These are the Days

when all of your worries consist
of tomorrow's calculus test, or
last night's reading assignment.

These are the Days

where you couldn't wait to get to Mr.
Verble's class on lab days, finish
your art projects with Mrs. Parr, see
Jake fixing the water fountains, or
ask Mrs. Himsel for help on that
research paper that's due last
period.

But most of all,

These are the days that you will
remember for the rest of your life-
maybe not every moment or every pop
quiz- but during your high school
career there are sure to have been at
least a few defining moments. Amongst
the hundreds, there is one thing we
can all agree on though:

These are the Days!

In Loving Memory Of Beverly "Susie" Schmitt

Mrs. Parr has worked for Northeast Dubois Schools for 39 years as an 1st teacher. She started at the Elementary School level, moved to the Middle School and finished her teaching career at the High School.

Mrs. Himzel and Mrs. Parr planned Homecoming for over 20 years together.

Mrs. Himzel has been our School Librarian for 39 1/2 years. She was also a very dedicated Spell Bowl and Academic Bowl coach.

We will miss you
 All very much.
 Thank You for your
 years of service.

Mr. Verble began teaching at NDHS in 1978. Through the years, he has taught Chemistry, Biology and Integrated Chemistry Physics.

Things definitely
 won't be the same
 around here without
 you-

You'll be
 dearly missed!

Jake has worked as a Maintenance Man for 19 years, helping all the schools. He has especially taken care of keeping our buses running. He has taken great pride in all that he does.

BIBLE STUDY

faith

it does not
make things easy
it makes them
possible

⊕ Luke 1:37

what's the fastest thing
on earth?

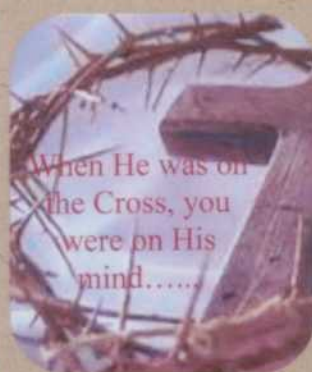

Sound? not quite
Light? almost

answer: Prayer
- cause it reaches God even
before you say it.

People see
God
everyday; they just
don't recognize
Him!!!

Megan Wilz (12) led a Bible Study every Thursday morning in Mrs. Schulthies' room. Megan discussed the importance of being a follower, not a fan, of God, and about showing Jesus to the world. Mrs. Schulthies would give students inspirational handouts to put on their lockers so they could spread the love of God and become witnesses to other students in our school.

For God so loved the world
That he gave
His only
Begotten
Son
That whosoever
Believeth In Him
Shall Not perish,
but have Everlasting life.

When He was on
the Cross, you
were on His
mind.....

Wittmann/Bergeson Family—Grandma died.

Cassius Fritz and her family for her successful recovery from a heart transplant

For the family who donated the heart that they have been blessed with

For Mr. Glodish's sister-in-law who just went through a kidney transplant

For those requests in our hearts that may be too painful to share with anyone but God.

Faith is a living and unshakable confidence, a belief in God so assured that a man would die a thousand deaths for its sake...

God's heart is the
most
sensitive and
tender of all.
No act goes
unnoticed,
no matter how
insignificant or
small.

Richard J. Foster

God always
leads us to
where we
need to be,
not where
we want
to be."

Alex Refugia is one of the many who enjoys listening to music while studying. (10)

Most are in agreement that music is a great stress reliever.

Andrea Smock would rather listen to female vocalists because they are easier to sing with. (11)

If Tristan Linne could be any singer, he would definitely choose Eminem because he likes his style of music! (10)

When Sabrina Schepers was asked what her favorite genre of music was she shared her love for "Hip hop, because it gets me in the mood to do things" (11)

Michaela Stenle wishes she could sing like Carrie Underwood because "she's got pipes"! (12)

Cassie Stann listens to music the most when she has free time or while running! (10)

Holiday Ball

Prince Justin Kahle and Princess Latesha Merkel

"It's a Wonderful Holiday Ball" was the theme of the night. The night was full of music and dancing on November 16th starting at eight O'clock at the Celestine Community Club. Black and silver decorations with twinkly light filled the club. Music provided by Boogie Tunes filled the air to a night that we will last a lifetime.

On the the perfect

Nick Goller

Nick Goller (10) has only killed one turkey, but hunting turkey "is 10 times more fun than deer hunting because you get pumped when they gobble."

Joe Gress

One time, Joe Gress (12) shot eight rabbits in 45 minutes.

Kamon Prechtel

One time, Kamon (12) was hunting with his brother when his brother shot what he thought was a goat, but it was really an albino deer.

Janell Matheis

Janell Matheis (12) and her dad caught a 39 pound catfish while fishing on the Patoka River.

David Whippo

One time, when David Whippo (10) was fishing, he was reeling in his line when a 15 to 25 pound catfish yanked on his line. "It yanked on my line and pulled me into the water, but I did not catch the fish at all.

Austin Kunz

One time, when Austin Kunz (12) was fishing, he caught a fishing pole while fishing at Beaver Lake.

Jacob Hemmerlein (9)

"One time, when I was squirrel hunting, I shot one but it got stuck on a limb about ten feet high. I just went ahead and climbed up there and pulled it down. I grabbed it and got about halfway down the tree and slipped. I ended up landing pretty hard on my ankles."

Max Witte

An interesting story from Max Witte (10) was on opening morning of his second year hunting. "I saw an 8 pointer and got my gun ready. Then I found out that there was a big tree limb right in the way of my barrel. So I had to move to the right side of my blind and switch windows. I barely had a shot but I shot anyway. I saw a little blood and followed the trail for 4 hours (not fun). I couldn't find it so I finally gave up. I came back to the same spot the next morning and sat there for 5 to 7 minutes and shot my first deer. It was a 4 point buck. I was very happy that day."

Caleb Danhafer

An interesting story from Caleb Danhafer (9), is "When I shot my first deer, I walked up to it and it tried to bite me.

David Birk

David Birk (9) has been hunting since he was 6.

Hunt for Catch

Simon Schneider

An interesting story from when Simon Schneider (12) went fishing was "I was out fishing at my uncle's lake, when I got this big hit on the jig I was using. I was feeling a fight from this fish and I could tell it was big. I finally got it into the bank and realized that it was a 6.4 pound bass."

Zach Betz

An interesting story from Zach Betz (12) is "I was fishing in a Canal. My dad had an ocean canal outside his house in Fort Meyer's, Florida. I felt like I had something on my line, and I could feel a slight tug. It took 2 seconds for this fish to snap my line. Shocked, I wondered how big this sucker was. All of a sudden, the figure jumped out and I was speechless to see my line was once connected to a Manatee. That was the day when I caught 4 catfish, a barracuda, and a manatee."

Shane Troutt

Shane Troutt (12) has been hunting since he was about 5 and likes to hunt deer or turkey.

Gavin Howell (9)

"The first time that I got to hunt by myself was when I was ten. That is when I killed and gutted my first deer."

Zach Cross

Zach Cross (12) likes to fish for Steel Head Trout up in Michigan.

Eric Jellison

Eric Jellison (12) and his dad with a turkey.

Brandon Mehringer

Brandon Mehringer (9) has been hunting all of his life and likes to hunt coyote and deer.

Wade Friedman

Wade Friedman (12) has been hunting since 5th grade and likes to hunt turkey and deer.

Austin Seng (12)

"My first buck I shot was an 8 pointer. I killed it with a bow. I shot it right in the butt when it was on the run. I looked for it for hours and couldn't find it that night. The next day, I was walking around at work and saw buzzards flying around. I followed the buzzards and there was my deer. That was crazy."

Jalen Seger

Jalen Seger (12) has been hunting for as long as he can remember and likes to hunt elk.

Nicole Dodd

You've made us very proud by accomplishing the high goals you have set for yourself. By following your own standards, you've become an inspiration for others. You are an amazing young lady; and you will have great success in life.

Your future lies in your ability to dream. Dream big, follow your heart, and keep smiling. We love you dearly and are very blessed to have you in our lives.

Wishing you a life full of love & laughter... Dad, Mom, Logan & Taylor

Zach

You never know how strong you are, until being strong is the only choice you have. Your pain and struggles have not only made you stronger, but given you character. They've helped make you into the wonderful, patient, caring, determined, person you are today. We couldn't be more proud of you- for who you are, all you've accomplished, and all you have yet to become. We know you can do anything you set your mind to.

All our Love, Mom, Dad, Noah, Hannah, and Ben

"I can do all things through Christ who strengthens me"

-Philippians 4:13

As I Watch You Grow

Do you know how much you mean to me?
As you grow into what you will be.
You came from within, from just beneath my heart.
It's there you'll always be though your own life will now start.
You're growing so fast it sends me awheel.
With misty eyes I ask, Where's my little girl?
I know sometimes to you I seem harsh and so unfair.
But one day you will see, I taught you well because I care.
The next few years will so quickly fly,
With laughter and joy, mixed with a few tears to cry.
As you begin your growth to womanhood, this fact you must know,
You'll always be my source of pride, no matter where you go.
You must stand up tall and proud, within you feel no fear,
For all your dreams and goals, sit before you very near.
With My love in your heart and the world by its tail,
You'll always be my winner, and victory will prevail.
Just remember I will always love you and be here when you need me!

Love You Angelbug!

Mom, Keone, Gavin, Corbyn and Maczy

Ashley Humbert

Ashley, you truly are a miracle!
Words could never say how proud we are of
you. With your strength
and determination the sky is the limit. So
Dream Big Baby.

Autographs

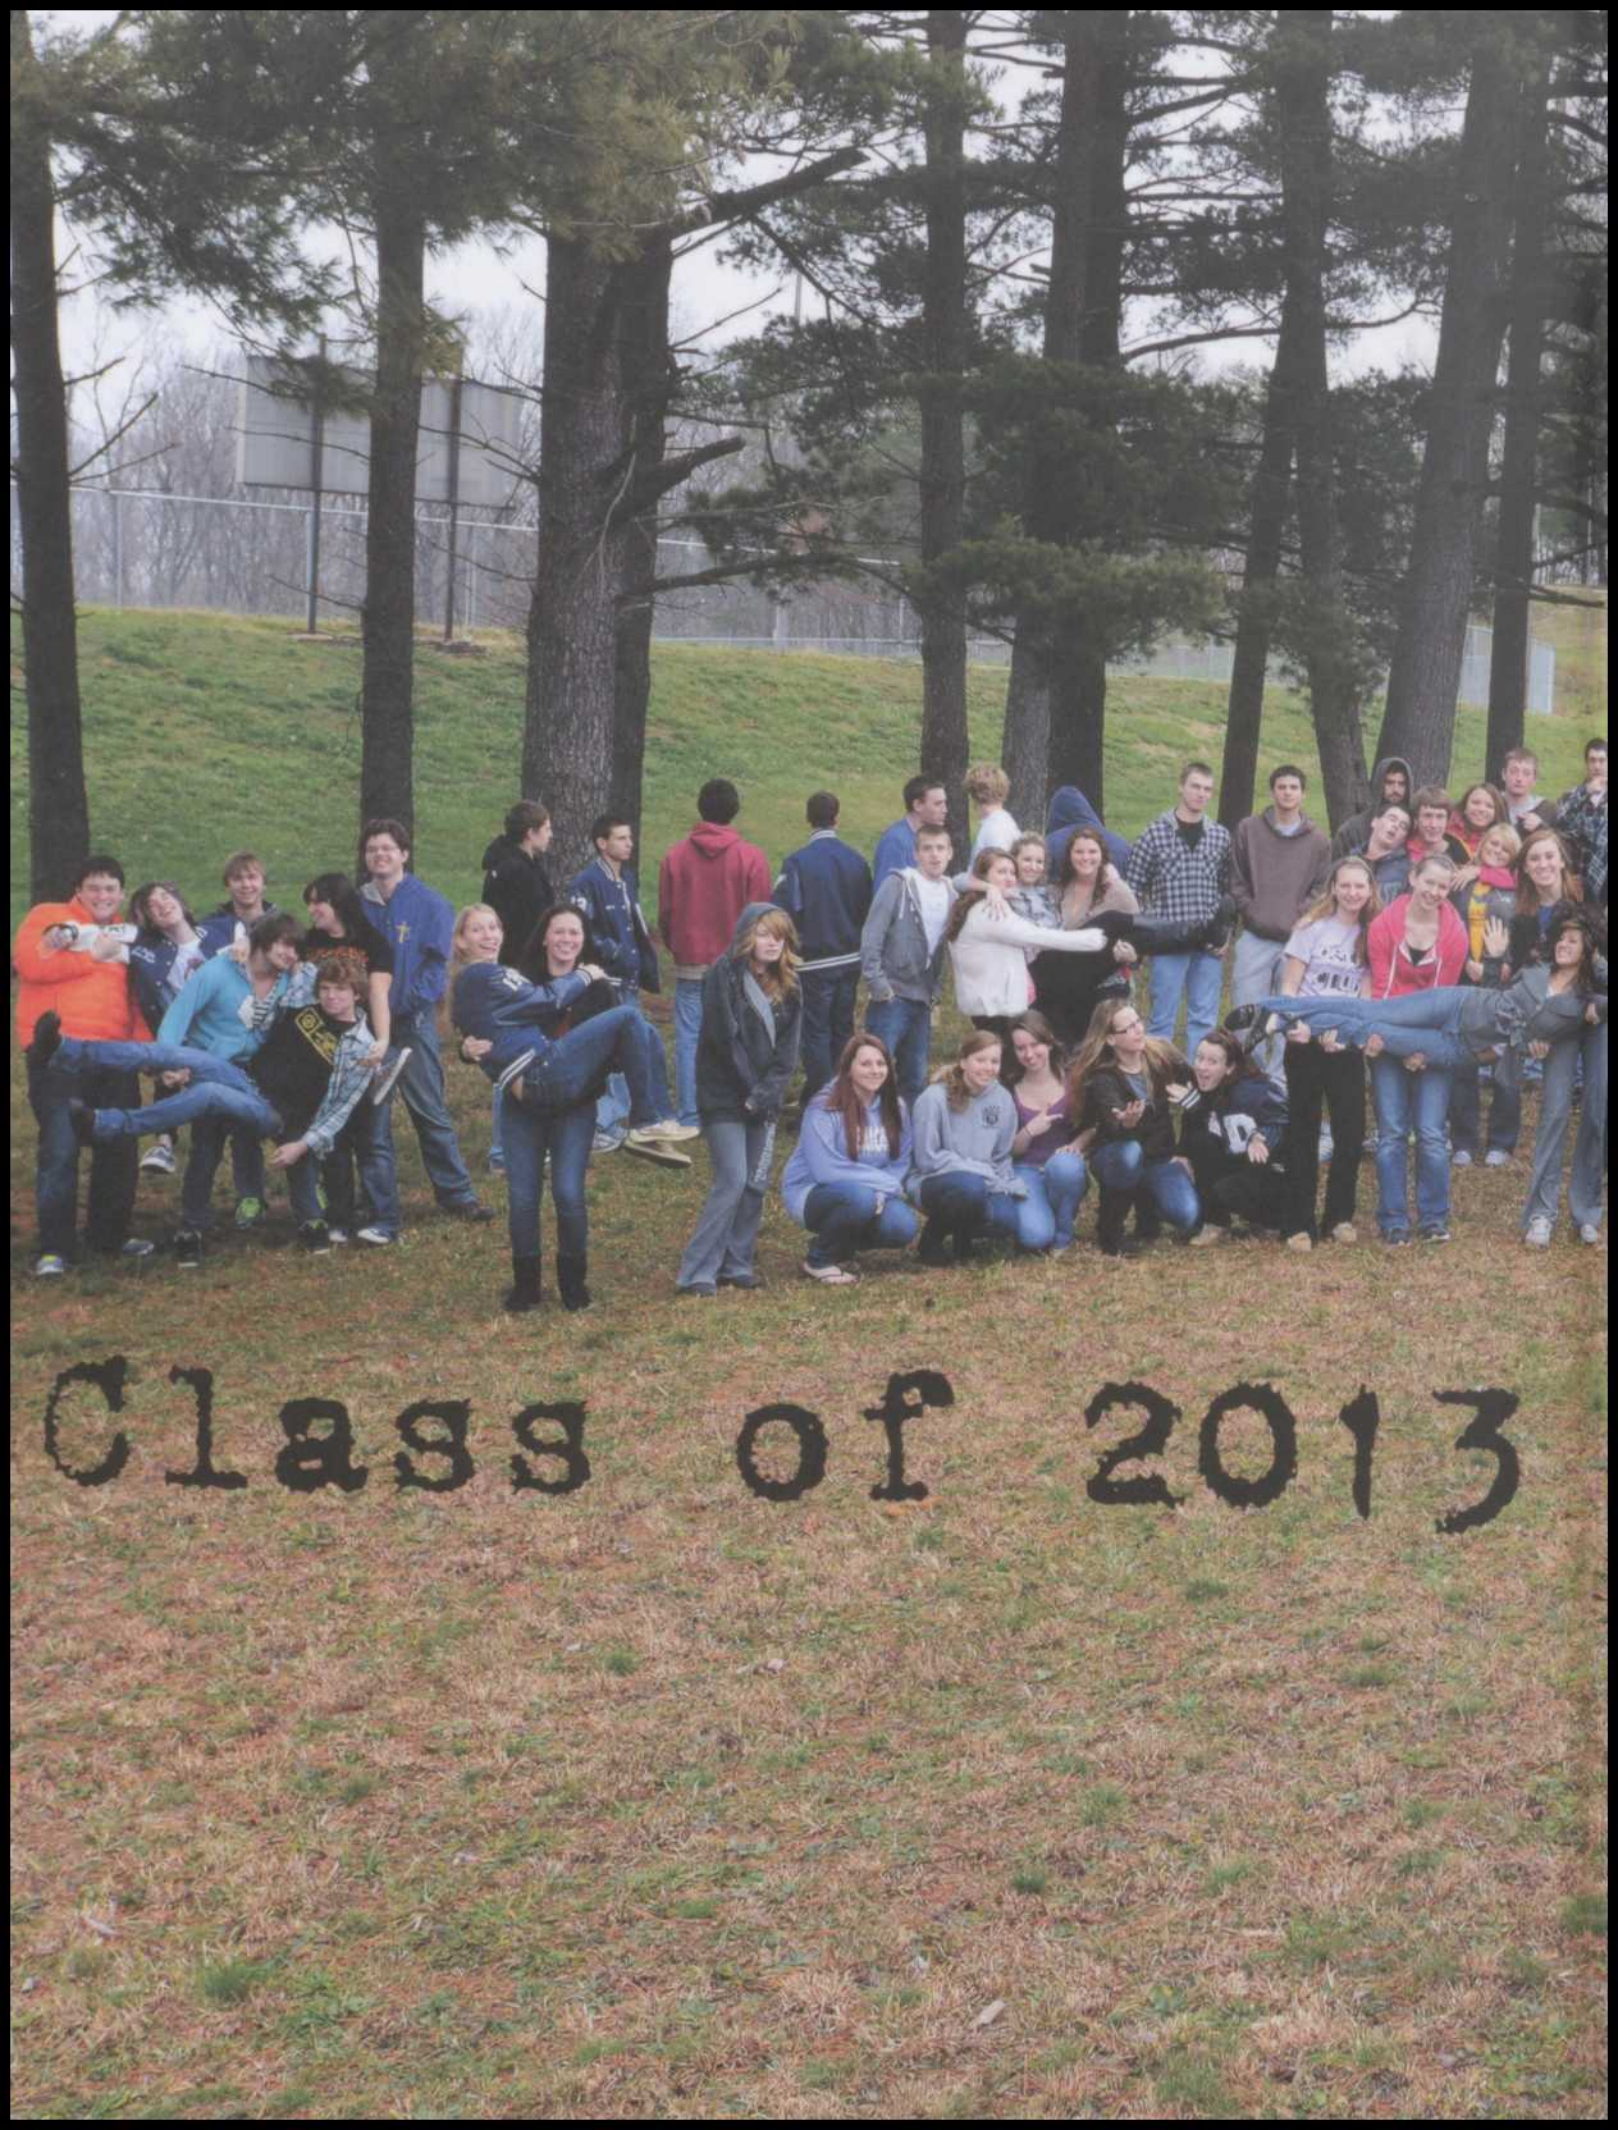

High school may have just
been a pitstop on this long
road of life, but while we
were here, we sure did make
the most of it. Now that the
year has come to an end,
it's time to go out and live
your life to the fullest.

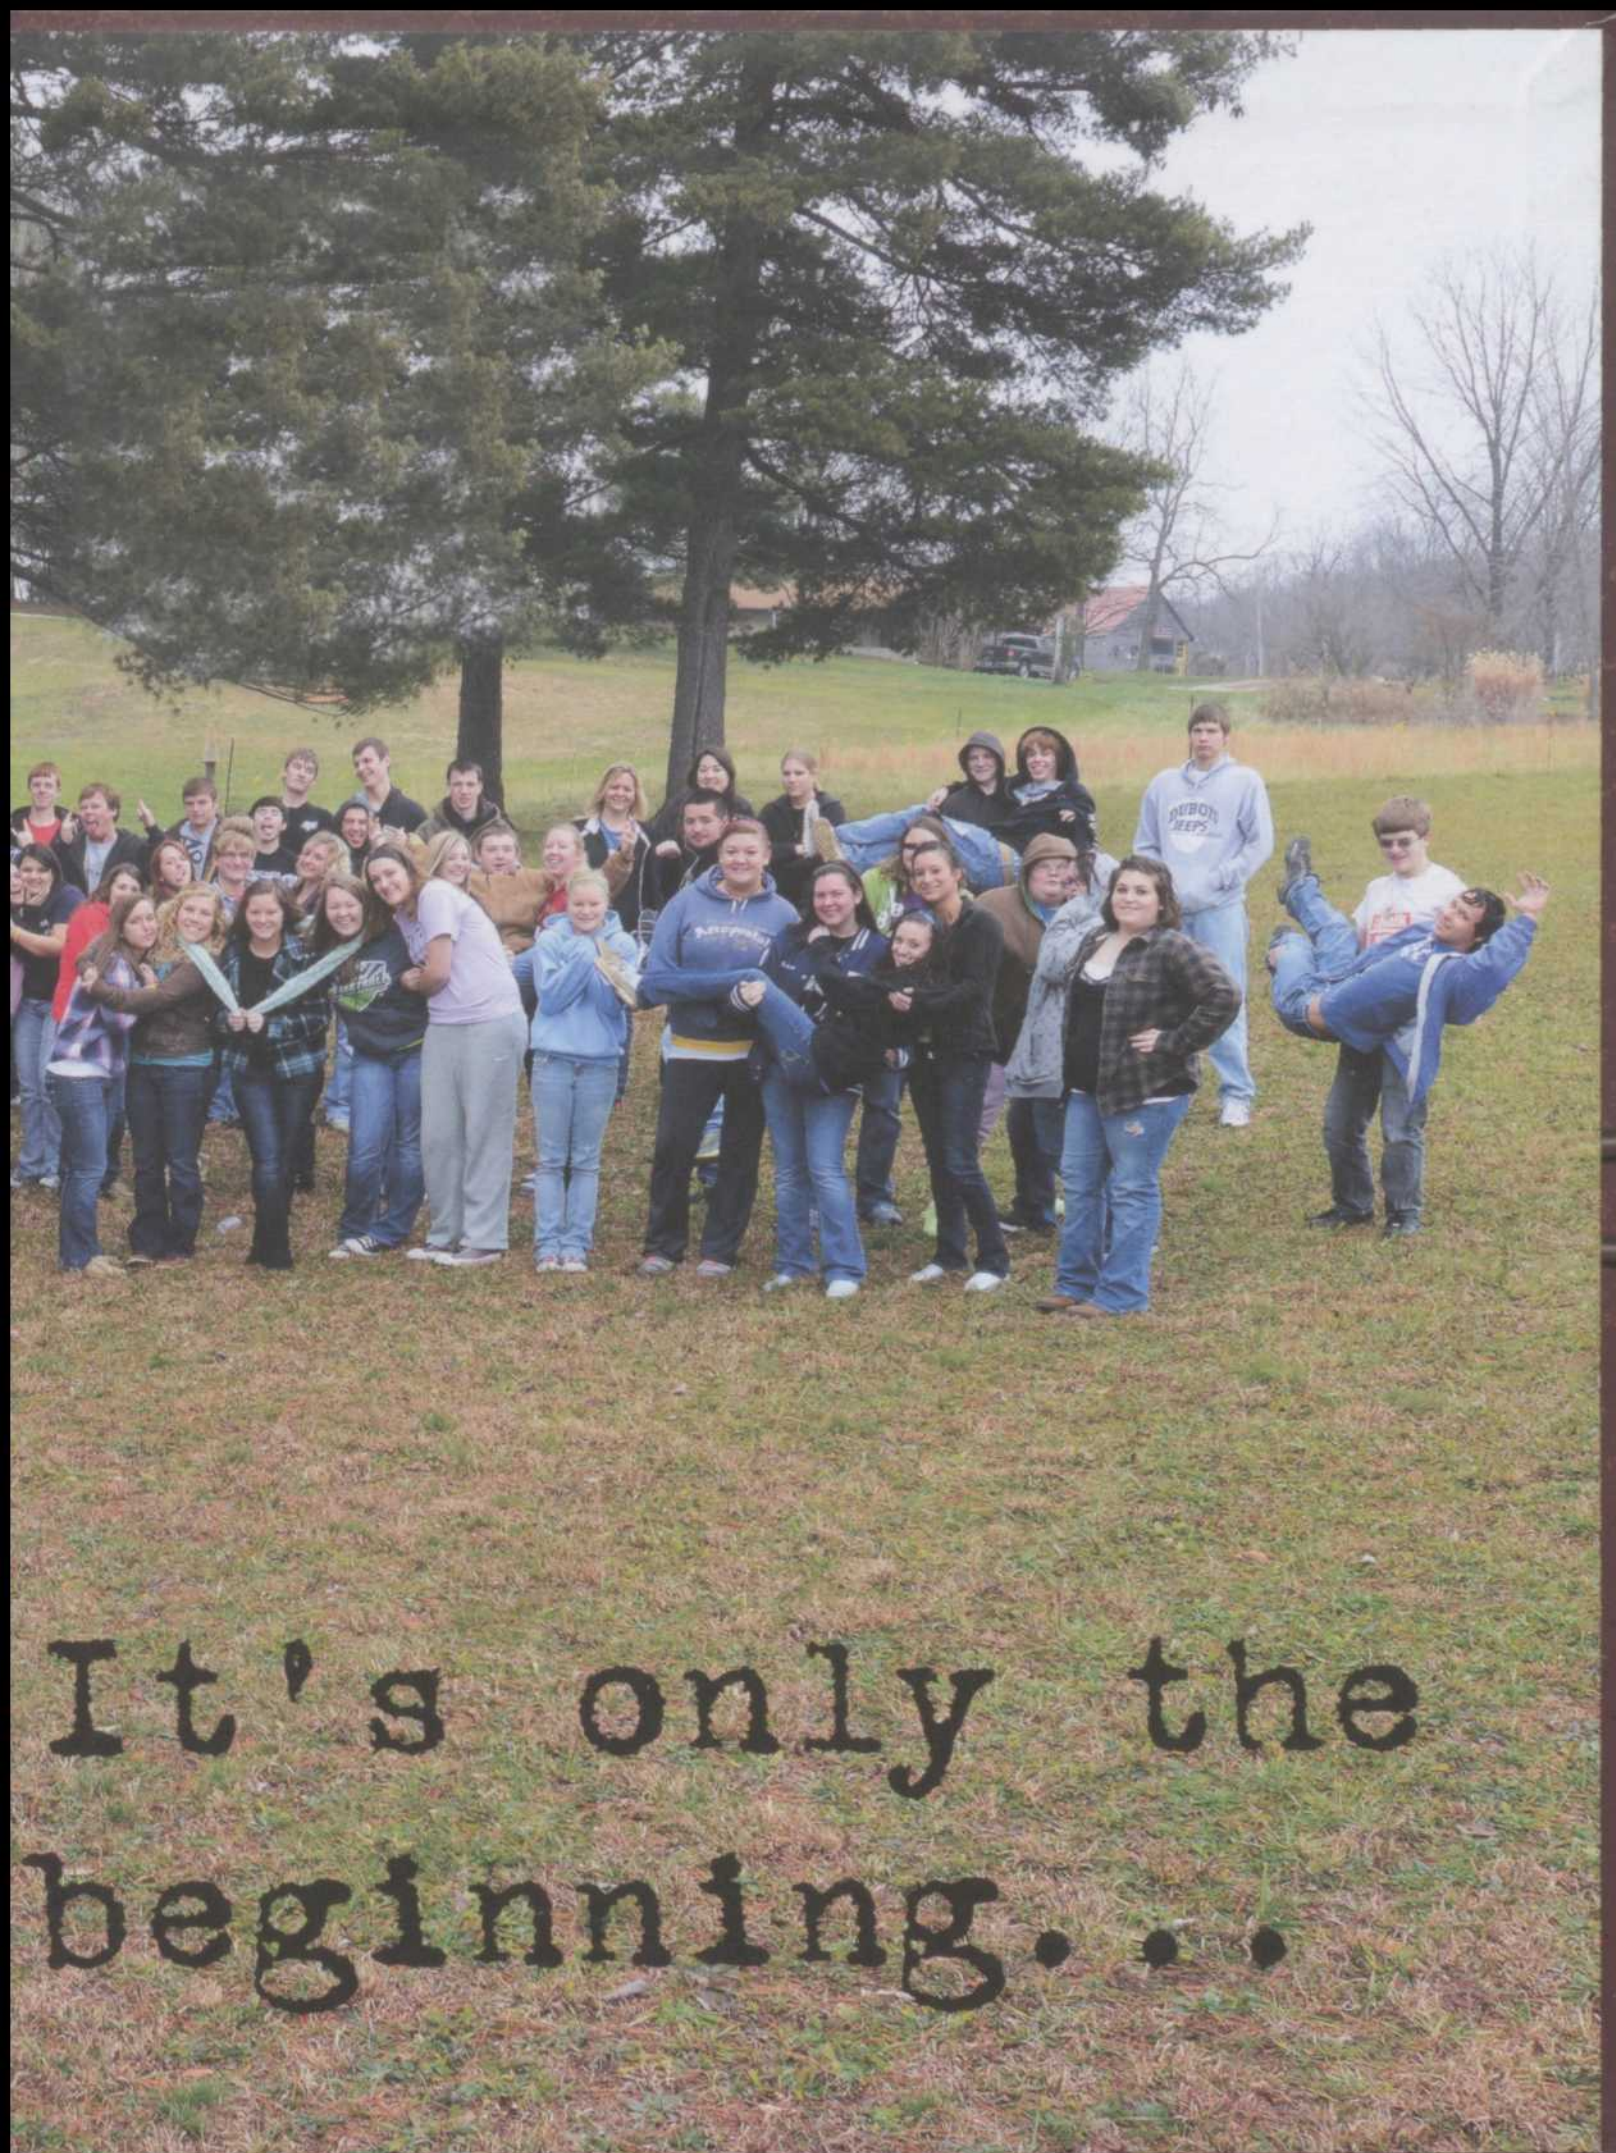

Fulfill your hopes and
dreams while reminiscing the
good times you've had here,
and always remember that
right now,
in this moment-
THESE ARE THE DAYS.

Sincerely,
your Co-Editors
