Chorus and Sweet Rhythm Ensemble are successful with dinner concert

This year the chorus and Sweet Rhythm Ensemble tried something new. Their spring concert was held in a nightclub atmosphere. A roast beef dinner was served and many soloists and small groups performed. **BELOW:** Jean Mullen, Margie Potter, Bud Hart and John Winnings do a disco dance routine. **RIGHT:** Judy Jochem sings "Let Us Entertain You." **BOTTOM LEFT:** Margie Potter and Judy Jochem sing "Candyman." **BOTTOM RIGHT:** The choir rehearses.

Marching Rangers are

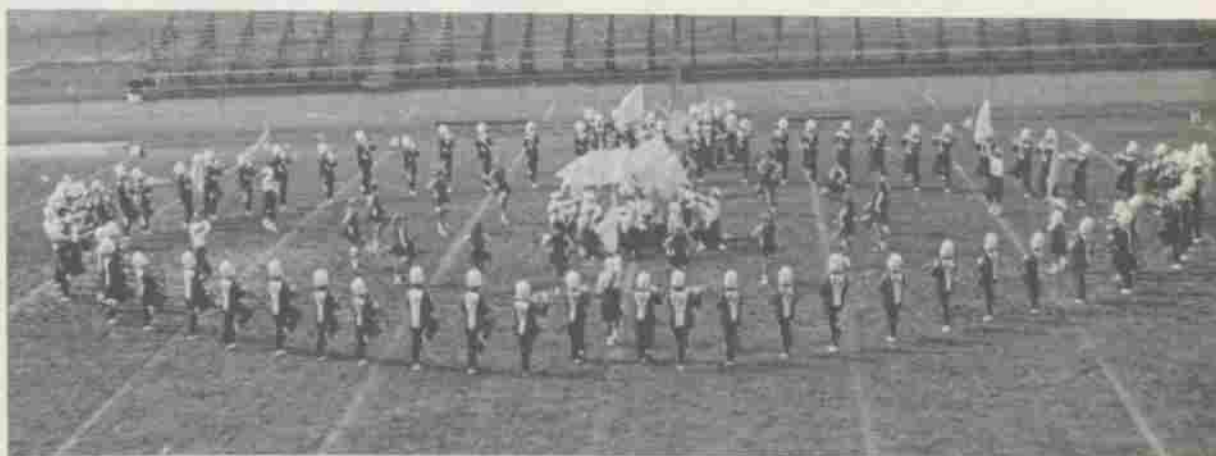

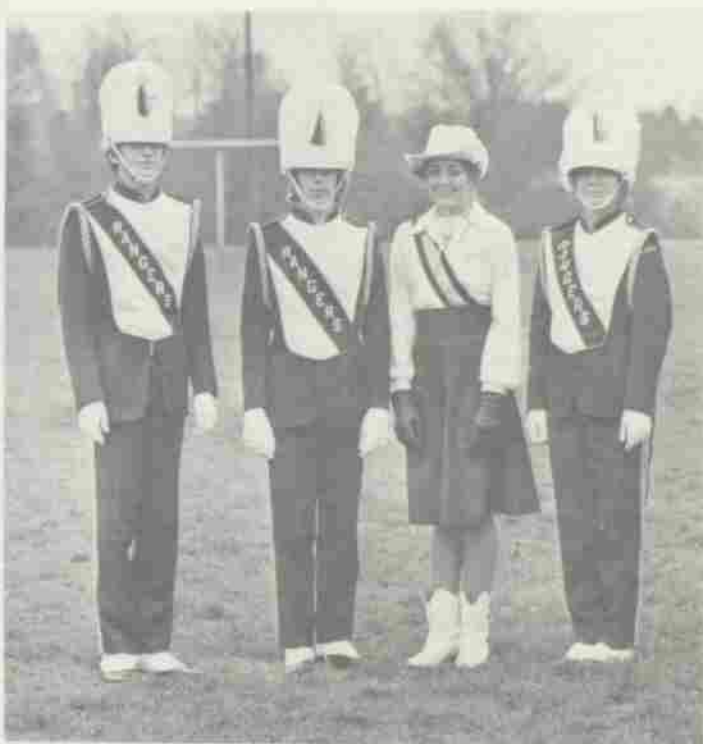

The 1978-'79 marching Rangers, under the direction of Mr. Gene Keusch, again had a successful year in contests.

In the first contest of the year, the Dale Fall Festival, the Rangers captured first place for the sixth time. Another first place came at Ohio County, Kentucky. Second place ratings were achieved at both Henderson

successful in contests

County and at the West Side Nut Club Fall Festival. In the ISMA District Marching Contest at Southridge the marching Rangers received a first place in class B competition and qualified for state competition. At the state contest in Terra Haute a sixth place rating was received. This was better than any other band from Dubois County.

Aux. units win high ratings

The Drill Team, Flag Corps and Rifle Corps had a successful year marching with the band, competing in contests and performing at basketball games.

The Drill Team was named third best in the state in Indiana School Music Association competition at Franklin, on March 24, 1979. The Flag Corps and Rifle Corps both received excellent ratings at Franklin.

In a marching competition at Ohio County, Ky., the Flag Corps and Rifle Corps were named the best band front in the contest. Also, the Flag Corps won top honors at the Tell City Marching Contest.

Science

In the science department this year at Forest Park, the classes offered were Biology I, Biology II, Chemistry I, Chemistry II and physics. Mr. Tom Meyer, Mr. Bill Brown and Mr. Nathan Schnellenberger helped the students through a year of learning and new techniques.

Mathematics

A key to learning

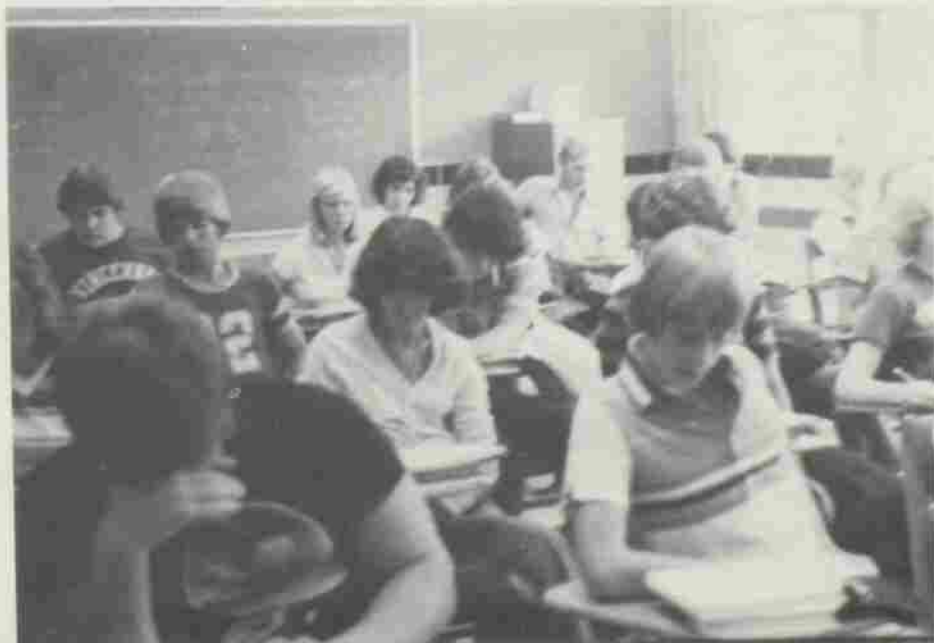

This year in the math department, general math, business math, pre-algebra, Algebra I, geometry, Algebra II and unified math were the courses offered at Forest Park. Mr. Larry Klein, Mrs. Linda Shaneyfelt, Mr. Charles Jones and Mr. Tom Meyer worked together to teach the classes.

Journalism

This year in the journalism department, the students worked under the supervision of Mr. Ed Walston. The students did all the work on the newspaper by laying out all the pages, typesetting the stories and printing the newspaper completely in the graphic arts room. The photographers took, developed and printed all the pictures for the yearbook and the newspaper.

English

This year in the English department, English I, II, III and advanced grammar were the classes taught. Mr. James Peacock, Mrs. Teresa Schroeder, Mr. James Murphy and Mr. Ed Walston were the teachers who supervised and instructed the students on what to do and how to do it. The freshmen learned many of the basics and the teaching went as far as the seniors learning everything that they needed to know to prepare them for college and the ever changing world.

Art . . . a way to show your feelings

This year in the art department, the art classes, consisting of Art I, II, III, and IV, worked on various projects throughout the year. With the help of Mrs. Bery, the art students learned a lot of new procedures for painting, working on the potter's wheel, drawing, pen and ink and numerous other things.

The art classes worked hard on the Welcome World show to present to the German visitors. The students also worked hard all year long on projects for the art show.

New driving range for FP students

This year the driver's education department had a new facility to add to the course taught. Mr. Robert Borden and Mr. Nathan Scellenberger were the teachers who supervised and instructed the students on how to drive in every aspect. In previous years all the students had were the simulators and book work. Then they had some hours of driving on the highway. But now they have a chance to drive on something that is just about like the highways before they ever get onto them. BELOW: Steve Coalter is keeping the driving range clean. Physical education and health

In the physical education department, the students worked and played to help them better their bodies. They learned a lot about many kinds of sports.

In the health department the students learned a lot about first aid, natural disasters and many other important health procedures. Mrs. Mary Lou Luebbehusen and Mr. Robert Alles helped to instruct the students in the physical education and health classes.

Rangers run with pride

Coach Schnellenberger's cross country team had a very good season. Although finishing just below the .500 mark, they had many enlightening moments. Earning fourth place in the 14-team Paoli Invitational, along with some unusual circumstances throughout the fall, highlighted the Rangers' season.

Cross country is undoubtedly one of the toughest sports one can endure. Whether winning or losing, the 1978 harriers did it with class.

Netters finish best season

Although unable to recapture their sectional crown, the Forest Park tennis team finished the season at 9-7, with the most wins in their three-year history. Tell City, who eventually went on to state, downed the Rangers in sectional play at Paoli.

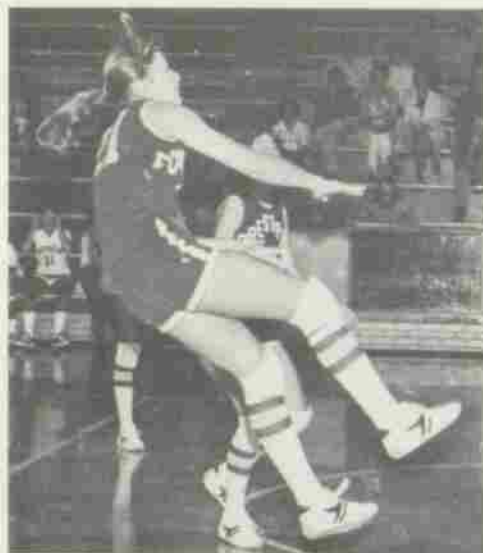

During the season, Coach Alles's netters impressively defeated such teams as Evansville North, Heritage Hills and Southridge. Perhaps most memorable of the 1978 season was the five-match winning streak that closed the regular season.

Winning becomes habit

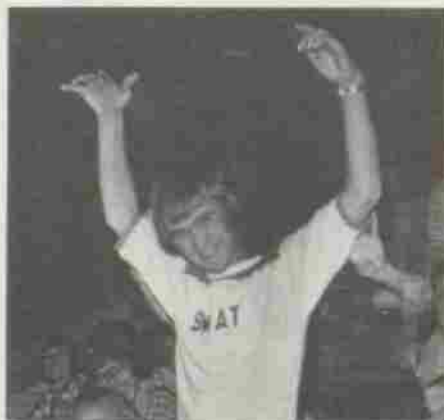

ABOVE: Therese Kippenbrock spikes another. BELOW: Rhonda Haas casts a spell on the ball, while making a perfect set-up.

For the seventh consecutive year, the Ranger volleyball team has had a winning season. This year was one of the best, as the girls, well-coached by Mary Lou Luebbehusen, finished the campaign at 16-3. Although Wood Memorial ended high hopes of a sectional title, the season had many highlights. The girls triumphed in their own invitational tourney, as well as many more wins along the way.

Indeed, volleyball at Forest Park High School is of high caliber. Winning has become a habit—a very good habit.

Future looks bright for young V-ballers

Winning is no doubt becoming a habit for Forest Park volleyball. Perhaps much of the credit should be given to the junior varsity coach, Tom Meyer. While preparing the girls for the varsity level, he has compiled a record of 43-10, in just three years.

The young Rangers who made up the 1978 team had an impressive 15-5 season mark. With hard work and dedication, the future for these twelve girls looks bright indeed.

Girls' basketball...

...wins respect

After only three years of experience, the Forest Park girls' basketball program has gained respect and accomplishment. The Ranger girls of 1979 compiled an impressive 11-6 record—their best record thus far.

While Coach Ellen Hendricks sparked the team's spirit, Tammy Eckert, a junior, was putting the ball through the hoop. The area's leading scorer, Eckert averaged 26 points per game. The girls continued their winning ways through the first game of the sectional, where they edged Southridge, 64-63. The team then challenged Jasper, eventual state finalist, in a contest that ended with the Wildcats on top, 57-42. Two seniors, Jackie Keller and Sharon Schnell, led the 1979 squad.

JV Rangers show promise

While preparing to compete at the varsity level, Coach Debbie Johnson's young team showed much promise for the future. Five freshman and four juniors made up the squad. Girls' basketball was a brand new experience for many of the team's members. However, their effort produced a 5-6 record, which was a steady improvement over the two previous junior varsity seasons. Much experience was the reward for their hard work.

Freshmen meet the challenge

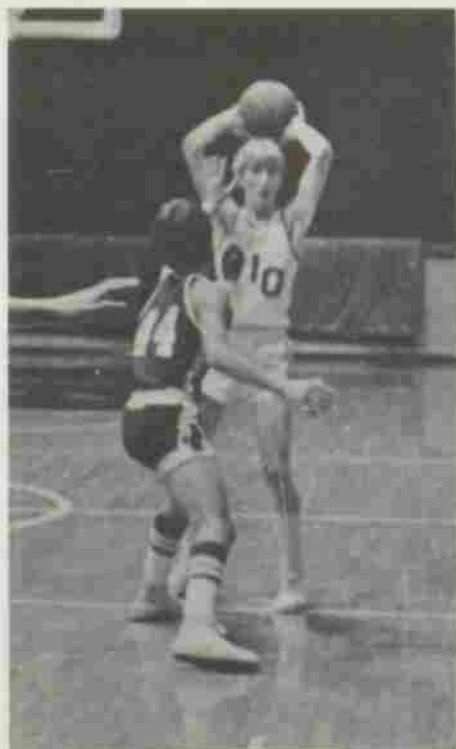

High school basketball. It was a brand new experience for this group of young men. It was a challenge, but the challenge was met, as a dedicated Coach Bob Alles helped them to a fine 10-5 record. With the talent on hand, surely this group will be shooting for bigger and better things in the future.

Junior varsity uses talent, ————— gains experience

For Coach Schnellenberger and his young Rangers, the 1978-79 season provided the experience needed to compete with the best. Our young roundballers have been shown what it takes to make a team, as they finished their hard-fought season with a 9-11 record.

What lies in the future for these young men will be determined by the amount of dedication, determination, and desire which they have within themselves.

——Varsity

basketball —

"It's how we played the game"

The 1978-79 season fell short of the high hopes of many wins and perhaps even a sectional crown.

As time crept on, however, values were put in perspective. Each loss, as well as each victory, became a learning experience. Deep down, we learned that our values lay not upon winning or losing, but upon "how we played the game." The true outcome wasn't always determined by the scoreboard.

Six seniors, Tom Austin, Brian Begle, Jon Gerber, Mark Jahn, John Knust and Rick Recker, led the 1978-79 squad through a very tough schedule.

Season ends; Rangers still looking for a sectional crown

The night of March 2, 1979 was not a happy one for Forest Park. There were high hopes of beating Southridge, but it wasn't to be, as the clock stopped with the Rangers trailing, 40-56. Thus, there is still much to shoot for in the future for Forest Park basketball.

Cheerleading....a job well done

It's an honor to be a cheerleader, but that honor involves much more than just a title. It involves dedication. It involves sacrifice. It involves work. The cheerleaders for the 1978-79 season and their sponsor, Sandy Mellis, contributed greatly. Their job was done well.

Three seniors, Jan Gerber, Sue Nord, and Rhonda Marshall, graduated from the varsity squad. Their enthusiasm and character will always be remembered.

Wrestlers make themselves known

It was only the second year of competitive wrestling at Forest Park. And though their existence was short, it became known in a hurry. The team finished their season with a winning record—winning seven of twelve dual meets. That was only the beginning, as three Ranger wrestlers qualified for the regional. Senior Bill Schuetter and junior Allen Voges took top honors in sectional action, while senior Alan Dilger qualified by earning a close second place.

"Hard work pays off." The Ranger wrestlers of 1978-79 know.

ABOVE: Allen Voges is champ of a match in the Castle Regional. He finished third in the competition. BELOW: Bill Schuetter won top honors in the sectional and came in fourth in the regional.

BELOW: The 1978-79 Ranger wrestling team. ABOVE RIGHT: Coach Brown and team members watch the action.

Ranger girls shine on the track

Girls' track has always been exceptional at Forest Park. The 1979 season was no different, as the Ranger gals had their best season ever—winning thirteen and losing only three. Fifteen persons qualified for the sectional. Senior Kate Klem (in the 100 meter dash) and the 400 meter relay team, consisting of Klem, Angie Kordes, Sharon Eckert and Diane Johanneman, finished first in the sectional, sending them on to the Bedford regional. Eckert also qualified for the regional in the 200 meter dash. As a team, the girls finished third in sectional competition out of twenty-five teams.

Yes, once again, the girls' track team, coached by Mary Lou Luebbehusen, has proved themselves to be strong.

LEFT AND ABOVE: Before and after....Kate Klem wins the 100 meter dash in the Jasper sectional.

ABOVE RIGHT: Sue Nord, Rhonda Haas and Dots Klem believe in unity. BELOW: The 1979 girls' track team. This group worked hard to achieve success during the season, and they had fun doing it.

FP guys have enjoyable spring

The season may have been long for some, but the 1979 boys' track team had its share of success.

Four Ranger runners qualified for the sectional. Seniors Brian Begle (in the 880), and Tom Austin (in the mile) qualified, while juniors Eric Rahman (in the mile and two mile), and Bill Mehling (in the two mile) also earned the privilege to run in the Evansville sectional.

The season was tough, but however tough it was, the 1979 boys' track team made the most of it. It was an enjoyable spring.

ABOVE LEFT: Senior Brian Begle gives 100%. ABOVE RIGHT: Tom Austin is lighting as he pulls away from the pack. BELOW: The 1979 boys' track team. Front row, left to right: Dean Knies and Keith Oser (student managers), Brett Fischer, Tim Bender, Kenny Klem, Terry Ebert and Greg Knies. Second row: Bill Pauly, Randy Voges, Kris Schwinghamer, Bill Mehling, Eric Rahman, Rick Herbig, Joe Wendholt and Coach Bill Brown. Back row: Mike Schaeffer (student manager), Assistant Coach Nate Schnellenberger, Lance Luegers, Brian Begle, Bill Schuetter, Tom Austin and Luke Oeding. LEFT: It's a bird. It's a plane. No, it's Barry Treat!

Tracksters run in the sun

Spring arrived and Forest Park's track teams were ready to get outside and.... "run in the sun."

LEFT: As he did so often in the 880, Brian Begle crosses the finish line first. RIGHT: Sophomore Sharon Eckert runs the 200 meter dash in Bedford's regional.

ABOVE CENTER: These four seniors need a rest after a hard day's work. FAR RIGHT: Sue Nord clears the hurdle, while Kelly Haas (CENTER) waits for her event. BELOW: Therese Kippenbrock takes off flying in the long jump.

BELOW: The freshmen relay team, consisting of Tim Bender, Brett Fischer, Kenny Klem, Greg Knies and Dean Knies (before injury), shattered all previous records, including their own during the season. Here, Fischer and Greg Knies are getting ready to make the move.

ABOVE: The 1979 golf team. Front row, left to right: Dennis Frieler, Glenn Hoge, Robert Vaal, Bruce Weyer, Andy Kordes and Scott Berg. Back row: Coach Bill Hagedorn, Kevin Bolte, Glenn Luebbehusen, Keith Luebbehusen, Dean Blessinger, Tony Gerber and Paul Wendholt. BELOW LEFT: Andy Kordes warms up before the drive. RIGHT: Glenn Luebbehusen shows his form.

Golfers finish with six wins

The F.P. linksmen finished the season with six wins and thirteen losses. The team was most pleased with almost defeating Southridge, the county powerhouse in golf. The Rangers lost by only one stroke, 163-162.

LEFT: Scott Berg concentrates on the put. BELOW: The golfers keep an eye on the ball.

Netters finish successful season

The girls' tennis team finished a very successful season with ten wins and four losses. The high point of the season was a 4-3 win over Washington. The girls also defeated area powerhouse Tell

City. BELOW LEFT: Jane Oeding warms up for a match. BELOW: Phyllis Mohr hits an overhead. RIGHT: Sue Sonderman contemplates her next serve. BOTTOM: The 1979 Forest Park Girls' Tennis Team.

JVers are successful while learning

Forest Park's young baseballers "took the field" with little experience, and perhaps with many question marks. When the season had ended, however, the results were positive, as Coach Bob Alles's learning team won seven of their eleven games.

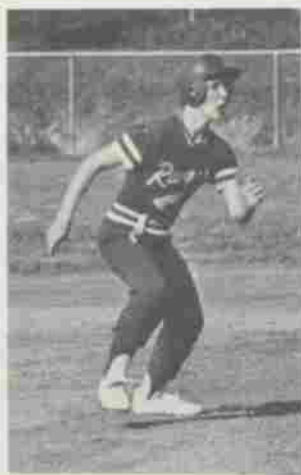

Although many question marks remain, one can be certain that the necessary ability is available. It only needs to be put to use.

ABOVE: The 1979 JV baseball team. Front row, left to right: Pat Heilers, Chris Hurst, Joe Schnell, Steve Becher, Tom Vonderheide, Keith Dall and Keith Uebelhor. Back row: Scott Wendholt, Mike Olinger, Andy Sonderman, Tim Remke and Tom Wahl.

ABOVE: Tom Wahl warms up on deck.

ABOVE: Keith Dall makes the play. CENTER: Chris Hurst breaks for third. FAR RIGHT: Concentration is the key for Tom Wahl.

LEFT: The ball is faster than the runner, as Tim Remke gets the out. ABOVE: Keith Uebelhor does a fine job blocking the ball.

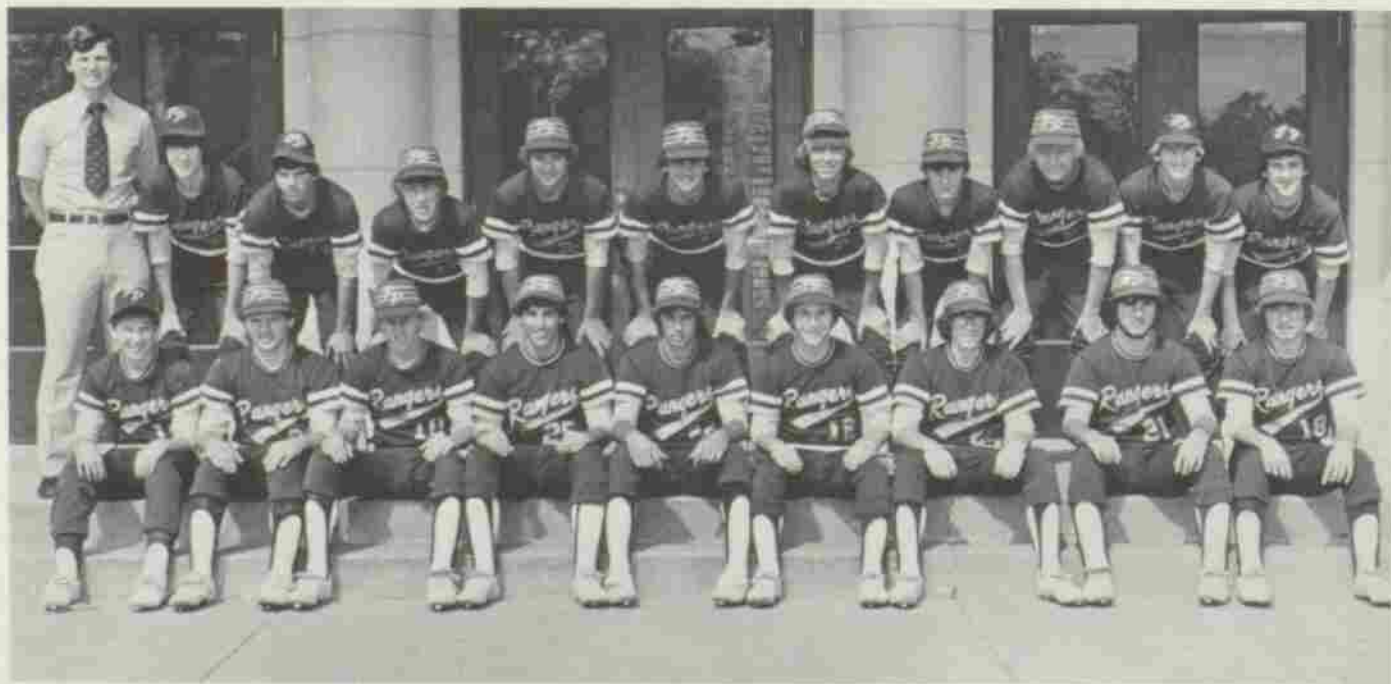

Ranger baseball team continues....

The winning baseball tradition at Forest Park lived on in 1979, as Coach Peacock's young men had a fine 15-10 season. Playing for the first full season on their brand new field, the Rangers were given many rewarding opportunities. Six seniors led the team throughout the spring.

ABOVE: Alan seems confused as Rocky tells him how close the game actually was. ABOVE RIGHT: Coach Peacock tells the Rangers what it will take to win. BELOW: The 1979 baseball team. Front row, left to right: Chris Hurst, John Knust, Jon Gerber, Kris Schwinghamer, Allen Voges, Rock Emmert, Donnie Van Winkle, Dave Winkler and Stu Wendholt. Back row: Coach Jim Peacock, Andy Sonderman, Pat Heilers, Alan Dilger, Rick Meier, Scott Wendholt, Tom Wahl, Tim Remke, Keith Dall and Keith Uebelhor.

....winning ways

Coach Jim Peacock was head baseball coach for eight years. Throughout those eight consecutive winning seasons, his teams compiled a 130-67 record. His contribution to Forest Park High School, not only in baseball, but in all aspects, will never be forgotten.

RIGHT: Donnie gets back safely. BELOW RIGHT: Jon Gerber connects in the sectional. BOTTOM LEFT: A game situation is being discussed.

ABOVE: John Knust watches the action. BELOW: Coach Peacock is pure dedication.

Rangers have fun in sectional

The climax of the Rangers' 1979 season came in their game against Southridge in the sectional. Forest Park's good baseball tradition was kept alive, as the Rangers shut out a fine Raider team, 2-0.

The win gave them the opportunity to play against second-ranked Jasper in the championship bout. Even though the outcome was somewhat disappointing, much was gained from the 1979 sectional.

ABOVE: "How sweet it is!" There were many smiles after the win over Southridge. BELOW: Alan Dilger gets psyched up on deck. CENTER: Winning pitcher Donnie Van Winkle hurls to the plate. The victory was his seventh without a loss.

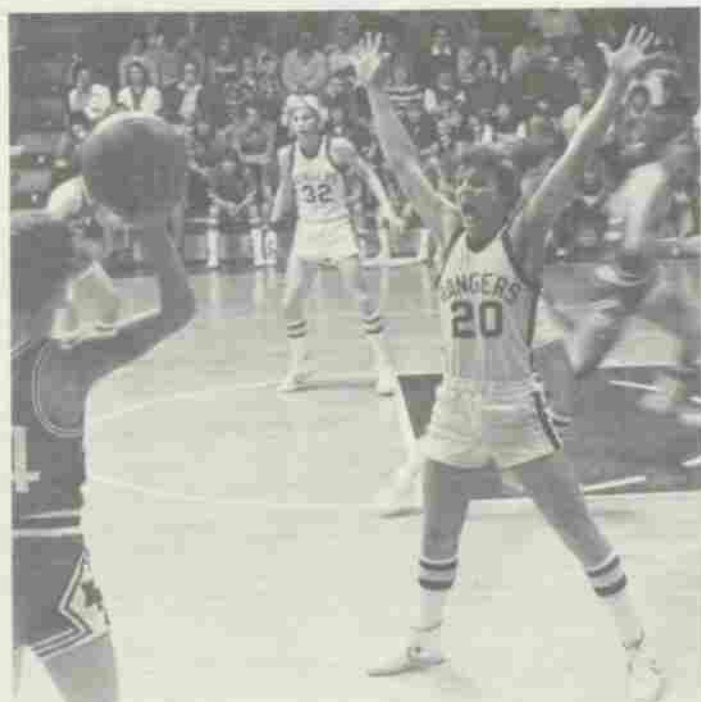

ABOVE: The Rangers hold their lead as Scott Wendholt trots from the field. BELOW: A variety of emotions were a part of the game, as shown on these players' faces.

A dedication

It takes much from an individual to be an athlete. It takes even more from an individual to be a successful athlete. Success—not always determined by the scoreboard or by the stat sheets, but through a sense of personal satisfaction. This page is dedicated to those athletes of Forest Park High School.

Outstanding Senior Athletes named at Sports Banquet

Faculty shows leadership

Ronald B. Etienne
Principal

Mr. James Hagedorn
Assistant Principal

The faculty, staff and administration of Forest Park High School are privileged to serve the students and patrons of Southeast Dubois County School Corporation. We are convinced that we work in a unique way in today's society. The chance to serve and have an effect on the maturation of our young people is indeed a pleasure. Indeed the dedication of our students to the principles for which Forest Park stands makes this an outstanding educational institution.

The continued success of Forest Park lies in the hands and minds of you, the students. We are here to guide you and serve as examples to you. Take advantage of this guidance and leadership. Let us lead you, not down the straight and narrow, but into responsible and mature adulthood, for our future is yours.

Seniors face challenges with pride, determination

The class of '79 has reached the end of a journey that began in the fall of 1975. Along our journey, we've possessed a giant share of the "pride of Forest Park." We've known what it means to be "true Rangers."

From those insecure days of being freshmen to the climax, our senior year, we have learned that success isn't determined by perfection. We were far from perfect. To us, though, success is being able to accept defeat as well as victory. With this in mind, we have "grown up" together to accept and endure many trying moments, and to enjoy our good times to the fullest. We've always come out smiling, because our values lay not upon winning or losing, but upon how we played the game.

Yes, our days within Forest Park are over; however, our contribution to our school, the gift of pride, must never be removed. We only wish future classes of our school, Forest Park High, to wear the green and gold with pride—the same pride that has existed for eight years.

Although the destiny of our future remains uncertain, we can be confident that the individuals who were a part of Forest Park's senior class of 1979 will face all their challenges with the same determination and pride that Forest Park has instilled within them.

Your class of 1979

We have felt the pressures and sense of responsibility as we now are considered upperclassmen. We hope that we can be a guide and a good example to those following us.

With our senior year so close, we have worked exceptionally hard to do our best in making this time in our life worth while. We are proud that we can look back on our past and know that we are ready to push forward to bigger and better goals!

Sophomores set high standards for themselves

We, the sophomore class, have set high goals and standards for ourselves, aimed at the upcoming two years of high school. As freshmen, we felt our way through the first year. As sophomores, we gained confidence little by little through our mistakes and trials, and we feel we are ready to face and conquer the challenges that await us.

We have been known as the class with that great "potential" and "uniqueness," the class that has "the ability to do so many things." With a little cooperation from the teachers and student body, we know we can do the job, and we're looking forward to achieving those goals in our upcoming years of high school life.

Freshman gain valuable experience

Freshman Class officers, Keith Dall, secretary; Tammy Blessinger, treasurer; Jill Fritz, president; and Andy Sonderman, vice-president.

We the freshman class of Forest Park have completed our first of four years of what we hope to be the learning years of our life.

We were a group of people who were put together to form a unit. This unit created the Forest Park class of 1982. We are all proud of what we have learned and done this first year here. We put our minds together to figure out adult matters that needed our attention.

Guided by our class sponsors, we were faced with situations that together we figured out. It was a good and a successful first year at Forest Park with three years remaining. We hope that we can become a class with big hopes and futures.

Oh yeah!
 I remember old
 what's his name'

A year. . .when you are looking ahead, into it, a year seems like forever. But when you're looking back on it, it seems like it went by too fast.

"You wake up and time has slipped away." It's like getting to the last page of the yearbook too soon.

Well, turn back to page one and start over.

The staff

We would like to thank the **Ferdinand News** and the **Daily Herald** (especially Alan Petersime) for the use of several pictures. A special thanks to the people who finished their sections of the yearbook on time, and those who worked into the summer to finish it.
