“

This one time...

...In the 8th grade, I was starting to go through a growth spurt. In the process my body was changing. One day at school I noticed that I had 2 bumps on my chest and I got really worried. So John Spicer said he would check them out and began feeling around on my chest. As he was doing this, Mr. Balbach came in the room. Jordan Jones

... I was swinging from a grape vine in the woods over a ditch and the vine broke and I fell down.
Nathan Lampert

...I went streaking!
Phil Hoffman

... Kyla tripped when walking into the gym for P.E. Erica Lampert

... I fell off Jaleigh's car and got rushed to the ER. I had a concussion.
Lyndley Hagen

...this past summer, Jessica, Andrea, and I went mudding. We went with my "redneckmobile". It's an old golf cart that is painted camouflage. We also went with the four wheeler. We got the golf car stuck right away. We made Jessica push and we put the gas down and mud flew all over her. It was fun. Hannah Humbert

In Memory Of...

Andy Spellmeyer

February 6, 1987 - February 9, 2000

Sadly, Andy is no longer with us.
We should all remember Andy's life
rather than his death and
recall the friend we once had and
will always have in our hearts
for the rest of our lives

In Loving Memory for our classmate:

Andy Spellmeyer,

who died on February 9, 2000.

Gone is the face we loved so dear,

Silent is the voice we loved to hear.

Too far away for sight or speech,

But not too far for thought to reach.

We cherish all the memories we have
of you.

Sadly missed by
