# *It's only the beginning. . .*

The 1993 Tracer is a book filled with memories that the students of Forest Park have made and shared throughout the year. For the seniors it is an ending of one stage in their lives and the beginning of another. For the underclassmen it is just the beginning of their memories. But for everybody it is a book of new beginnings. So we, the yearbook staff, have tried to capture these new beginnings for the FP students.

The doubles team of junior Chad Schneiders and sophomore Nate Brames had an outstanding season. They won their two matches in sectional to go on to a bitter defeat by Tell City in the regional.

The JV volleyball team had a 14-7 record this year. In the Blue Chip Conference the team went 7-1 to tie Vincennes for first place.

This year's team was made up of 10 freshmen and six sophomores. Some players that showed outstanding performances this year were sophomores Jill Klem, Kathy Boehman, and Kerri Hagedorn.

The highlights of the year were against the top teams in a tournament consisting of Jasper, Castle, Mater

Dei, and FP. According to Coach Marty Niehaus, another highlight was the game against Perry Central, which FP won with a score of 13-11.

Kathy and Jill said the highlight of this year was the JV tourney that FP hosted. Even though they lost all the games, they had a lot of fun and played their best of the year.

Centers were Jason Bumm and J.R. Maxey. Although the frosh had a season record of 3-12, the young Rangers played several very competitive games. The team improved throughout the year. The Rangers averaged 40 points a game.

The leading scorer was Ryan Vaupel with a 9.1 average. J.R. Maxey was second with an 8.1 average. Jason Reckelhoff scored a team high 23 points against Southridge. Leading the free throw percentage was Andy

Peters with 79 percent, and second was John Fleig with 67 percent.

Coach Kevin Rhodes felt his team lacked the needed confidence in the early part of the season and got off to a slow start. However, toward the end of the season, the team began to build their confidence as they beat Perry Central 40-37 to end the season. This redeemed a nine-point loss earlier in the year.

The team had a 21-3 record, which was the best in the school's history. They averaged 70 points a game and their opponents only 55. They also controlled most of the offensive and defensive categories. Their most astonishing mark is the rebounding; FP had a total of 754 rebounds and their opponents only 492.

Junior Curt Begle lead the Ranger attack with an average of 15.2 points a game and averaged eight rebounds per contest. The senior trio of TJ Montgomery, Bob Boehman, and Brian Partenheimer also had a great season. Montgomery averaged 13.8 a contest and pulled down 7 boards. Partenheimer averaged 12.5 points a game and also averaged 7 boards a game. Boehman tossed in 13 points a game.

# Girls Win 1st Sectional

This year's girls' track team, for the first time in the history of Forest Park, won the sectional. The 21 girls entered in the sectional were seeded third in the 12 team field. Boonville and Heritage Hills were seeded ahead of FP. The meet was exciting, and before the last event was run the team score was FP- 80 1/2, Boonville- 80, and Heritage Hills-73. It was a great 1600m relay race with the Rangers winning! The final team scores were FP-90, Boonville-80, HH-73.

The 400m relay team of Jill Mehling, Rachel Dittmer, Kellie Hobbs, and Tricia Auffart took one of the two blue ribbons for the Rangers. The other came from the 1600m relay team of Lisa Brames, Karri Meyer, Audrey Kemper, and Paula Durcholz. The sectional win was truly a team effort. The seven seniors, Tricia Auffart, Yvonne Dittmer, Paula Durcholz, Andrea Kemper, Renae Knust Kelly Luebbehusen, and Jill Mehling, scored 63 of

the Rangers' 90 points. According to Coach Vicki Beach, they were an outstanding group throughout their four years. Their hard work and efforts paid off in winning the sectional crown, and they will always be remembered as their picture takes its place on the Sectional Wall of Forest Park.

The girls had a 25-1-1 record with the girls winning their own frosh-soph invitational, girls' invitational, and being conference champs again.

Paula Durcholz was named to the Academic All-State Track Team, and Andrea Kemper was honorable mention. Award winners were Renae Knust, most valuable in field events, Marla Auffart, most improved, Paula Durcholz, most valuable runner, and Tricia Auffart, most valuable overall.

The Ranger varsity baseball team enjoyed another successful season in 1993. The record of 17 wins and 10 losses includes a Blue Chip Conference championship and a sectional runner-up.

Tremendous leadership from the senior class made the team competitive in every contest. The seniors were Bob Boehman, Andy Hagedorn, Brian Partenheimer, Sam Kippenbrock, Bob Zink, Chad Lane, and T.J. Montgomery.

Brian threw a no-hitter against Princeton at the end of the season. He was named the most valuable pitcher and will continue his baseball career at college. Brad Fleck, a sophomore, was the leading hitter at .340. Bob Zink was named the most valuable player (non-pitcher), and Brian Partenheimer and Bob Boehman were selected as the attitude award winners.

## JV ends season with a win over Heritage Hills

In the win-loss column, this year's JV baseball team managed a 7-11 record. Ten freshmen and three sophomores formed the team; occasionally Bruce Fleck, Doug Mehling, and Nate Brames (also sophomores) played with the JV as well.

It was an unusually wet spring; seven games were rained out. However, the 18 games played gave the

young Rangers some valuable experience. Coach Rock Emmert said, "From an early-season mud ball game in the rain to their final 9-6 win over Heritage Hills, this year's season was both enjoyable and educational."

1. Ryan Gehlhausen hits some wiffle balls to warm up before the game. 2. Doug Mehling runs out for some pitching practice. 3. The 1993 JV baseball team.

# Tennis girls have a super year!

According to Coach Barb Jochim, the girls' tennis team had a super year! They finished their regular season with a 10-1 record, losing only to Barr Reeve early in the season. They were conference co-champs, as well as sectional runners-up. Three girls were named to the Blue Chip all-conference team. They were Betsy

Hamilton, Amber Wendholt, and Kathy Boehman.

1. Julie Tretter practices her good sportsmanship. 2. Audrey Reckelhoff practices her returns. 3. Amber Wendholt warms up before a match. 4. The 1993 girls' tennis team.

## Rangers continue to gain experience

The new soccer season brought a schedule which would probably be the toughest in the eight year history of the team. At the same time, the soccer Rangers had the most experience of any team that had been fielded in soccer by FP. What no one figured on was the loss from the previous year's graduation of the offense. This was the making of a very long season.

The Rangers played two state-ranked teams, both from the Evansville area and one the eventual sectional champion. What this led to was a record of 2-12. Offensively FP could not score yet the defense kept the team in practically every game. Injuries also had a lot to do with who played, so the freshman and sophomore members received a lot of game experience.

The seniors will be missed, as most have taken their lumps through four long years of play. Lead by Ryan Muller, this crew of Bob Zink, Jason Weyer, Shawn Anderson, Dion Walz, Randy Berger, plus the international members, Luiz Nogueira and Takeo Takahashi, added spirit and enthusiasm.

Awards for the 1992 soccer season went to the following players: Most Valuable Player, Ryan Muller; Golden Foot, Brad Hurst; Defense, Bob Zink; Most Improved, Jeremy Anderson, and Coaches' Award - Mental Attitude, Shawn Anderson.

1. The 1992 FP soccer team. 2. Louie goes on defense as the opponents get ready to put the ball in play. 3. Bob passes the ball to a teammate.

## Golf team dominated by freshmen

This year's golf team was dominated by the six freshmen. There were four seniors, one sophomore, and one junior on the squad.

The Ranger golfers finished fourth in the Blue Chip Conference behind South Knox, North Knox, and Loogootee. Two freshmen, made the All-Conference Team. David Klem was second and John Fleig tied for ninth.

In the sectional they finished eleventh, exactly as

they were seeded. Coach Bill Dittmer said the freshmen got a lot of playing time. Most of the year he played four freshmen and one or two seniors in the varsity slots. He added, "This team will do nothing but improve for the next three years."

1. The 1993 golf team. 2. Eric Hoppenjans gets some help from Coach Dittmer. 3. David watches as Kevin Reckelhoff lines up for the hole.

## Athletic awards are presented as year ends

On May 24, 1993, the FP athletes who participated in spring sports were honored at a program in the school auditorium. The highlight of the program was the presentation of award blankets to the two outstanding senior athletes. (Photo 1) Paula Durcholz was recognized as the outstanding senior girl athlete, and Brian Partenheimer was honored as the outstanding senior boy athlete. Also, the Forest Park Lettermen presented plaques to all graduating senior letter winners, and the Booster Club presented medals to all athletes who participated on conference-winning teams.

Most valuable player awards were presented to Amanda Meyer (girls' tennis), Aaron Schipp (boys' track), and Tricia Auffart (girls' track). Other award recipients were Ryan Borden, most valuable runner (boys' track), Renae Knust, most valuable field (girls' track), Marla Auffart, most improved (girls' track), Heather Clark, most improved (girls' tennis), Kathy Boehman, mental attitude (girls' tennis), Jason Herbig, most valuable field (boys' track), Mike Sander, most improved (boys' track), and Jeremy Berg, most improved (golf).

# Learning is a life-long process

The faculty, staff, and administration of Forest Park Junior-Senior High School dedicate their professional efforts to providing appropriate educational opportunities for the youth of the Southeast Dubois County School Corporation.

Learning, as a life-long process to meet the needs of an ever changing world, was the major focus of the instructional programming. While pursuing their educational goals, students were asked to expand their horizons and to explore the unknown. Teachers and administrators were asked to evaluate the educational programming and to develop new strategies to better serve the needs of the students. The response of the staff was positive, and the school year was filled with many unique learning opportunities.

The academic and extracurricular successes that were enjoyed as the year unfolded made this

# Seniors say goodbye

It just seems as if it were yesterday when we entered the quad for the first time as freshmen. We were small compared to the upperclassmen, and we thought an eternity would pass before we would become seniors. Now, those four years are gone. It is our turn to leave FP.

Although our high school years are complete, we'll always have the memories. We'll always have each other. The friends we made in high school will be friends for life and will forever remain in our hearts. No one could possibly take away these friendships.

We now give our last farewell as graduation approaches. Never will we forget our pains and triumphs behind the doors of FPHS. We finally made it!

## Juniors are faced with many challenges

We, the class of '94, have been faced with many challenges these first three years of high school. We realize the greatest decisions will be made in the upcoming year. We feel we have come together this year and given our best efforts. By working together we completed a great magazine sales campaign. Teamwork and planning led us to the successful and enjoyable '93 Junior-Senior Prom. All of this shows that we are ready to accept the next challenges given to us. We hope the underclassmen will catch on and follow the examples our class has presented to FP these last three years.

We want to say good luck to every '93 graduate. We'll miss you.

# Sophomores year even more of a challenge

After surviving their freshman year, the sophomores found their second year of high school was even more of a challenge than the first year. Classes were harder, there were more responsibilities, and teachers expected more from them.

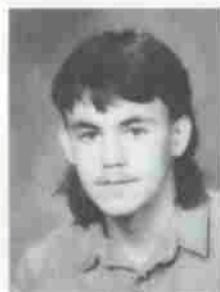

They shared the excitement of winning the boys' basketball sectional for the second time and winning the girls' track sectional for the first time.

They will remember the hard times, the successes, the trials, the frustrations, and the happy times.

## Freshmen are anxious to prove themselves

This year's freshmen were proud of their accomplishments. Being the youngest in the high school was not easy. They felt they had to prove themselves. But their participation in activities such as sports teams, academic team, Recycling Club, and FFA showed they were not afraid of work. They showed their spirit in hall decorations and spirit days.

Now that they have completed their first year, they are anxious to prove themselves as upper classmen.

The FP Spirit Club was very busy this year firing up the crowds for the many sporting events that took place this year. They held pep sessions to pump up the students, held dress up days, and organized many events during the Homecoming week. The club worked concessions at basketball games so that they could raise money to support the projects which they ran to back the athletic department. The officers were Bob Zink, Cara Pund, Liz Recker, and Kerri Burger. The sponsor was Vicki Beech.

According to Mr. Ed Walston, journalism teacher, this makes the yearbook more creative. ## Industrial Arts Dept. continues to emphasize use of computers

This year in the Industrial Arts Department the drafting class received a computer auto pod. The auto pod is used to make designs for building plans. The program is the same one that is used by many factories.

In the woods and metals classes the students make rough designs for products that could be manufactured. Then the drafting class draws working drawings with deminsions on the computers. Next, the blueprints are returned to the woods and metals classes. They use the blueprints to mass produce 25 to 30 prototypes of the product.

While official course names were changed to meet new state standards, students still learned about woods, metals, power and mechanics, and drafting. They also learned about the bigger view of industry and technology. The classes were taught by Mr. Jim Johanneman, Mr. Steve Stoffel, and Mr. Jeff Johnson.

## Dancing, dribbling, spiking, and staying healthy

Health classes were taught by Mr. Dennis Doutaz, and high school physical education was taught by Mr. Doutaz and Mrs. Vicki Beach.

In health and P.E. classes, "Our students learn such subjects as exercise, nutrition, diseases, physiology, and first aid," said Mr. Doutaz. "The students learn about different sports, teamwork, physical fitness, and of course my favorite, dancing."

Taking these classes can be very beneficial. According to Mr. Doutaz, the benefits include physical conditioning, being aware of how exercise can actually give you energy, and the opportunity to participate in sports that a lot of students do not get to play on organized teams.

Square dancing has become one of the more memorable events for most students. Relating to square dancing and the other P.E. activities, Mr. Doutaz said, "I think the students enjoy it a lot more than they do on because it is fun, plus it's an opportunity to develop social skills."

*It's only the beginning. . .*

So we close the 1993 Tracer with many fond memories for the seniors. Memories that they can hold on to for the rest of their lives. It is also the time for the seniors to say good-bye to their friends and teachers because they must start a new beginning for themselves. For the underclassmen, the closing of the 1993 Tracer means having new beginnings to continue in the fall.

# Acknowledgements

Another year has ended. Over the year we have had many new beginnings. We have captured these new beginnings for the FP students, but it would not have been possible without our adviser, Mr. Ed Walston. To him we would like to say, thanks for your time and help. We would like to say thank you to Mr. Bob McCarty. His cooperation and photography was greatly appreciated. Also a very special thanks to his associates Connie Hopf and Donna Lamkin for their extra help this year. And a special thanks goes out to Mr. Steve Pumphery, our representative from Heff Jones.

We would also like to say thanks to The Dubois County Herald and The Ferdinand News for the use of some of their pictures. We appreciate the use of these pictures for the Tracer. The cooperation from the staff, coaches, sponsors and faculty is also greatly appreciated. And a BIG thanks to the students of Forest Park. Without your cooperation we could not have captured the memories and beginnings of this year at FP. And finally to everyone that contributed, thank you.
