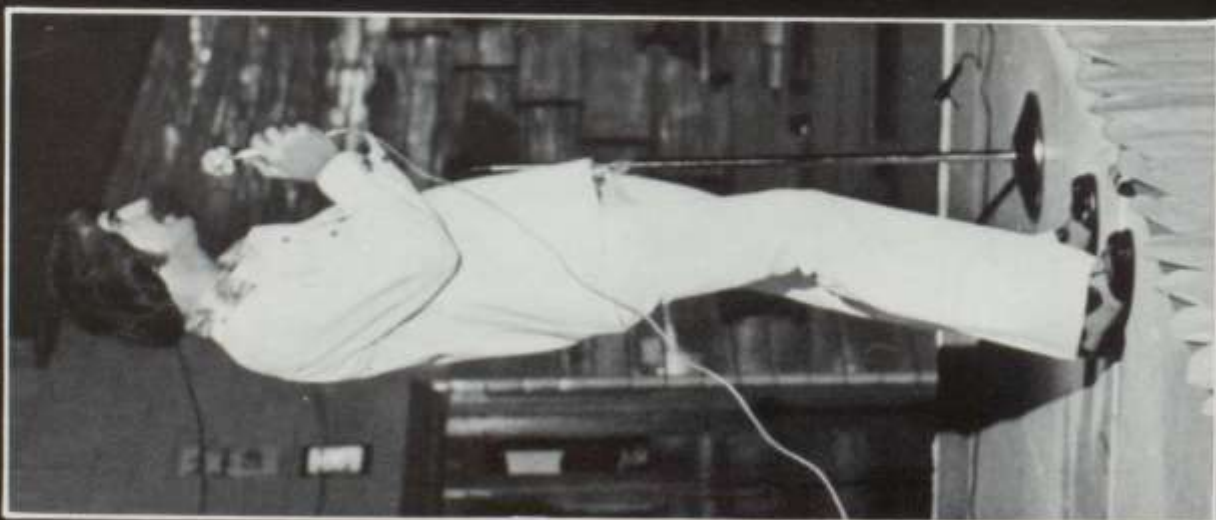

The Chorus enjoyed doing all of their performances, but the most fun for them to do was the Blacklight Show which was also very profitable for the Music Department.

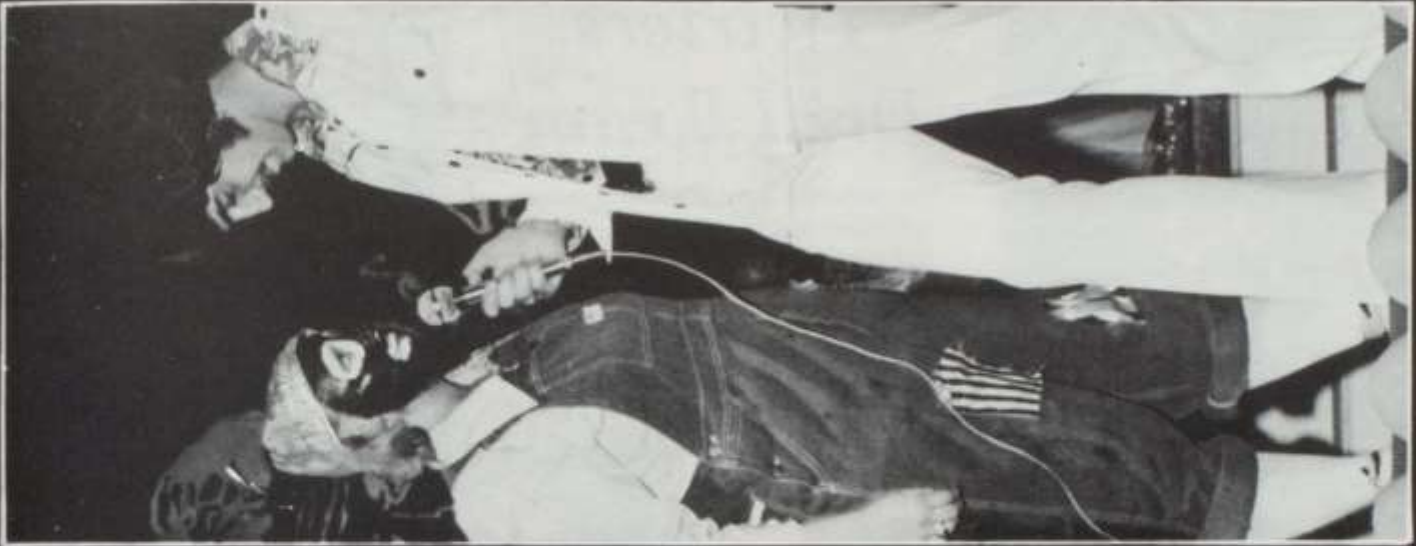

But as the school year came to a close the Chorus gave their last and best performance as they sang farewell, "Time Is My Friend", to the Seniors of '75. (Which is hard to do when you're about to cry!)

“Make Your Own Kind of Music” Blacklight 1975

The Tenth Annual Blacklight Show proved to be another great success for the DHS Music Department. Under the direction of Mr. Dan Hoffman and Miss Carol Dillegge, the band and chorus were again just GR-R-R-E-E-A-A-T!!!!

Where Were You When The Lights Went Out ?????????

Glen Barker, as emcee, Susie "Little Mama" Knies, Vicki "Big Bertha" Nigg, Tom "Dyn-O-Mite" Seng and Mike "Wee Willie" Weisheit put the audience in a laughing mood as they sang songs and told jokes. The students of DHS joined together and expressed their unlimited musical abilities. But the best show of all was in a song called "Darkness" performed by Mother Nature as the lights went out Friday night.

Twirlers Drill Team

The Twirlers and Drill Team under the supervision of Mrs. Donna Denbo and Mrs. Jill Mueller added a bit of color and flair to this year's basketball season as they entertained the crowds with their many routines.

"75 Drill Team: Co-captains L. Jahn, M. Kreitzer; S. Neukam, D. Heeke, M. Schott, P. Kempf, D. Merter, V. Jahn, J. Hostetter, De. Heeke, Denise Heeke, S. Hopf, and P. Brosmer.

Twirlers: Feature J. Harris and K. Conrad; D. Hoffman, C. Bair, H. Neukam and K. Freyberger.

Echo—Keep the Presses Rollin'

Mr. Ray Gramelspacher and staff worked hard on the school newspaper, trying new ways to improve the paper and appeal to the many subscribers. Who knows, maybe one day you'll see them on the cover of Newsweek or Times!

Editor Marcia Chesnut and newcomer Cheryl Stone tried to do a good job on the 1975 ECHO by working many days after school and even after school was out. They, along with the other members of the staff, hope their endeavors have pleased you thus far.

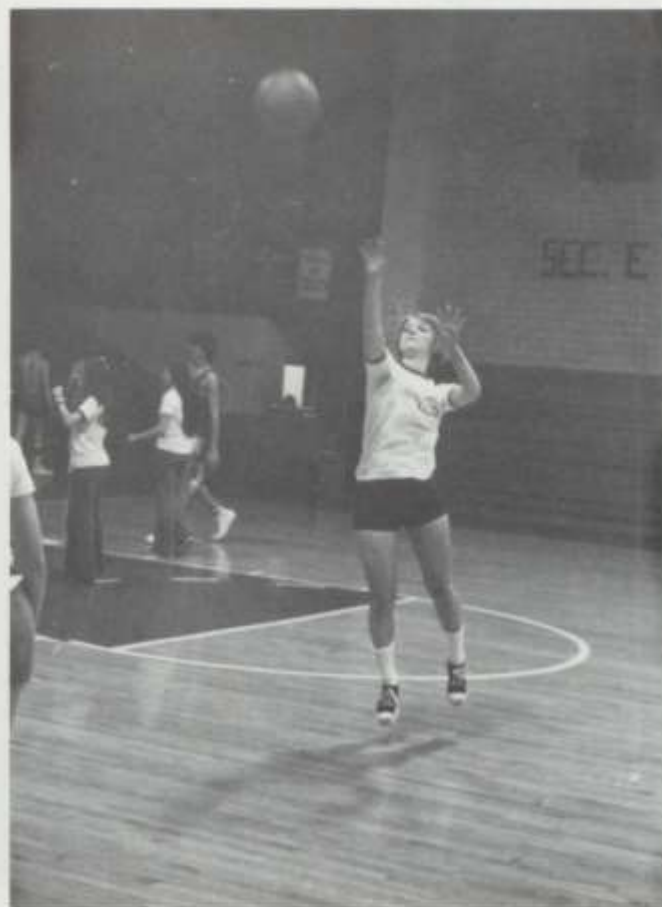

FHA ——— FFA

Under the leadership of Mrs. Donna Denbo the Future Homemakers of America were kept busy as each month was filled with activities. The year started with the annual Christmas party and followed with nursing home visits, bake sales, roller skating, Easter egg hunt and ended with a Mother--Daughter Tea. Officers were: Kathy Brosmer, President; Cathy Hemmerlein, Vice-President; Donna Bair, Treasurer; and Mary Kreitzer, Secretary (Not pictured -- Marcia Chestnut, Reporter; Sue Knies, Historian; Geri Linne, Projects; and Janet Kempf, Recreation Leader).

The Future Farmers of America began their year with the selling of garden seeds as their main fund raiser. From that they went on tour and visited the Machinery Show and Tractor Pull at Louisville and then the seniors visited the Jasper Engine Exchange. They planned for the future when they planted hybrid corn test plots. The year officially ended with a public barbecue at Haysville Park. Officers were: Rick Kempf, President; Mark Lueken, Secretary; Mr. Aaron Parks, Sponsor (Not pictured -- Dave Cummins, Vice-President; Tim Merkel, Treasurer; Charlie Doty, Reporter; Roger Knies, Sentinel).

GAA—FCA

GAA Officers: Geri Linne, President and Mary Rasche, Vice-President

Sophomore Denise Arnold, left, warms up her free throw shot prior to a Sophomore-Junior GAA ballgame.

FCA Officers: Greg Heldman, Secretary; Johnnie Meyer, Treasurer; Terry Seltz, Captain-Elect; Mike Weisheit, Captain.

Geri Linne, below, is riding her slave, Rick Kempf, that she purchased when the FCA members were auctioned as slaves to the girls with the highest bid!

Do It Now!!!

Get Involved!!!

The student life at Dubois High is not all work and no play. Whether the students participate in clubs (like Art Club, Library Club, or Ecology Club) or in regular class and convocation activities, all students are given an opportunity to express themselves---a chance they may not achieve during regular class time.

Art Club officers pictured above are Richard Stone, Treasurer; Chris Mathels, Reporter; Karen Thewes, President (not pictured - Bill McCart, Vice-President).

Ecology Representatives were Leah Neukam and seated, Linda Jahn.

??Take a Chance??

Not everyone can participate in varsity games, so students show their talents during junior varsity games like volleyball and in intramural basketball. At DHS everyone has a chance to be recognized for their participation.

With Rick Kempf as coach the Magicians defeated Goober's Globetrotters in an exciting intramural game. Both coaches and winning team received trophies for a job well done.

JV VOLLEYBALL: Becky Zehr, Rosie Matheis, Darlene Hueston, Linda Jahn, Janet Linne, Sharon Hueston, Anna Matheis, Donna Linne, Coach Becky Weatherford.

MAGICIANS: Terry Opel, Dave Kalb, Don Freyberger, Denny Egg, Ed Ziegler, Tom Seng, Terry Neukam, Rick Kempf, Joe DeKempfer.

Pep Club—Loves Those Jeeps!!!!!!

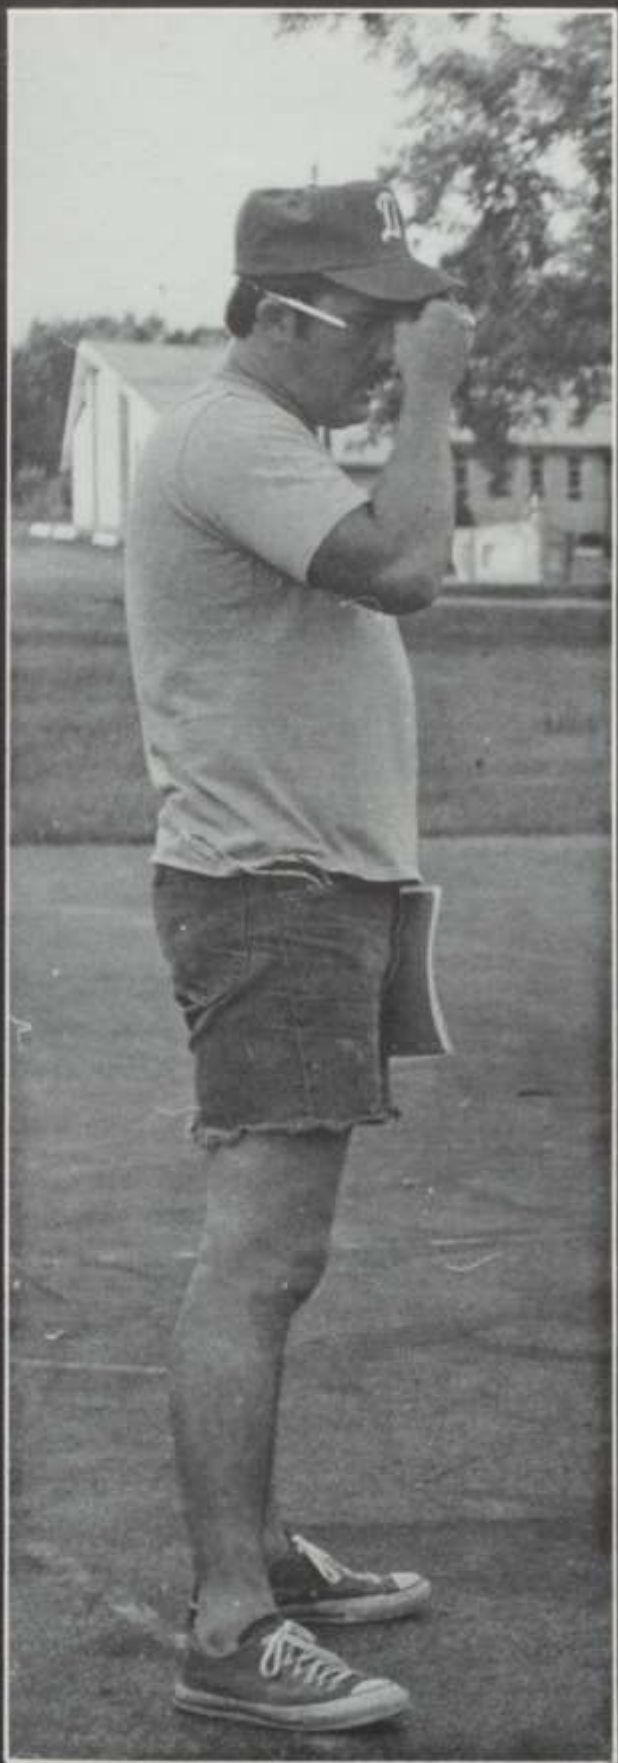

Happiness Is: Having fans with the enthusiasm that DHS fans have. Where else but Dubois High can you find involvement like this . . .

Big Jeep Machine Keep Truckin' On Right On! Right On! Right On!!!

Competition

Sometimes I go to the games and the crowd melts into one big force.

We are no longer individuals dwelling in our own cliques but are bound together--our spirits united. I think it must be that kind of closeness that creates school spirit or any kind of loyalty.

When I am at school, I think about the people there. It's weird to think that somehow everyone I have met at school (teachers, students, and close friends) has in some way changed me.

At times I get hurt, and I begin to think I don't need anybody.

But then I realize that everything I am is because someone at sometime touched my life.

***RUN!

RUN!!!
RUN!!!!
JEEPS!!!***

With the construction of the new school the Jeeps were forced to run their home meets at the Northwood course in French Lick. Here Coach Mueller gives Mike Grubbs some last minute instructions before a race.

Sitting, left to right: Mike Merkel, Vernon Seng, Terry Friedman, Bob Letterman, and Tim Friedman. Kneeling, left to right: Kerry Breitweiser, Mike Letterman, Bernie Merkel, Greg Heldman, and Rick Kempf. Standing, left to right: Vic Betz, Assistant Coach, Steve Sander, Mike Grubbs, Joe Nigg, and Jim Mueller, Coach.

Through the consistent fine efforts of Mike Grubbs and Mike Merkel (pictured above at the right) and Rick Kempf (below right), who repeatedly earned first place standings, the Jeeps were able to compile a fine regular season record of 49 and 1, a record which certainly gave Coaches Mueller and Betz a lot to smile about (upper left) as did the team's fine performance in the sectional and the resulting right to run in the cross country regional held at Bloomington. Below left, to the untrained eye it appears that the junior varsity runners are warming up. Actually, they are employing a new tactic to brush off mosquitoes. The mosquitoes were a problem but nevertheless the Jeeps remained undefeated on the Northwood course.

Kneeling, left to right: Donna Linne, Marlene Seng, Darlene Hueston, Geri Linne, Sharon Hueston, Janet Linne, Laura Rasche. Standing: Gail Leistner, student manager; Principal James Wahl, Cathy Brosmer, Cathy Hemmerlein, Mary Rasche, Cindy Mathels, Carla Seger, Coach Becky Weatherford, and Ann Heeke, student manager.

At right, Mr. Larry Nicholson, principal of Shoals High School presents team captain Geri Linne and Coach Becky Weatherford with the well-deserved sectional trophy pictured below.

(Volleyball) Girls Bring First Sectional Title to Dubois High

Congratulations were indeed in order at Dubois High School during the 1974-75 sports season. For the first time in the history of DHS, a sectional championship trophy made its way into the trophy case, and that trophy was acquired by a dedicated group of young girls and their hard-working coach Becky Weatherford. The girls' volleyball team succeeded in overpowering their competition at Shoals and became the proud owners of the 1974 Volleyball Sectional Championship Trophy.

Above, the girls warm-up on their home floor while below they are seen in action at the Washington Regional to which they advanced following the acquisition of the sectional championship. Congratulations girls and Coach Weatherford! DHS is proud of you!

"J-E-E-P-S

*That's the way we

Varsity, junior varsity, and freshmen cheerleaders: Karen Hall, Chris Matheis, Denise Arnold, Regina Hall, Cindy Bair, Alice Denu, Darla Bari, Geri Linne, Kim Cockerham, Darlene Hueston, Debbie Lorey, Kathy Conrad, and Angie Schott.

The practice, fun, hard work, excitement, and anxiety that are so much a part of the daily life of a cheerleader are captured quite well here in these action pictures of the 13 girls who together and independently offer such strong support to the freshmen, junior varsity, and varsity basketball players throughout the B-ball season.

Tourney Victory Caps Frosh Year!

The D.H.S. Freshman basketball team brought the season to a successful close as they won the Freshman Tourney at Forest Park. The Frosh, after experiencing a see-saw year, finally showed Coach Keith Seger that they wanted to win. And they did.

Row one left to right: Darlene Hueston, Cindy Bair, Angie Schott. Row two: Randy Himself, Bob Letterman, Tim Freidman, Terry Nobel, Kevin Chestnut, George Opel.

Impressive 15-5 Record for Jayvees

Capturing the J.V. championship crown at the Milltown Holiday Tournament, with a close win over Milltown, the Dubois J.V. finished their 1974-75 basketball season with an outstanding record. Coach Church diligently thinks about the next move for the J.V.

The 1974-75 Junior Varsity team front row: Student Managers Rick Bauer, Kerry Breitwieser, Alvin Hochesang, Mike Letterman, Terry Friedman, Mike Merkel, Vernon Seng, Brian Lueken. Back row: Coach John Church, Kurt Neukam, Joe Nigg, Rick Schepers, Steve Sanders, Othmar Schroeder, Mike Archer, Bernie Merkel.

Dubois Jeeps Come

The Dubois Jeeps entered the 1974-75 basketball season with high hopes and the enthusiasm necessary to mold a winning team. And win they did. Although they lost their first three encounters, the Jeeps rallied by midseason, and by use of great scoring balance led by Johnnie Meyer and Mike Weisheit and the playmaking of Rick Kempf and Greg Heldman, mowed over opponent after opponent en route to a 13-7 season. Everyone felt confident that this was the Jeep's year. A sectional championship was in sight, but a mighty Forest Park Ranger attack ended the season on a rather unhappy note.

Varsity team members, Front Row from left: Glen Barker, Rick Kempf, Greg Heldman, Bernie Merkel, Mike Archer, Othmar Schroeder, and Joe Nigg. Back row: Asst. Coach John Church, John Meyer, Leon Wehr, Mike Weisheit, George Stone, Denny Egg, and Head Coach Jim Mueller.

"You Ain't Seen

Sectional week is perhaps the busiest week of the year. It's filled with such things as Old Fashioned Day, Blue Jean Day, or maybe even a Pep Rally. Also included is an activity that involved each individual, class-lawn displays! This year's winner was a repeat of last year--The class of '76!

"You tell 'em Mrs. Mueller!"

Frosh Work at It!

"Nuthin' Yet"

It took good shooting, defense and a lot of concentration to keep the game out of the hands of the opposition--all of which gave us a reason to yell, "WE'RE PROUD OF OUR TEAM!"

Jeeps reach for a victory!

Track Records Fall in '75

The DHS Track program came alive in '75 under the cool coaching of Vic Betz and Becky Weatherford. Mr. Betz returned to Dubois and soon had the boys running. Senior athletes shone and they broke and re-broke numerous records. For the girls it was another great year with newcomer Sylvia Betz running the mile with style. Cindi Matheis along with Donna, Debbie, and Ann Hecke were the point-getters for their team as they finished with a 9-3 record.

Rain and Delays Force the Slide Into a Troubled

After a slow start the '75 baseball team, under Coach John Church, put it together and the victories started sliding in.

The senior-led team suffered a big loss at the hands of Forest Park early in the season. Later they turned the tide on the Rangers and swiped the Forest Park Tourney by shutting out the Rangers 4-0 in the final game.

The Dubois "B" Team, under the coaching of Keith Seger, showed that they were for real when they took over for the absent seniors, who were on the class trip, and were victorious over Henryville.

All-Sports Banquet Honors Athletes of Dubois

The annual All-Sports Banquet held on May 2, at the Celestine Community Club and emceed by Mr. Gene Hostetter, proved to be more of a Senior Banquet as the seniors claimed many of the honors. The athletes honored were: Greg Heldman (Most Improved Basketball Award), John Meyer (Free Throw Award and DHS Alumni Award), Glen Barker (Charlie Skaggs Mental Attitude Award), Rick Kempf (Basketball Assists Award, MVP Track Award, Basketball Defense Award, Mike Bair All-Sports Trophy), Mike Weisheit (Basketball Rebounding Award and Basketball Field Goal Percentage Award), and Joe Nigg (Junior Varsity Basketball Free Throw Award). The ladies honored were Cindi Matheis (MVP in Track and Volleyball), Kathy Brosmer (Volleyball Award), and Geri Linne (Outstanding Senior Girl Athlete).

Deserving High

Alumni President Keith Seger awards John Meyer the Du-
bois High School alumni Award for his superior basketball
ability.

Principal Jim Wahl explained then presented the Mike Bair
All-Sports Trophy to Rick Kempf.

The trophy winners are shown with their coaches: Jim Mueller (Cross Country and Basketball),
Keith Seger (Freshman Basketball), Becky Weatherford (Girls' Volleyball and Track), Vic
Betz (Cross Country and Track), and John Church (Basketball and Baseball).

People

I saw it in a book, in a zoology book--
 "Every individual is absolutely unique,
 The first and last of its identical kind."

Unique! The first and last!
 Never anybody else just like me!
 I am the only one just like me,
 I am a race by myself;
 When I die the world will have lost me
 Forever.

Think of it! Think if it hadn't happened.
 But it did--and never can again. Never.

All the combinations and changes and chances
 That made me can never again come together
 Exactly the same.

I am a person of distinction.
 I am I.
 I am that I am.

"Greenies Arrive!"

With August and September comes the opening of another school year, and with that same beginning, comes a new class of students at DHS--the "green" Freshmen as they are so well known by all EXPERIENCED upper-classmen.

During those first hectic weeks, many suffer mercilessly at the hands of these upperclassmen who defend their action with a simple "we had to go through it and so do you." But, it all comes to an end with a finale-- INITIATION DAY --late in September: one final day of being a slave, eating garbage, pushing peanuts, and just simply being "green" before being accepted into the ranks of the DHS student body.

Senior Night Raises Money

Senior Night, March 20, helped financially and was also a lot of fun. The senior girls beat the local yokels in the opening game. But the senior guys fell to the teachers, who may have been out of shape, but they had the advantage of height.

EARLYBIRDS

And now, the end is near . . .

The year of '75 was quickly coming to a close. On May 9, the last day of high school life for the seniors, honors were awarded. Awards were given in each subject, as well as for sports, clubs and also to outstanding students.

Many seniors were honored among which were Marlene Eichmiller (above) who received the Senior Music Award and Glen Barker (above right) who was presented with the DAR Award.

Students weren't the only ones honored. Coaches Jim Mueller and John Church (above) were presented plaques from the senior athletes. Mr. Phillips (left) received a plaque from his Physics Class for his 25 years of dedicated teaching.

ROBERT HIGH SCHOOL

WASHINGTON, D. C. MAY 1972

It all began at 3:30 a.m. Sunday, May 11, when 39 seniors and their sponsors, Bob Meredith, John and Martha Church, boarded the bus that would take them on the first leg of their trip to Washington, D.C. and New York City.

The touring began in Washington with visits to Mr. Vernon and Rep. Phil Hayes who presented President Karen Thewes with a flag for the new school. The trip ended with a live show performed by the Rockettes at Radio City Music Center in New York. Everyone enjoyed the exciting trip and some even found time to sleep.

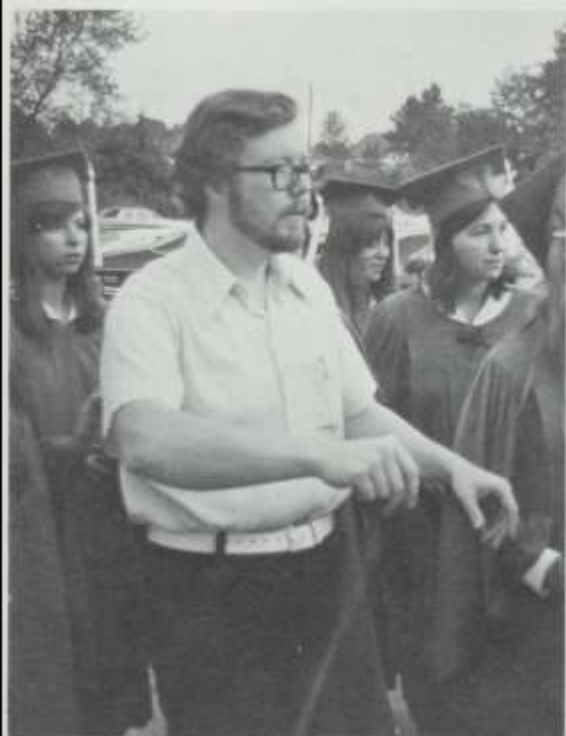

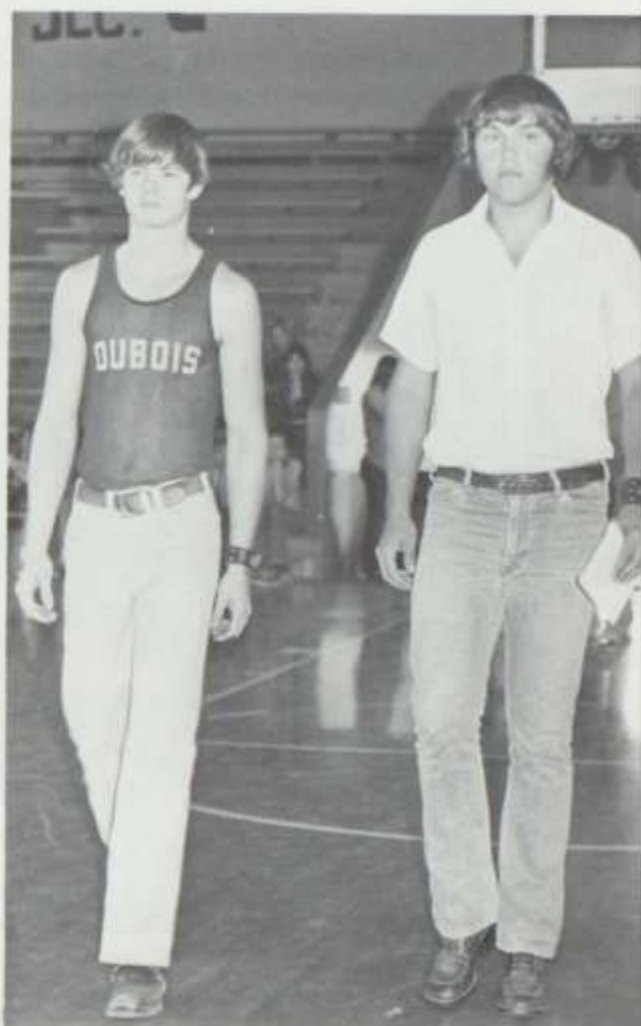

Time is running out . . .

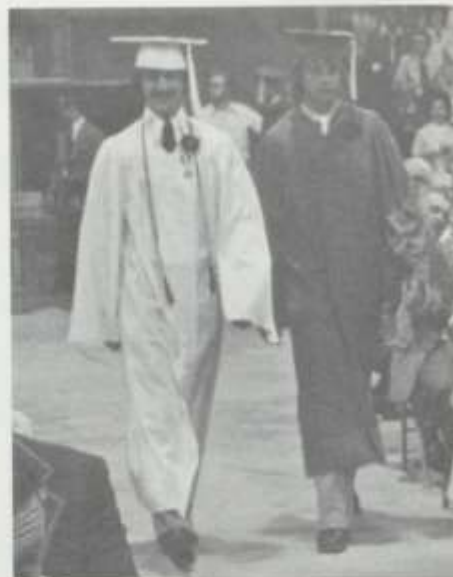

. . . . and days seem to fly by as minutes ticking on a clock. Invitations to address, gowns to be fitted, and a check list that never seems to end. There are so many things to think about, but during all the hurrying, you stop and wonder what it will feel like to be a graduate of Du-
bois High School--an alumni!

The moment has almost come and last minute preparations are being made. All there is to do is wait. Try not to think about how nervous you are, or that you could fall down, just think of that diploma and that you have finally made it!

Class of '75

Today we are finding ourselves. The cocoon of our selfishness is shed; we live in an aura of togetherness, sharing ourselves . . . And yet we need to be alone.

We have grown from undependable children to responsible students seeking a niche in life. Today we know the security of four stark, familiar walls-- We are yesterday's children becoming tomorrow's adults.

Community

We are learning values
no classroom can teach
through our life in today's community.
Appreciation for worth
has become a part of us
we often refuse to accept--

"I really can't afford to...
Oh, well, I'll splurge a little."
But splurging would be beyond reality
if we weren't serving hamburgers,
or pumping gas, or checking groceries,
or stocking shelves...

People are all too busy to care,
too busy to think,
too busy to act.
The world is a mess,
but what do they care?
All for one and one for me,
is our main idea.
When will we change?
When will we learn?
Most likely when it's too late.

--Arlene Hoffman
