# ACHIEVING OUR MARK

As we tried to decide what the perfect theme for our yearbook would be, we knew that we would want our book to be remembered for years to come. We wanted to make sure that our yearbook left some sort of mark on the memories of high school. So, what better theme to have than "Making Our Mark?" No matter who a person is, they are remembered for something that they have done throughout their high school career. This year we wanted to be sure that everyone made their own mark and that they will be remembered for who they really are. We are all different in our own ways, and we are all just "Making Our Mark."

# Getting Ready

Preparing for the upcoming night, senior Hannah Fischer gets her hair and make-up done.

Just adding the finishing touches, Whitney Rasche pins Clint Emmon's boutonniere on.

Prom and Holiday Ball are two formal dances that are anticipated every year at Northeast Dubois. No one realizes how much time and effort is put into these special occasions. Students spend hours planning and decorating both of these dances. Much time is also spent in buying dresses and tuxedos, finding the perfect shoes, and planning what will happen before the special night ahead. The night is complete with capturing special moments, but before you can make your memories you have to prepare. So, here is a page dedicated just for getting ready.

# Holiday Ball 2003

Freshman Brian Hasenour "gettin' his groove on!"

After last year's untraditional setting at St. Anthony Community Club, we were back in our old surroundings once again. Thankfully, Holiday Ball 2003 was held at Celestine Community Club on November 21. The Student Council, with direction from Tracy Gutzsell and Brenda Bartley, organized and prepared for this wintry evening full of dancing and merry-making. Contrary to the early date of the ball, the club was decorated with red and silver balloons, icicle lights, Christmas trees, and garland. Rock salt was spread on the tables and countertops to create an icy effect. Everyone present voted on the Senior Belle and Beau. Giesla Betz and Joseph Neukam were chosen, and they danced together to the first slow song. Past graduates of ND.H.S., Cody Ziegler and Cole Harris played some slammin' tunes as the senior guys and girls dominated the front of the dance floor.

-Mallory Eisenhut

"After spending six years in Dayton, Ohio, I loved being back in Dubois to spend senior year with my old classmates. My first Holiday Ball was definitely a night to remember."

The Senior attendants and their escorts: Joel Terwiske and Tessa Terwiske, Brandy Allen and Ryan Hembree, Brittany Knies and Luke Stemle.

The Junior attendants and their escorts: Clint Emmons and Silje Hansen, Kelsey Prechtel and Cody Schnell

The 2004 Northeast Dubois Queen Crowning was held on Tuesday, January 20 against Springs Valley. The background was made beautiful, as always, with help from Mrs. Parr, Mrs. Himself, and the art classes. Silver lame and scattered glitter covered the stage. Lighted shrink wrap trees of various heights, snowflake cut-outs, glitter, and purple accents made this year's homecoming stage gorgeous. The senior attendants chose white one-piece dresses with satin tops and drop shoulder straps. The lace-up backs were followed by flowing ballroom style skirts with tulle overlays. The underclassmen's dresses were lilac purple two-pieces with halter style/corset tops and A-line skirts. The boutonniere and bouquets consisted of ornamental cabbage, small lavender roses with purple and white accents. Junior Michael Wessel played the piano during the ceremony as Channing Friedman announced the attendant's names and escorts. Ryan Hembree and Tessa Terwiske were named King and Queen as the ceremony ended. By: Mallory Eisenhut and Hannah Fischer

A group of senior girls get together to take pictures at prom.

After months of preparation, everything came together to create a magical night for all involved. The Junior class worked hard to make the final prom for the seniors unforgettable. With the theme "A Stream of Roses," the Holiday Inn was decorated magnificently with an array of roses. The colors this year were red, ivory, and champagne seen all night throughout the ballroom, and Tim McGraw's "My Best Friend," this year's theme song, brought even more magic to the atmosphere. Whether going with a date, boyfriend/girlfriend, or just a friend, prom night is a night that will be remembered forever.

# Post Prom

After the night of dancing is complete, the students attend Post Prom for games and laughs. As a tradition, the PTO plans an eventful evening full of many chances to win a great deal of money. This year the parents decided that the best theme would be "Hollywood Nights." When entering the High School foyer, students and dates were amongst the stars. On the floor were faux Hollywood stars with a combination of actual student names and famous names. When participants signed in, they were each given a pair of sunglasses, gold for the ladies and black for the men. Along with these, each was given a keychain to resemble the entrance way of the event. The evening was much enjoyed by both the adults and the student participants.

In great spirit of the game, juniors Channing Friedman and Billy Harris do their best to beat out their competition, freshman Laine Friedman and junior Brandon Hulsman.

Seniors Brittani Quinn, Giesla Betz, Ariel Becaw, and Megan Knies stop for a brief moment in between running around trying to win money to pose for a nice picture.

**Superintendent Dan Balka**

We asked Mr. Balka, our Superintendent, a few questions about his everyday routine and how he feels on certain subjects here at Northeast Dubois High School. The best thing that Mr. Balka likes about his job is how he helps with all of the schools concerning education. He said, "What I mean by this is doing what it takes to see that kids get a good education each and every day of the school. Seeing to it that principals, teachers, maintenance personnel and cafeteria workers have what they need to do a good job." Mr. Balka dislikes deciding on snow days. There are too many things that are questionable when deciding on snow days. We asked Mr. Balka how he thinks the 2003-2004 school term has been, and his reply was that the school body and the faculty are very caring people. He also believes that when the students complain about petty things, the same petty things are going on in many other schools in the area. "If there is one thing I would like to see our students do better", is to be more accepting of others-more accepting individuals of small groups who may not have the same views as they do. This would make our school greater," said Mr. Balka. Mr. Balka has been our superintendent for the last three years. For 28 years, he was involved with the school as a teacher and principal. Mr. Balka hopes that in the years to come, the schools financial position will improve. By - Justin Dodd and Hannah Fischer

# CLASS OF 2004

Freshmen Class Officers (from left): Megan Stemle, Erica Lampert, Lauren Stemle, and Koryn Heeke

The freshmen class of 2004 had a lot to look forward to as they stepped through the doors at Northeast Dubois High School for the first time. They have four years at this school and many good times along the way. Following close behind the seniors as the second largest class in the high school, the freshmen class contains an array of different kinds of people. They have finally escaped their youthful days in middle school and are getting use to more freedom and responsibility. Their class has been described as extremely energetic, intelligent, and ambitious by middle school teachers. All these qualities will help them enjoy their high school experience while maintaining their positive attitudes along the way.

# CLASS OF 2006

Class Officers: (from left) Lauren Foltz-Secretary, Amanda Jones-Treasurer, Courtney Ahlfeld-Vice-President, and Christina Ziegler-President

The sophomore class of 2006 are half-way through their high school career. The groups' diversity has made its mark on Northeast Dubois. Their individuality began early in their elementary days. Since they came together in middle school they formed one of the most unique classes to walk through the halls of Northeast Dubois. Looking ahead to their final two years, the sophomore class looks forward to achieving their goal in the classroom and on the fields.

# CLASS OF 2005

As part of the Junior class we have noticed that we are not only the smallest, but the strongest. We stick together and help one another. We acknowledge everyone's unique attributes. We could go on and on using the word "we" because that is how the Junior class exists. I, she, he, and me are words not found in the Junior class vocabulary. "We" and "us" make up the Junior class. As years pass we may not grow in numbers, but we are growing together. Our class motto "Live today, rest tomorrow," fits each and everyone of us perfectly. As a class we live each day to the fullest and do not rest until the day is done. As this school year ends and our senior year dawns, we know we may not grow into a bigger class, but we will continue to grow into a stronger class.

# CLASS OF 2004

**Senior Class Officers:**  
President, Giesla Betz, Vice-President, Jessica Thewes,  
Treasurer, Tessa Terwicke, and Secretary, Emily Wineinger

**Top 10% of Senior Class**  
Front: Megan Jahn, Jenna Shepard, Stephanie Cave  
Back: Julia Nathan, Ariel Besaw, Jessica Thewes,  
Janie Dorsam, Julie Verkamp, Kira Stone

**Nick Stone**  
was the  
one and  
only early  
graduate.

Life is what you make it, and for the Class of 2004, many different lives have formed. Not one of us is alike and that's what makes us unique! From being the largest class to walk the halls of Northeast Dubois High School, to the four sets of twins in our class, to all the different personalities we represent, we've made our mark in so many different ways. Although we are not the closest class, we hold respect for all of our classmates. We've studied, complained, failed, and achieved together; we're venturing off on our own now, to make our own marks, but the marks made as a class will never be forgotten.

# CONGRATULATIONS GRADUATES!

Class President

Giesla Betz

Valedictorian

Stephanie Cave

Salutatorian

Julie Verkamp

The Class of 2004 shared tears and smiles on Saturday, May 22, 2004 at the Graduation Ceremony in the sweltering hot gym. Despite the heat and the accidental confirmation of the Class of 2002, three great attention getting speeches were given by Giesla Betz, Stephanie Cave, and Julie Verkamp. The Show Choir bestowed the crowd with their song "Baby." When the senior class was lined up on the sides of the gym and were presented to families and friends as the Class of 2004, graduates threw confetti this year instead of their hats in celebration. Congratulations to the Class of 2004! We did it!

# Senior Mark

At The Scene of The Crime  
And the mark thats left behind

## Who

"I would like to leave a mark as the best senior class to ever graduate from NDHS." - Jason Hagen

## What

"I would like to leave a mark for being a good basketball manager." - Josh Otto

## Where

The girls varsity basketball team going to Regionals in Shelbyville

## When

Having our senior picture taken, and trucking through the mud for a half a mile, on the chilly October day.

## Suspect

"I would just like for people to look back at some people in our classes and recognize the friendships they had with everyone. I want people to understand that they should be nice to everyone who crosses their path because they may affect it somehow. Also that you shouldn't wait too long to get to know someone because you never know when that person will leave this world." - Megan Knies

## Evidence

"That I am energetic and that I cared about others, and that I am a loud, fun loving girl! And I don't gossip." - Ambra Wible

"I attempted everything to the best of my ability and enjoyed the moments during high school." - Clayton Ziegler

"I would like to leave the mark of an artist, with my works left behind even after I am gone. With the yearbook, computer graphics, four senior videos, the school website, our senior barn, and the marks left on the hearts and minds of my teachers and peers, I truly hope that I have left a unique and memorable signature upon this school." - Laci Watson

"Don't worry about doing stupid stuff because you will not remember it later in your life." - Paul Betz

"Work hard! Remember this! God gave you two days to live for, your birth date and the day you die. And go like heck!" - Grant Eichmiller

"I would like to leave this school the memories of an exchange student who had a wonderful time at Dubois High School. Thanks to the teachers and students who helped me, and Dubois is the best!" - Zuzana Bednarova

"I would like to be known for the talent to skip and not get in trouble for it." - Zach Linne

"The best class to ever enter this high school." - Tessa Terwiske

"I would like the class of 2004 to be remembered as a class that always got along!" - Ruby Laux

"I'd like to be remembered for my favorite color lime green, and for being a hard worker." - Sarah Stackhouse

"I want the class of 2004 to be remembered as one that had a lot of fun and was nice to everyone." - Brittany Knies

"I would like to open people's eyes and let them see the beauty of diversity." - Kira Stone

"I would like to leave a mark as a class. I hope our class can be remembered as a very interesting, intelligent, and athletic group. I want teachers and students to talk about the seniors of 2004 for many years to come!" - Malory Eisenhut

"I would like to be remembered as a hard-working and out-going student. I would like to influence others to be the best they can, stay strong, and be independent." - Jenna Shepard

"I would like to leave a good mark because I had a lot of fun at this high school, and because this is a good school corporation and it has a really good staff and student body." - Joel Terwiske

"To be known for being wild and crazy, and as the biggest partier of the senior class!" - Ryan Hembree

"I want people to remember me as having the most 'worn in' letter jacket." - Lindsay Strotman

"I want people to remember me for my friendliness. I want others to realize that it doesn't matter what group you're in, no one is better than anyone else, and smile, it could make someone's day!" - Gieda Betz

"The mark I would like to leave to this school is a hardworking attitude. That I did my best at every obstacle that I was put at, and played my hardest at every sporting event that I participated in." - Matt McGee

"I want to leave a mark of originality and unique personality. I've never been afraid to express myself freely, regardless of what anyone else thought." - Julia Nathan

"I would like to leave the mark as being outgoing, out-spoken, and crazy. I would like to leave the mark as being totally weird also." - Kela Carle

"I want people to remember me by my will to succeed. Even though I had Olyvia, I maintained my studies and even raised my GPA. Don't quit school!" - Lelah Evans

## State Champions.

After winning the state championship in the interdisciplinary competition, Ariel Besaw, Kira Stone, Ely Cartwright, and Michael Wessel proudly display their championship banner.

With a diverse group of students participating in six different academic areas, this year's Academic Bowl teams all worked together to make this year one of the most successful in school history. Five out of the six teams placed in the top three at area with the Social Studies and Interdisciplinary making it to state. At the state competition, Social Studies placed third and the Interdisciplinary team walked away as State Champions. By: Ariel Besaw

The Northeast Dubois language clubs participated in many different activities throughout the school year. Both Spanish and French Clubs designated International Nights, where they gather at different ethnic restaurants in the area to dine together. This year the French students spent a week-night eating at La Carreta and Spanish club members went to Los Bravos to chow down. T-shirts were designed and bought by club members which feature graphics representing their clubs' culture.

On Wednesday, April 7, French and Spanish scholars were chosen by their sponsors, Mrs. Karen Terwiske and Mrs. Brenda Bartley, to travel to the University of Southern Indiana in Evansville. They competed in an area Foreign Language Academic Bowl Competition. Considering it was only their first time competing, both teams came out with very good scores.

FCA, Art Club and FFA have one thing in common. Each of these clubs serve a purpose to help others, but they help in different ways. Case and point, FCA this year sponsored a mother with a child whom did not have very much, by donating food, money, and clothes for a great Christmas gift. Every year these clubs find some way to contribute to society. They help others while helping each other, too. FFA and the Art Club have many activities in which the members work together on a project to complete it. For instance, the Art Club painted figures of a nativity set for a local resident this year. Every individual of the club was needed in order to finish the project.

The Jaspers succeeded this year in the bowling lanes. Both the boys and girls had successful seasons. The girls team got second over all the area schools coming in behind Jasper. This feat gave the girls a shot at Regionals. Freshman Michelle Zehr moved onto Regionals in the individual contest as well as with the team. Sophomore Ben Rasche also moved onto Regionals in the individual competition.

"The Blues Brothers!" That was the theme for this year's winterguard. Every opening would start out with the saying, "You see, we were sent on a mission from God." The girls competed in 5 competitions total and considering this is the first year, the girls did very well. By: Stephanie Schepers

Mr. Carr transferred here at Northeast Dubois High School this year to lead our band. This season the band took a turn for the best. The band had to work harder than ever for Mr. Carr who believes in practice makes perfect. In the end all the practice paid off. Especially for Michael Wessel and his little sister Audrey Wessel who placed twelfth at state for their spectacular solo ensemble. The dynamic duo are two talented individuals that are known for their musical talent. This year the marching band did a good job and the pep band did a great job, too. Mr. Carr can be caught saying, "the pep band was great, we rocked the house." Overall the season was a great success and hopefully our new band director accompanied by the talented musical students from Northeast Dubois High School and Northeast Dubois Middle School will be able to do even better.

## What's your obsessive fear?

A phobia is an irrational, abnormal, or exaggerated fear affecting a person's mind & body. People can develop phobias about nearly anything. More than two hundred phobias have been named but only about a hundred account for most people's fears. Many students within our own school have developed fears affecting their daily lives and here are a few of them— Julia Nathan

"Ophiophobia"-  
Fear of Snakes

Myctophobia- Fear of darkness

Chionophobia- Fear of snow

Anthrophobia- Fear of men

Sciophobia- Fear of school

Bromidrophobia- Fear of body smells

"Coulrophobia"-  
Fear of clowns

Cacophobia- Fear of ugliness

Frigophobia- Fear of cold or cold things

## Share a fear with a celebrity?

Claustrophobia or the fear of confined spaces caused 'escape artist' Harry Houdini to suffer panic attacks. This fear is shared by senior Shannon Smith, preventing her from being in any enclosed area for a length of time.

## Stats

12 % of Americans have phobias

Phobias strike more women than men

Phobias are also the most common mental health problem in women

Specific phobias, especially animal phobias are common in children

1 out of 10 Americans have a specific phobia

More than 5% of Americans have agoraphobia, the most disabling social phobia

Approximately 5.3 million Americans has a social phobia in any given year

## Have a popular fear?

## BOYS

With four of the top seven runners back from last year's semi-state team, the Jeeps took their ability to another level. From the help of those dreaded hard practices, the team advanced to semi-state for the second year in a row. Sophomore Ethan Merkel led the way with seniors Luke Friedman and Eric Padgett, juniors Brandon Hopf and Jeff Bakka, and freshmen Kyle Jones and Ben Gessner following closely. This year's team was full of surprises, placing in the top six in all the invitationals they attended this year. In the conference meet, Ethan Merkel, Luke Friedman, and Eric Padgett made the All-Conference team. The team could not wait until tournament time and they were definitely ready, placing 3rd in Sectional, then bouncing back to a surprise 2nd place finish at Regional. The Jeeps were the only school in the semi-state with a student enrollment of less than 400. Ethan Merkel led the way, placing 11th at semi-state and qualifying for the state meet. Merkel became the first boy in school history ever to qualify for the state meet. The team finished the season with an excellent record of 106-44. Congratulations on the great season.

## GIRLS

With several returning seniors and help from the upcoming freshmen, the Girls' Cross Country team had a great season. Pain and suffering were not enough to stop these runners from having a rewarding season. The top runner for the Jeeps was Giesla Betz, while Ambra Wible and Tia Wineinger were a close second. Following closely behind were Emily Wineinger, Jenna Terwiske and Laine Friedman, while Courtney Hagedorn and Channing Friedman battled for the seventh position throughout the season. Giesla Betz and Tia Wineinger made All-Conference and All-Sectional, while Ambra Wible and Emily Wineinger made the All-Conference team. The girls finished the season with a great record of 95-42.

The boys' soccer team improved tremendously over the previous year. They went from a two win, nine season loss record to an eight wins, two losses and one tie season record. A big improvement for the boys this year was the loss to Forest Park, though it may not sound like an accomplishment to lose. The fact that they lost 10 to 0 last year and only lost 2 to 0 this year showed how much the team has improved. The team had a tough game in the first round of sectional, ending with a loss, but left the field with their heads held high.

**Front Row:** Kelsey Prechtel, Krista Brielweiser, Heather Hasenour, Tara Beyke, Lauren Foltz, Brooke Reuber, Shannon Broome, Traci Lueken. **Row 2:** Amber Jones, Sije Harnden, Nikki Starns, Amanda Gutgeil, Jennifer Dodd, Susan Seminger, Erica Hall, Whitney Hall. **Back Row:** Coach Jason Tower.

The girls' soccer team also had an improved season. Losing only three players from the previous year, the lady Jeeps started the season with almost the same team as they ended with last season. In the past season, the girls allowed 42 goals to be scored against them; however, this year, they only allowed 21. This improvement definitely showed in their performance in the sectional. The girls defeated Heritage Hills in the first round, getting the chance to play Jasper in the semi-finals. The lady Jeeps played their hardest, but the Cats came out on top. The girls put everything they had into the season and the work paid off.

## BOYS

This season was a very big success for the boys tennis team. They ended up with a season record of 18 wins and 2 losses. This record was the second best record of NDHS tennis history. The major wins for the boys tennis team were in the Oakland City/ Wood Memorial tourney and the Springs Valley tourney. In both tourneys the Jeeps came out on top. The tough matches during the season were the matches against Loogootee, Paoli, Southridge, and Forest Park. When Dubois was matched up with Forest Park, they encountered their first loss. That ended the Jeeps long winning streak which started mid-season two years ago.

Jamin Quinn started out the season with four straight wins in which he did not lose a single game. He won 6 matches throughout the season never losing a game. Jamin also broke the record of most wins at #1 singles.

-Ryan Hembree

## GRLS

This year's lady tennis team has accomplished their best record in many years. They nearly took a conference championship after a few very competitive matches with area teams. A few new practice rituals and techniques have been added to this year's schedule which contributes to the amount of success the girls are experiencing this season. During three afternoon practices a week, the entire team runs a mile in order to prepare for opposition with tough opponents. Exchange students, Zuzana Bednarova and Marica Woolfe add to the accomplishments of the 2004 season.

"Holla!" The Lady Jeeps are making history. This season, with lots of support from friends and family, the girls grabbed conference and sectional titles. The four seniors showed their true spirit and skills in leadership. The team had Mallory for spirit, Steph S. for laughs, Britt for encouragement, and Steph C. for inspiration. Coach Angela Pfister says, "They were what held the team together." Through the season you could see the determination to win. One of the best accomplishments this season, besides winning conference and sectional was snapping a nine-year losing streak against Forest Park. The girls lost the first two games to the Rangers then bounced back and beat them in five games. At the beginning of the season, a mentor program was started. Coach paired seniors and juniors with sophomores and freshmen. Throughout the season, the mentors would give little gifts before every game with inspirational words. Nicole Schepers says, "Mallory is very creative with her gifts, and I look up to her not only because she is a good volleyball player, but a good all around person." The response is mutual from all of the girls on the team. This season, the record for the girls volleyball team was 17-10.

## Boys

Numbers was the story of this year's swim team. Aside from last year, the boys had enough people to have a relay team. Major adjustments were made to daily practices because of the new coach, Mr. Matt Widdif. The swimmers had to increase the amount of work they put into the sport this year from the traditionally short easy practices to the grueling time-consuming workouts of 2004. Seniors Luke Friedman and Jacob Parkey led the team this year, posting better times than ever before, and combined to set four school records in individual events. In addition to the seniors, the Junior class added three participants, two divers Adam Gist and Brandon Hulzman, and one swimmer Derek Schmitt also contributed to the success of this year's team. The team had two underclassmen, sophomore Adam Schroering and freshman Zac Peek who also gave a boost to the team. Major adjustments and a growth in participants led to the success of the 2003-2004 boys swim team. By: Luke Friedman

## Girls

Two relay records were broken with the help of a few new freshmen additions, and a lady-diver was added in order to give the team more depth. For three hours a day, six days a week, for five straight chilly months, the lady swimmers slaved away in the chilling waters of the high school pool. The team dressed, stretched, kicked, pulled, swam, jumped, and worked out together. The extensive amount of practicing, which led to exhaustion and frustration, helped the Lady Jeeps to an eighth place finish in the sectional finals at Booneville. Many personal bests were made better along with friendships, which were created and strengthened.

Opening the season at the Holiday Tourney, the Northeast Dubois cheerleaders stunted and cheered with other high school cheerleaders.

Senior Jill Beckman runs towards the crowd just in time to throw a ball to the fans.

Cheerleading is thought of as probably the easiest sport in high school. Some do not even consider it a sport. What many people do not know is that cheerleading is probably the hardest sport. The cheerleaders not only cheer during the seasons, but they cheer all year round. The summer involves camps, competitions, and thinking of new things for the upcoming season. Along with cheering at games, they decorate lockers, buy gifts for the players, and put on pep sessions to get the fans pumped up! The cheerleaders placed second in the class 1A competition at the Cheerleading Regionals in Huntingburg, and advanced to the State level in New Castle. There they finished in the top five. The girls had a bid to Nationals, but decided to support the girls basketball team at Regionals. It was a good season for the girls!

# Freshmen Basketball

The freshmen boy's basketball had a memorable season. This was their first year playing high school ball as a team. They all came together and won six of sixteen games played. While losing Jordan Jones to the Junior Varsity was a blow to the team, Cody Weatherholt stepped in and filled the void. Brian Hasenour, another teammate said, "The season was fun." He also commented that he liked playing for Coach Michael Cave. As a conclusion to their freshman year of basketball the boys had an exceptional and enjoyable season.

## Junior Varsity Girls Basketball

This year the girls had another great season finishing first in the Blue Chip Conference and picking up considerable wins throughout the season. The coaches' enthusiasm carried to the team on the floor as well as on the bench. The girls worked together as a solid force to be reckoned with. All their hard work paid off with the team earning a 14-6 overall record and an 8-4 record in the conference. This season has been a memorable and learning experience for all the girls that participated in the sport.

By: Justin Dodd and Ryan Hembree

## Junior Varsity Boys Basketball

The 2003-2004 basketball season proved to be a great learning experience for the Boys' JV team. Led by captains Evan Massey and Theo Heeke, the team finished with a record of 8 wins and 12 losses. Although the record isn't one to be desired, everyone on the team gained valuable experience for the years to come. With eight departing seniors from the varsity squad, most of the JV team will be suiting up for varsity next year, and the experience they gained this year will be very valuable. Some of the players, including Jordan Jones, Matt Beckman, Jeff Balka, and Evan Massey, even gained some varsity experience this year, helping the team out throughout the season. With such an outstanding JV team, the future looks bright for Jeep Basketball.

## GIRLS VARSITY BASKETBALL

The Jeeps had a strong season this year. With seven on the team, Coach Matheis knew this would be an unforgettable season. He was right. The Lady Jeeps finished the season with an outstanding record of 16 wins and 9 losses. The girls placed 3rd in their conference with a record of 6 wins and 3 losses. They had a hard fought season and it showed they can overcome just about anything. Their hardwork paid off in the end with a sectional win and 2nd place finish in Regional. They also had a hard fought tournament in which they also received runner-up.

By: Ryan Hombree and Justin Dodd

## BOYS VARSITY BASKETBALL

Although the Boys' season didn't go quite as well as everyone had hoped, the Jeeps played hard every game of the season. With the outstanding leadership of eight seniors, the boys had some very close games against some very tough opponents. Despite starting the season with a record of 0-11, the boys pulled together in front of a gym full of screaming fans on homecoming night to win their first game of the season against rival Springs Valley. In the sectional at West Washington, the boys fought hard the whole game and almost pulled out a victory against a very tough Orleans team.

The Junior Varsity baseball team did a remarkable job this season. They went out and won nine of their eleven games. The team scores were so high because of a .411 batting average. The main aspects of the team were the pitching and hitting. Next year the JV team will look forward to moving up with nine seniors leaving from the varsity team. This year there were an assortment of key players that will help build up a strong Varsity baseball team.

This year the boy's baseball team had an eventful season. The seniors: Tyler Wineinger, Eric Lampert, Galen Starrs, Nathan Hopf, Justin Dodd, Matt McGee, Joel Terwiske, Luke Sternie, and Clayton Ziegler equal nine of the fourteen varsity baseball players. They possess strong leadership qualities that led them to win a grand total of 11 games this momentous season. The players put a lot of hard work and effort to make the season a great adventure. In the opening game of sectional they played a very hard team, and hung in there right with them. Unfortunately they lost, however they plan to come back even stronger next year.

## Girls Track

As the race begins you can already see the blue pulling ahead. Although the girls track team may be smaller than most girls track teams they are still mighty. Every year the girls know that they must run, jump, and throw high and far in order to do good in this sport. This year they set their goal to finish first. The motto, "Get Lucky" was heard at every track meet. As the season progressed the girls became quicker and stronger. They were able to get the green and go for the gold. Throughout the season, the seniors showed the true colors by leading the girls in prayer with inspirational words before every meet. In the end, it paid off because the girls placed a close second in Blue Chip and in sectional the girls placed a strong 3rd place. Finally, the girls wrapped up their season placing 5th beating all area schools. Dana Sander will represent the girls at State in the 200 and 100.

By: Jeanne Parsons

## Boys Track

Strong leadership from the seniors kept this team going. Meet after meet the competition was fierce, but with the drive of the seniors the boys pushed themselves to be an outstanding team. They finished with 24-13-1 record before going to sectional. Whether picked to win the meet or not they gave it their all to do better than expected. This year they placed a strong second in sectional. The team is young and filled with talent. Jeff Balka broke the high jump record. Luke Friedman, Eric Padgett, Pat Hasenour and Phil Hasenour. They are especially talented in distance and high jump. Ethan Merkel and Josh Parsons will see everyone at State to compete and do their best. Ethan this year broke two of the school records, the 1600 and 3200. Overall the year was notable.

Sharing your history has been a delight. Being with you while you grew from the beautiful, inquisitive 'baby sugar' into a lovely, mature, young woman has been like watching a flower garden bloom, ever changing and more wonderful with time.

While the present is a gift, it is also an opportunity. You, in the present, will direct your future. You can give yourself a future gift that can be as big as you can dream. Good Luck.

I love you.

# COMPLETING OUR MARK

As the  
school year comes to an end,  
we as editors feel that we have met  
our goal in capturing everyone's marks.  
As the years pass, people can now be remembered for  
their triumphs, successes,  
personalities, and goals. These are  
the things that people like to remember. We  
just helped ascertain them to become  
a treasure for each person to hold as  
their own. Each person is somewhat  
different than what they appear to be. This  
yearbook should help each of  
us understand what our peers  
are going for as far as goals. Each and  
every person in Northeast Dubois High School  
has "Made Their Mark."
