Four Crossroads to Unity

A black and white photograph of a landscape. In the foreground, a light-colored path or road curves from the bottom left towards the center. To the right of the path is a body of water, possibly a lake or a wide river. The background is filled with dense trees and foliage. The overall tone is somewhat somber and reflective.

Thought for Every Day

Walking down life's road,
Forgiving, Forgetting,
Recalling joy.
Do you remember, were you alone?
Happiness, togetherness,
Hand in hand
Sorrow, regret, too many tears,
Anger, resentment,
A life alone.

Too much time spent in fear
Finding a friend.
Crossroads!
Wanting to touch everyone's hand,
Offer first a hand,
Unity!
Too difficult to forgive?
Feeling only anger,
Have projects upset

Maybe tomorrow,
I'll apologize,
If I have the time,
I'll receive a dollar,
For only a dime, NEVER, NOT EVER,

We must start today,
And put aside our pride,
Gather together all walks of life,
So we may find a way
To live a love, to give a love,
Each and every day.

The Pride of Forest Park!!

They're so much more than just a band. Within this multi-membered group dwell the heart and spirit of every Ranger success, every Ranger achievement. Coach Gene Keusch's illustrious Marching Rangers reaped words of praise everywhere they performed. They were always on hand to boost Ranger morale. Not only did they excel in marching competition, but also in concerts, at athletic events, and other musical endeavors. Enough can never be said about the fierce determination and long hours of hard work that go into making The Marching Rangers "The Pride of Forest Park".

Betas, Patty Knabel capture state honors

SPORTS

"Ranger Machine" rolls on

The Cross Country team, under the leadership of Mr. Tom Johnson, enjoyed a most successful season by running over almost every opponent they faced as their season ended with an impressive 8-1 mark. The campaign began with a quadrangular romp over Loogootee, North Knox, and Washington Catholic, and ended with Ron Meyer capturing the IHSAA Sectional crown. The Rangers

participated in invitionals held at North Harrison, Paoli and the Lincoln Trails meet held at Tell City. Overall, they defeated 60 teams and were turned away only 23 times. Among the teams that were mangled by the "Ranger Machine" were Heritage Hills, Boonville, Jasper, Southridge, Perry Central and Cannelton.

Becher establishes new marks

Forest Park's ace gunner Mike Becher rewrote many Ranger records as a three-year starter. His consistency, determination, and perseverance helped him to reach that coveted 1,000 point plateau. Being a four-year squadman, Mike already had experience under his belt prior to his senior year, and put together an incredible career which produced 1,082 points, and set two sectional standards, while equalling another.

Rangers enthuse fans with fabulous season

Finishing with an impressive season at 18-5, the best record Forest Park has ever compiled, the Ranger Squadmen devoted themselves to a winning year, and did just that!

With experience as the Ranger's biggest asset, Coach Jim Peacock and his starting quintet downed foe after foe. With one half of the schedule completed, the Ranger slate stood 8-1, with Forest Park's first Holiday Tourney victory already under their belts. The Rangers racked up another eight victories in just eleven outings in the second half of the season, as each game prepared them for the upcoming Southridge Sectional.

Forest Park, unbeaten on their home court throughout the season, made their way to the sectional finale via downing Dubois and Southridge. It was a hard fought battle, but unfortunately, the Rangers dropped a heartbreaking 75-74 triple-overtime thriller to Jasper. The tremendous team effort and determination exhibited by the Rangers only proved that they were no less than the best!

The Ranger Varsity, under the leadership of Coach Dan Nichols, completed a respectable season, in spite of a shaky start. At the Christmas break, the young Rangers were only 3-4, but convincingly tucked away the Holiday Tourney with exceptional wins over powerful Evansville Memorial, and Wood Memorial. The JV's then added nine more victories to their efforts along with four hard-fought defeats for a season record of 12-8. Most of these hard-working ballplayers are expected to return next year to aid their teammates in another successful season.

Mrs. Mary Lou Luebbenhusen led her volleyball squad to a victorious season with a record of 8-5. The Rangerettes displayed much talent and aggressiveness which was very important in carving out hard fought wins. Local team teams which tasted defeat by this team of hard working lasses were Southridge, Perry Central, Heritage Hills and Springs Valley. Miss Marsha Kessner's Junior Varsity ranks will aid the varsity in years to come as they posted an impressive 9-1 slate. After an opening season loss to Southridge, the young girls fought back in revenge and were never contested the rest of the campaign.

PERSONALITIES

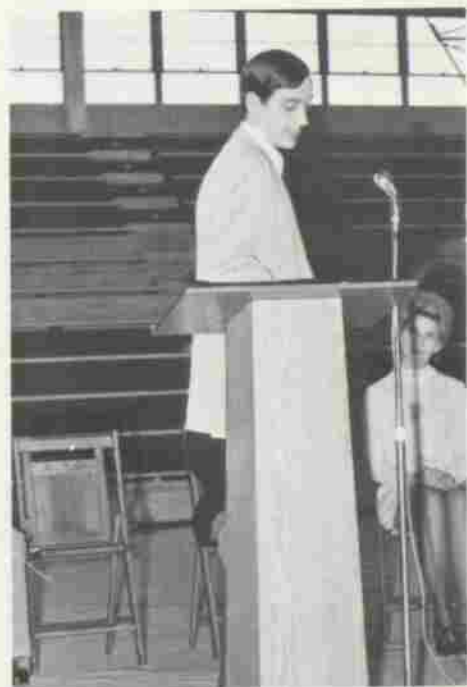

"Mr. K": our greatest gain—our saddest loss

Mere words cannot express the feeling of emptiness that occupies our hearts due to the untimely death of Mr. Lawrence Kovaleski. To try to convey that feeling by the use of words would be impossible.

We who knew him during his work at Forest Park will remember him as a man of sincerity and kindness who appreciated the rewards that come only with life and its living. This courage and dedication will serve as an inspiration for us all forever.

Seniors reach top through consolidation

Four years have passed since the consolidated birth of Forest Park High School. During those years, four different graduations have taken place. The first graduates attended Forest Park for a single year. The second class, two years, and the third class, three. The graduating class of 1975 has the distinction of being "Rangers" for all of their high school days.

Yes, this graduating class is distinct. This group of young men and women has built for themselves a reputation of being "leaders." This is a class who demanded that Forest Park High School be an institution to be held in high esteem, and through those four years of togetherness, we have achieved that goal. We, the "Class of '75," feel that we have to the greatest extent the opportunity to be remembered as the first "pure" Forest Park graduating class.

For while the future looms uncertain as to the destiny of those individuals who comprised the 1975 senior class of Forest Park High School, we may feel secure in saying that although physical barriers may arise between us, that spirit of unity, that feeling of pride, will never vanish.

"Pure" Seniors create leadership ability

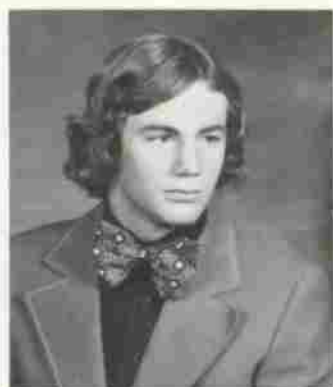

Throughout the year the "Class of '75" worked hard in order to make the most of their final year at Forest Park. By their efforts, the senior class established themselves as leaders in the classrooms and on the athletic fields. The long hours of study and practice at times seemed endless and full of frustration. However, when all the grades were on the cards, and all the contests had been decided, the "Class of '75" left many memories that will live forever.

Juniors set high goals

We, the junior class, feel that we used to a great advantage our third year of experiencing Forest Park High School. After a record-breaking year of magazine sales, in which we collected \$3,375 in profits, the "Class of '76" worked hard to make the prom a success.

Unity and leadership were two of the goals that we sought to attain during the two semesters of the 1974-75 school year. While straying from the old concept of trying to compare our class with others, we showed our individuality and ability to attain that unity. Tom R. Olinger, Kevin Kline and Vicki Zink showed leadership ability by making the largest profit during the magazine drive.

With three years of study under our belts we look ahead to our final year--our senior year.

What's in the box? Nobody except the prom planners will know until April 11th when the big bash is scheduled.

Sophomores create own symbols to show unity

After surviving our freshman year, we, the "Class of '77" found our second year of high school to be even more of a challenge than that first experience of a year ago.

It was encouraging to notice the many sophomores who became involved in the various activities of Forest Park High School. Showing enthusiasm and desire, our class strived to gain the respect of the students, faculty, and administration of our institution.

In keeping with the fine "Ranger tradition", we, the sophomores of 1974-75, continued to work toward our final days at Forest Park. With two years behind us, we face the future with a great deal of determination to make these upcoming years a success.

Freshman class continues drive toward success

1974 proved to be a very interesting and profitable learning experience for us, the "Class of '78".

As freshmen we learned the importance of working together in order to relieve the goals we set for ourselves. Guided by Becky Hauser, our first year as "Rangers" proved to be as demanding as we had anticipated, but also even more enjoyable.

From showing support for our athletic teams to raising money to support ourselves, the excitement of entering Forest Park High as freshmen never ceased.

As we look ahead to our Sophomore year, the trials, the frustrations, and the happy moments of our freshman year will be remembered forever.

THE 1975 TRACER IS DEDICATED TO THE MEMORY OF OUR PRINCIPAL AND FRIEND, MR. LAWRENCE KOVALESKI, TO WHOM WE ARE DEEPLY INDEBTED FOR HIS CONTINUAL HELP, UNDERSTANDING, AND ENCOURAGEMENT WITH THIS YEARBOOK.

Special thanks to Bob Luebbehusen for the "Ranger" cover illustration, and Judy Lorey and Patty Ruekriegl for their invaluable photographic help this year.
