'80 IS LOOKING BACK

The Class of '80 will look back,
Not only on our high school years,
But our very first day.

Remembering the knobby knees, stammering, and giggles.
All our friends for twelve years or more,
Growing and maturing with each other.
Some fell by the way, a different drum to beat.

The Class of '80 has met our final year together.
Years together, but time so brief.
Going our separate ways, individuals, yet still one.
Skills and trades, whatever each decides,
We will always be looking back,
And remembering the best of times.

The Class of '80, we will look back on tears that were shed.
Tears of sadness and tears of happiness,
Remembering our first home room, ordering rings, the proms,
And the senior play.
Memories of being a Jeep.

We will be looking back to our biggest and final day.
A day of new beginnings!
A day of new responsibilities!
A special day!
A day to be remembered! Our graduation.

Not ever in time again will the moments we have known,
the people, the places, and the events be the same.
There is no second chance.
One thing will for always be, for whatever we do with
Our lives, the Class of '80 will be looking back and,
WE WILL REMEMBER!

Kelly Schott
Editor '80

We dedicate . . .

To Mr. Aaron Parks, a man who has dedicated his life to the education of the students at N.D.H.S. for the past thirty years. He has left his mark on Northeast Dubois High School. Mr. Parks has taught the vocational agriculture and farm shop programs with proficiency and enthusiasm. Needless to say, thousands of students have been taught by and have learned from, the talents of Mr. Parks. It is with these thoughts of gratitude, that the staff of the 1980 ECHO dedicates this issue of our yearbook. Again, to you Mr. Aaron Parks, our fellow faculty member, our teacher, and our friend.

The Citizen Band Radio Club is a new organization at our School. It was established by Mrs. Wesselman to get students interested and involved in the world of C.B. Radio. Mrs. Wesselman states, "Not only is it a great way of getting help if you have car trouble, but, you can meet a great many new friends. Also you would not believe all of the stories you hear." We bet that is the truth!!!!!!!!!!!!

PHILADELPHIA—WASHINGTON D.C.—NEW YORK CITY—PHILADELPHIA—WASHINGTON D.C

The Class Trip for 1980 consisted of 5 days to Philadelphia, Washington D.C. and New York City. This is a trip to remember in which students see many land marks. However, at times it has been known as time to party. We are sure that this group was no exception. "Right Fellows!" Although some students may get in trouble and sometimes things just don't work out, we feel that the trip is still worth while and educational. "Variety is the spice of life!" and the Senior Trip is a big part of the variety.

I WAS A TEENAGE DRACULA

by Gene Donovan

Marlene never willingly misses a horror play on T.V., so she considers herself an authority on the subjects of werewolves, vampires, etc. Steve Dracca comes from abroad to where Marlene "helps out". She looks at his last name and decides he's a vampire.

Nobody believes Marlene at first but after a while one of the girls fall for Marlene's beliefs then things begin to happen.

*Poem
to the Seniors*

Another year goes passing by
Another Prom is here
To us this brings a joyous smile
To others, brings a tear
For four years you have tread a path
From dawn to setting sun
But now the path gets steeper
And the climb is just begun.
We're very glad to know you
We'll miss you when you've gone
And to the class of '80
We dedicate our Prom.

—The Juniors

From Sponsors Mr. Shipp & Mrs. Meredith were awarded gifts from the Juniors.

Sophomores serve refreshments

ALL OF THESE PEOPLE HAD DIFFERENT "IDEAS" ON THEIR MINDS.

School Board President Clarence Buechler and his wife show the students how to really "Cut a Rug."

This prom is just for the two of us. Kathy and Daryl enjoy a dance. Don't worry about it, it's not a dream.

Below, students and teachers glide around the dance floor. Larry Souredike, wipe that smile off your face.

Below, Mr. Kerry Prather and his mysterious date sway to a very slow dance.

Dear N.D.H.S. Students,

If you are an average person, you have probably looked through the rest of the yearbook several times by now, and you have just run across these few pages while choosing a place to reserve for your best friend to write. You will discover there is no room, not a vacant inch. This is the way I planned it. I wanted to fill this book with as many pictures as we could get. Remember, "A picture is worth a thousand words". For this reason we the Echo Staff have tried to devote our book to all the sad and glad feelings we get during the school year. The seniors who were so impatient to grow up and become independent can admit that they often wish for another year or two of high school. The Juniors who were so impatient to become seniors can admit how fast their high school years have gone by. The underclassmen who thought they'd never make it through the year can admit that it was fun. The athletes who felt too grown up can admit that they wanted to shed a tear or two at their last game or meet. Likewise, the band members, cheerleaders, and many others remember their "last times" and the lump they had in their throats. Yes, we can admit that, to us, it represents the "Digest" of many good things, despite the beginning of others. Having done this our memories will become that much better. This page marks the end of a book, a year, a decade, and a time of life, is our final message to you. We hope you will enjoy the book, but more, we hope you will enjoy the memories and forgive us of our many mistakes.

With Sincere Best Wishes,

Bob Meredith, Advisor

On behalf of the faculty and student body, we would like to express our deepest sympathy. We have lost three students who will always be remembered as a credit to our school.

Even though their chairs will be empty in the classrooms, their cheerleading uniforms will be folded and put away, they will never be forgotten, because they have touched all of our lives . . . And we shall miss them.
