Once Upon A Time...

Jamie Pund is proud of several accomplishments that have positively impacted students. First, she has implemented initiatives that have given our students the tools they need to learn. She has also improved our graduation rates and career readiness programs, fostering a culture of inclusion and community engagement, which has been an important priority of hers.

When I asked what the best thing about her job is, she said, "The best part of my job is witnessing the growth and success of our students." This is her favorite part of the job because she can watch others overcome challenges to graduate. It also includes how teachers develop new ways to teach. She enjoys the collaborative nature of parents and staff. "SE Dubois School has an incredibly dedicated team of educators passionate about student success. Our small, close-knit community allows us to give individual attention to students and provide a personalized education experience. We also have a robust academic program with many extracurricular offerings that let students explore their interests in the arts, athletics, or STEM fields."

Leaders of Forest Park

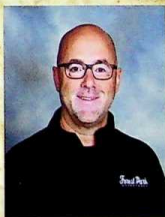

Dr. Matt Thompson, Principal

Dr. Thompson is warmly welcomed to the Forest Park family after being the superintendent for 5 years at Mount Vernon High School. When asked why he came here, he stated, "This part of Indiana is pretty special. They have a lot of good families and good communities here." Dr. Thompson also grew up in the area. He graduated from Southridge and went to teach at Heritage Hills. While teaching there, he also coached their wrestling team. He chose to come to Ferdinand because the "... community matches my family's values, and I want my children to finish out their schooling here." After the first couple of days at Forest Park, he wanted to tell us what he loved most so far. "I genuinely like the people here. I think everybody's got a pretty good attitude and really good work ethic." He said he enjoys meeting new people, especially since everyone has been very friendly. Lastly, he wanted to tell us about his goals for the future of Forest Park. He would like to make us known for our academics. He said we have an excellent athletic tradition, but Forest Park doesn't have one known thing about them for their academics. "I want to change that."

Athletic Commitments

Aiden Nord

Aiden Nord will be continuing his cross country career the University of Evansville. During his high school career, Aiden received 2x MVP, 2x Academic All-State, 2x Regional Qualifier, Semi-State Qualifier, Top Underclassmen, and Team Captain. He is looking forward to the opportunity to place his talents on one of the biggest stages. He is also excited about the challenges of the elevated workload. It won't be Forest Park, but he looks forward to the new opportunities.

Valarie Thompson

Valarie Thompson inked her letter of intent to play for IU Columbus next season. Her junior year achievements were: 2nd Team All Conference and Academic All State. Her senior year achievements were: 1st Team All Conference, Academic All State, Mental Attitude Award, Team Captain, Sectional Championship, Regional Runner Up. She is looking forward to another four years playing the sport she loves and making friendships that last a lifetime! Congratulations to Valarie, we're looking forward to seeing what you can do!

Kaitlyn Randle

Catcher, Kaitlyn Randle, signed her letter of intent to continue her softball career at Mount St. Joseph College. Kaitlyn is most excited about the environment; "The girls on the team are amazing and the coaches are even better! Her awards while in high school consist of second team all-state and first team all conference. I also hold the school record for home runs. She plans to major in Nursing.

Elijah Brosmer

Elijah Brosmer committed to Indiana University Southeast to continue his tennis career and obtain a degree in education. He was on the first team of the PAC in his junior and senior years, all-district in his junior and senior years, and All-State Honorable Mention in his junior and senior years. He was also a Senior All-Star, winning the individual sectional and making it to the regional championship.

Athletic Commitments

Hunter Braunecker

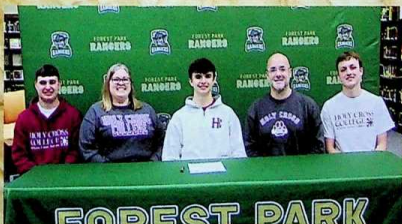

Hunter Braunecker committed to Oakland City to continue his athletic and academic career. Hunter was recognized for his high school efforts by earning All-PAC HM as a defensive lineman and he was selected to the Region 9 All-Star team. He was a key piece in the last two sectional game wins the last two years.

Reece Wolf

Reece Wolf committed to Southern Illinois University Edwardsville to continue his cross country and track career to obtain a degree in Conservation Biology. He was All-PAC his freshman and sophomore year in Cross Country and a Semi-State qualifier both years. In Track, he was All-Conference his Junior year in the 800m run and was a Regional Qualifier in his Freshman, Sophomore, and Junior seasons. He hopes to add to that in his final season at Forest Park.

Charlie Hasenour

Charlie Hasenour committed to Holy Cross College to continue his soccer career and obtain a degree in business. He was All-PAC his junior and senior year. He was All-District his Senior year. He was able to play in the Indiana Soccer Coaches Association (ISCA) District Games against other top talents his senior year. He won 3 Sectional titles, 2 Regional titles, 1 Semi-State title, and was State Runner-Up in his high school career.

Natural Helpers

Pages by: Emma LaGrange, Emma Schroering

Fellow students and staff nominate Natural Helpers students for the kindness they spread. New members attend a retreat where they learn how to be better people, brush up on listening skills, and help others when needed. The members of Natural Helpers have been great leaders in our school's classrooms and other areas. Mrs. Audrey Fleck is the sponsor of this club.

SADD

Students Against Destructive Decisions keep their members and help the student body make good decisions. They participated in Red Ribbon Week by spreading kind words, drawing encouraging phrases on sidewalks, and putting ribbons on students' vehicles. SADD members are great leaders in our school and stand up for doing the right thing.

Academic Team

It was time to get into the Irish spirit this year for the 2024-2025 Academic Bowl team! This year's competition theme was "Ireland in the 20th Century", so the squads all had to brush up on their Celtic knowledge, which was no easy feat. The PAC academic bowl in Princeton in March served as a great practice to see what the questions and competition would be like. The final Academic Super Bowl was hosted once more by Southridge with the math squad walking away with 3rd place and the English squad just missing out on 3rd by the tie breaker. All squads performed wonderfully against some tough competitors, and the coaches were all very pleased with the outcomes➤

Education Professions

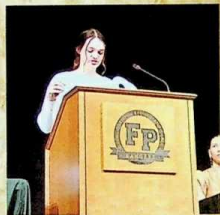

This school year, the Education Pathway students explored and experienced what teaching is all about. The class heard from guest speakers, completed numerous classroom observations throughout the year, and helped tutor other students. They explored different aspects of teaching, including understanding the history of education, lesson planning, and developing their own Philosophy of Education.

Beta Tries to Make The World a Better Place

Page By: Madison Lindauer

Beta Club at Forest Park High School is for students who have demonstrated outstanding academic achievement, exemplified worthy character, and maintained a commendable attitude. The organization recognizes high academic achievement, promotes character and social responsibility, encourages service involvement to school and community, fosters leadership skills, and provides settings for your child to develop interpersonal relationship skills. Beta is for qualifying students in grades 11-12. To qualify, a minimum 3.25 GPA must be attained by his/her fall semester of junior and/or senior year.

Seniors Haven Weyer, above, and Ella Hopf, below, induct new members into the club.

National Honors Society

The National Honor Society is based on helping the community by participating in different service projects throughout the year. Members of the club volunteered at the Weed Wrangle, held by the Town of Ferdinand Park Board, and helped vendors carry in items at the YMCA for the Christkindlmarkt, among other things. The officers for this year's club were Rafe Merkel, Aiden Nord, Kiersten Hubbs, and Cary Schnell.

Business Professionals of America

Forest Park BPA members had great success again at the State Leadership Conference which was held in the Indianapolis Marriott Downtown and Convention Center. Business Professionals of America is the premier CTSO (Career and Technical Student Organization) for students pursuing careers in business management, information technology, finance, office administration, health administration and other related career fields. The Mission of Business Professionals of America is to develop and empower student leaders to discover their passion and change the world by creating unmatched opportunities in learning, professional growth and service. The Vision Statement of Business Professionals of America is: To be an innovator in Career and Technical Education, providing our members with opportunities for growth through education; competition, community service and personal development. The following advanced to the National Leadership Conference in Orlando, Florida: Rheyse Fleck, Anna Jahn, Mya Wehr, Camden Cole, Leo Widolff, Charlie Hasenour and Chase Niehaus.

FACS

FACS club is a student organization that focuses on helping those in the community, with a focus on families and children. Activities members may participate in include: volunteering with various agencies throughout Southern Indiana including Crisis Connection, Memorial Hospital Cancer Center, Dubois County Food Bank, and other various activities. The fundraiser for the club is selling Marion Kay spices in the fall.

Rangers for Christ

Page By: Madison Lindauer and
Emma LaGrange

The Rangers of Forest Park showed their dedication to their faith by attending meetings held every other Friday. The meetings alternated between study hall and before school so everyone could have an opportunity to attend if they wanted to. The RFC board put together several special events throughout the year including: See You At The Pole, National Day of Prayer, candy handouts, and breakfasts. The board members were seniors; Emma LaGrange and juniors; Olivia Bell, Addison Schneider, and Bree Morrison. The club sponsor was Mr. David Welp.

FFA

Page By: Madison Lindauer

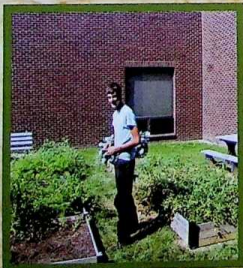

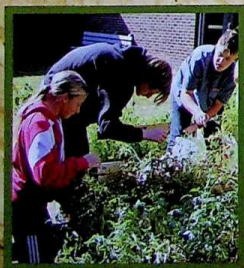

The Forest Park FFA has experienced another successful year, emphasizing leadership, personal growth, and career advancement in agriculture. Members have actively participated in various activities, including chapter meetings, community service projects, and competitions. The chapter's dedication to the FFA motto, "Learning to Do, Doing to Learn, Earning to Live, Living to Serve," has been evident in their efforts. The chapter officers have led the way in various events, ensuring a smooth and efficient chapter operation. Additionally, members have participated in Leadership and Career Development Events to further develop their leadership skills and have been active in community service projects, showcasing their dedication to helping others.

LIFE

of a Gamer

Page By: Emma LaGrange

The normally quiet FP Library was filled with laughter, good natured jabs, and gasps of astonishment again as the GAME Club continued its tradition of hosting meetings on Tuesdays and Thursdays. This year the club grew to 30+ members and every meeting you could see all of them busy playing something or just relaxing and hanging out. Near the end of the school year, the club planned a Laser Tag adventure.

Community Impact

Community Impact has a positive impact on the surrounding area and environment. Activities include collecting paper from FP recycling boxes, recycling the schools plastic items weekly and during basketball games, removing litter from local roads and participating in other helpful activities that club members choose to support. Members help maintain the landscaping around the school by watering and weeding when necessary. They also work events from time to time to help generate funds to donate to other organizations in need.

Key Club

Key Club is involved with our parent organization Kiwanis Club of Ferdinand and help our community through volunteering. Club members assist in placing American Flags around the town of Ferdinand for major holidays, including Memorial Day, Flag Day, Fourth of July, Labor Day, 9/11, and Veterans Day. Additionally, they work at the Christkindlmarkt, helping sell food and beverages. They also work on the town Christmas celebration at the community center and give back to our community by helping families with their groceries during the Thanksgiving holiday.

Making the Students feel ...

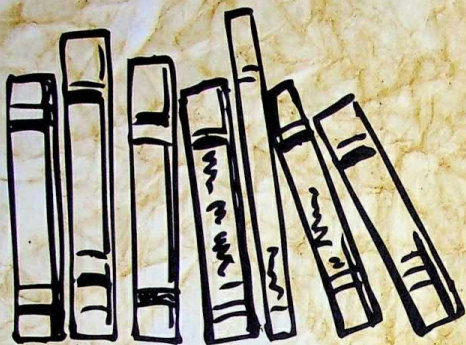

Our Student Council put on various events this year; the two biggest being our first Powder Puff game and our annual end of year activity which was the Color Run. They also put on a men's volleyball tournament and held various other small events and dress-up days. These students work hard to involve all students in fun and meaningful activities.

Shelf

Boosting Your Body and Mind

In the Health and PE class, they have worked on the fundamentals of different sports and how to do them. They have played volleyball, basketball, and tennis. They also play different games like kickball, dodgeball, and tag. They work on all of these activities to get the class moving and their energy up for their other classes. In the health portion of the class, they learn about everything with their body and their different emotions. They learn about the physical and mental problems that you could develop if you don't take care of your body and mind.

Multicultural Life

Understanding German and Spanish

Our multilingual learners attended the Latino College and Career Fair.

In the Foreign Language classes, students learn so much about different cultures and their way of life. Whether students take Spanish or German, they always find something interesting to learn. In the Spanish classes, they learned how to use the correct grammar and pronunciation. In the German classes, they worked on painting ceiling tiles for the classroom, how to say words in everyday life and all about the different historical events that happened in Germany.

If there is one thing our students value at Forest Park, it is math and science classes. Every year our science and math teachers push students by challenging their skills as learners. This year, Mrs. Lavina Begle took over the upper level courses: Calculus, Pre-Calculus and Trigonometry, while Mr. David Welp and Mr. Kyle Schlachter teach Geometry and Algebra. Mrs. Wolf, Mrs. Applegate and Mr. Lusk still run the science classes offering Biology, Chemistry, Biomedical, and Anatomy.

Above: Last year, Mr. Joe Keller was nominated for Ivy Tech Dual Credit Faculty of the Year. Today, he was presented with his "Ivy Tech Oscar!" Congratulations on this well deserved recognition! Thank you Dr. Sue Ellspermann for presenting the award!

Election Demonstration

Amy Kippenbrock, Dubois County Clerk, and Tanner McIntosh, Indiana Secretary of State Outreach Facilitator, came to Forest Park today. Mrs. Kippenbrock discussed election procedures as well as demonstrated the use of the voting machines used in Indiana. Every senior that wanted to try out the machine was given a chance to simulate casting their votes. Tanner McIntosh was here representing the Indiana Secretary of State Diego Morales. Along with answering some more state related questions, he helped register any student who would be old enough to vote in the 2024 Election.

In IED courses, students learn how to think like an engineer. They gain skills related to design and innovation and apply those skills through hands-on projects as individuals and teams. In POE students learn about the physical sciences of engineering and how to apply this information to engineering projects. CEA is one of the two capstone classes in the engineering pathway. In this course, students learn about building design and construction, 3D modeling of structures, interior design, surveying, and environmental engineering. CIM is the other capstone class in the engineering pathway alongside CEA. In this course, students will complete projects pertaining to automation in manufacturing and computer science.

The Art Of Music

Page By Jillian Dittelberger

Music education classes teach students at Forest Park to appreciate the beauty of art. Learning how to play new instruments and sing helps stimulate the mind and allow students to show their creative side. These classes are taught by chorus director, Leslie Blume, and band director, Jordan Witt. These teachers continue to educate students on the importance of music.

Mrs. Kristin Boeglin is in her second year as the art teacher at Forest Park. She teaches intro to 2D art, intro to 3D art, drawing, principles of design and photography. Students in her classes get a hands on experience in which they are able to show off how talented they are.

Haven Weyer

Jasper Arts hosted its annual Youth Art Exhibit at the Thyer-Clark Cultural Center. Senior, Haven Weyer, received the 2-D scholarship for her stunning pastel dog drawing, "Companionship in Color" and was awarded a \$500 scholarship.

Business

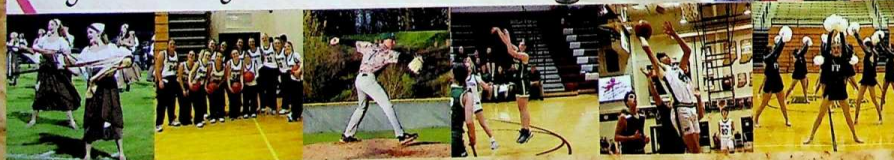

Business students ran Forest Park Fine Products had another successful year at the Christkindlmarkt. Students designed, produced, and sold many different items this year including Christmas ornaments and coasters. Along with the Christkindlmarkt, the Marketing students wrote, produced, and starred in Ranger Round Up.

This years cheer squad cheered on our football and basketball teams. Last year, the girls started also cheering at on our girls' basketball games and this carried into this year. The girls cheered on the boys basketball team all the way up until their final game at Semi-State. It was a fantastic season for the ladies.

With seven seniors leading the way, the girls golf team had another successful season. They ended their season with a record of 24-30. With a fairly new team, they were very happy with the way the girls came together as a team. Having so many new girls this year, gave them the opportunity to have a more competitive environment. They were all very supportive of one another and our returning girls were eager to help out our first year players get up and going before the season. If this year is any indication, they are very excited for the future of J-P Girls Golf. They hope to continue the momentum from this season and continue to get more girls involved in the program.

This year's boys' tennis team had a wonderful season. This year they accomplished beating Northeast Dubois, which was one of their goals since they hadn't beaten them in 13 years. As a team they accomplished their second tourney win against North Harrison among other teams. With a record of 11-1 in the PAC, the Rangers tied for the best record in the conference, making them co champions. The FP Boys Tennis program hasn't won a PAC title since 2016. The hard work and dedication that this team has put in finally paid off. Season Trophy Winners: were MVP: EJ Brosmer; Most Improved: Christian Oldham; Mental Attitude: Brock Schuler; Coaches Awards: Korbyn Persohn and EJ Brosmer; First Year Letter Award: Reid Fleck and Camron Lueken; PAC Honorable Mention: Brock Schuler; PAC All-Conference: EJ Brosmer, Korbyn Persohn, and Chris Oldham; All-District: EJ Brosmer, Korbyn Persohn, and Chris Oldham; All-State Honorable Mention: EJ Brosmer, Korbyn Persohn, and Chris Oldham; Indiana All-Star Invitee: EJ Brosmer; and Individual Sectional Champion: EJ Brosmer

The cross-country season was a success this year. The boys' team finished in the top 10 in multiple of the meets. Sadly, several runners were injured throughout the season which resulted in lower finishing numbers. They did not finish the year, during PAC or sectional to have a full team. Owen Troesch, as a singular runner, advanced on to regional. The girls' team finished in the top five in multiple meets. The girls had eight members on the team. They placed fifth in PAC, and ninth in sectional. Riley Hinson and Kendal Gehlhausen moved on to regional. In regional Riley placed 27th and moved on to state, Kendal placed 107th, and Owen placed 227th. Riley Hinson closed out her junior cross-country season with an impressive performance at the IHSAA Cross Country State Championship. She finished 137th with a time of 19:51. Great job, Riley Hinson!

Aiden Nord

My senior season was different than expected. Despite a season-ending injury preventing me from competing in the post season, I have enjoyed this sport and learned a lot. Cross Country has been a great sport that has helped make me a better person. I will miss the workouts with my teammates dearly.

Carly Schnell

I enjoyed running with my teammates and getting to know them all better throughout the season.

Joshua Semersheim

Cross Country was a great team experience. It is a very disciplined sport that shows how committed you are to it. It is most definitely not for the faint of heart.

The Rangers put together another solid regular season going 10-7-1. They suffered a couple of losses by one score. However, losing by only one score to Heritage Hills (undefeated PAC conference champions), Providence and Evansville North when traditionally those losses have been by a greater margin, they were having an even more optimistic outlook on the post-season from last year. Charlie Hasenour gave another great year in goal, Reece Wolf provided some offensive threat and the rest of the senior class of 14 amazing young men continued to provide solid leadership. Unfortunately, they came up short in sectional against a talented Tell City team who found their breakout match. End of season awards were: Puskas Award (best goal), Jalen Morrison; Mental Attitude, Tanner Englert; Heart and Hustle, Issac Mohr; Diesel, Parker Wolf; Most Improved, Rafe Merkel; Golden Boot (most points), Reece Wolf; MVP Defense, Charlie Hasenour; and MVP, Reece Wolf.

The Lady Rangers had a very successful season finishing 15-6 overall and finished third in the PAC Conference. Additionally, the Lady Rangers captured a sectional championship and a regional runner-up. They scored 82 goals and only gave up 23. Despite numerous injuries, they overcame adversity to have a great season. Several players were honored with accolades including Paige Memmer (1st Team All Conference), Valerie Thompson (1st Team All Conference), Adi Schipp (1st Team All Conference), and Maggie Kerber (2nd Team All Conference). Additionally, Paige Memmer earned a 2nd Team All District Award. The varsity football team had an amazing season this year. They ended with a record of 6-5 for the season. Leading the way for them were 17 seniors, which will be a huge loss. In their first round of sectional play, they faced South Spencer and won 36-21. The second round they battled Providence at Providence. The players and coaches gave everything they had but ended up losing. They had a great team bond, as well as sportsmanship with each of the teams that they played. End of season awards were: Best Offensive Lineman, Caydan Leisman; Best Defensive Lineman, Hunter Braunecker; Best Linebacker, Will Steckler; Best Defensive Back, Jaxon Lueken; Best Wide Receiver, Jaden Bettag; Best Running Back, Tyler Fetter Most Improved, Hudson King; Mental Attitude, Kaden Meunier; Most Tackles, Bryson Frick; MVP, Bryson Frick; Special Teams, Jaden Bettag; Ranger Award, Aaron Tretter; Scout Players of the Year, Anden Uebelhor, Riley Begle, Kayde Petry, Drew Eckert, Zach Kissel.

This volleyball team had the first winning season in 16 years, with a record of 17-10. With four seniors leading the team, they had an amazing season. Rayven Meyer and Emma LaGrange were seniors who made it into the record books. Madeline Tuggle, Avery Hill, Jenna Berg, Ava Rea, and Emma LaGrange won stat awards. Mariah Schaefer won best teammate, Jenna Berg won mental attitude, and Madeline Tuggle won MVP. We thank Tara LaGrange for her years of coaching this team and wish her the best of luck. We wish the team the best of luck to continue to build on this positive season.

Starting the season strong by winning the first two games against Perry Central and Princeton the boys came together in celebration. Shortly after they were overcome by defeat throughout the season but that made these boys stronger. They learned new positions throughout the season while battling diversity. Every day for practice they worked hard to become not only better players but a better team. These boys will be the future star players of Forest Park.

This year's season for the JV Volleyball team was a good one. The girls had a record of 11-11. They had 9 players on the team with 6 playing and 3 on the bench. The record for the season was 6-6 in the conference. They had a small and young team this year but had 3 girls play consistently over the whole season. Most of the team were freshmen but all worked hard and adjusted to the pace of high school volleyball. The awards that everyone won were: Most Digs, Serving Aces, and Serving Points went to Mya Wehr, Most Assists went to Rheyse Fleck, Most Kills and Blocks went to Bailey Begle, and the Weight Room Awards went to Felecia Eckert and Myah Jarniczky.

The Marching Rangers completed their 2024 season on November 9th, 2024 with a 4th place finish among some of the best marching bands in the state of Indiana. Although they had to overcome many obstacles this year, they were able to maintain their history of performance excellence by continuing their record of placing in the top five bands every year. The band's show was titled "The Throne" and told the story of an evil queen that was overthrown by a rebellion of her people. The show was a consistent audience favorite among the competitions they performed at.

My favorite memory from this season was when we danced in the rain during practice. As we were working on a set, it started to rain. We all set down our equipment, put on some music, and danced until practice was over. This reminded me to take in the little moments of the time I have left with this wonderful group." Taryn Lamkin, 11

"One of the best memories I have from this season was walking off the field after our final performance knowing we had given it our all, and had the best performance of the season." Kaelyn Baker, 11

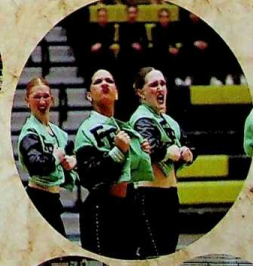

Dance

This dance season was one for the books. Their hip-hop routine received first at state and third at nationals, pom received first at state and seventh at nationals, and the kick routine got third at both the state and national level. The team had seven seniors who lead with a hard-working mentality that helped these girls win their competitions. This is the first time in Forest Park dance history that they were ranked in the top ten at nationals. They received 89.08 in pom at nationals, 89.3 in hip-hop, and 89.23 in kick. They also received a 84.72 in pom at state, a 88.38 in hip-hop, and a 91.78 in kick.

End-of-season awards were: Coachability Award; Mollie Combs; Most improved, Brynn Vaught; Rebounds, Jenna Berg and Avery Hill; Steals, Jenna Berg and Carly Schnell; Blocked shots and field goal percentage, Avery Hill; Deflections and defense award, Claire Warren; Charges, Laney Berg; Assists, Jenna Berg; and free throw percentage and offensive award, Carly Schnell. The future for Lady Ranger basketball is bright.

The Lone Lady Ranger

Carly Schnell

Our lone senior, Carly Schnell, was the most consistent offensive threat this season. She led the team in scoring with 10 points/game, led in both free throw percentage at 81%, and in 3-point shooting percentage at 34%. She also had a 26 point half vs. Princeton that helped spark the transition game for the remainder of the season. Carly was a great leader and will be missed on the court.

The junior varsity team had a successful season. They learned to play with each other regardless of what five players were on the floor. Even when players were hard on themselves, they never gave up or stopped supporting each other. This team made huge strides in making the transition to high school basketball. They went from struggling to run offensive sets, to us praising them for how long we ran a set and getting a basket. This group was so coachable, competitive, and fun to be around and can accomplish anything they put their mind to. The coaching staff has high hopes for them. They ended their season with a record of 11-7. End of season awards were: rebounds leader; Bailey Begle 3.6 per game 56 total rebounds; steals leader, Bree Howard 2.3 per game 37 total steals and assists leader with 1.6 per game 26 total assists; deflections leader, Ava Mohr 2.3 per game 37 total deflections; free throw % leader, Bailey Begle 73%; and coachability award, Lexi Berg.

Our Boys' JV Basketball had an amazing season with a record of 12-9. We are so proud of them and can not wait to see what they do next year. They adjusted well to fast paced high school basketball which will prepare them for varsity. We know they will continue to fight hard on both varsity and JV. With 13 players on the roster, they had a diversified team to choose from all year round. Congratulations!

The bowling team was led by two seniors this year and had a total of seven members. Bowling is a sport that is like no other, because the playing field changes throughout the game due to changes in oil patterns on the lane, which causes the team members to have to compensate for the changes. The team record for this year was 4 wins and 5 losses. Jalen Morrison averaged 137.13 out of 15 games. He started out with an average of 122. Korbyn Persohn averaged 177.54 out of 11 games. He started out with an average of 174. Bowling takes skill to know how to do the approach, release the ball so it will go down the lane into the pocket to get the pin count.

Our wrestlers showed a lot of growth throughout the year, with several guys making big improvements. Having a very young team, they focused on building a strong foundation with technique and conditioning, which paid off in their matches. They had multiple wrestlers place at tournaments, and the team competed hard every time they stepped on the mat. It was great to see their hard work translate into some success this season. Clayton Roesner and Hunter Osborne made it to the Regional tournament but both fell short in hard fought matches.

The girls' swim team had a great season this year. Even though they only had seven girls on the team, they finished 9th at the PAC finals with 61 points and 10th place at the Sectional finals with 70 points. Benni Caruso placed 2nd in the 50-meter freestyle and the 100-meter freestyle during finals. The boys' swim team had an excellent season this year. They had 11 boys on the team, and they finished 6th in the PAC finals with 112 points. They finished 8th in the Sectional finals with 138 points. Multiple boys made it to the finals during Sectionals, and two of their relay teams broke the school record, their 400 freestyle relay and their 200 freestyle relay; swimmers were Marcus Berg, Caiden Beck, Leo Widolff, Owen Boeglin. Owen Boeglin also broke his own school record in the 100 free style.

WHO RUN THE WORLD, GIRLS!

Our Girls' Track Team did an fantastic job this season before sectional. They won several meets and placed well in the rest. They graduated five seniors who helped lead this team in multiple events in both the track and the field events. With 7 girls competing at regionals, the girls finished 15th out of 38 teams. This is a huge feat since up against all levels including 3A and 4A powerhouses. Riley Hinson competed at the state level and placed 21st in the 400m Dash. She was seeded 24th so was able to pick up a couple places, way to represent FP! End of season awards were: Most Improved, Kendall Fischer; Most Valuable Distance, Kendal Gehlhausen; Most Valuable Sprinter-Most Valuable Jumper-Most Valuable Player, Riley Hinson; Ranger Award - Academic All-State Honorable Mention, Hattie Dilger; Most Valuable Thrower, Paige Memmer.

The Girls Softball team adjusted to a new coach this year very well. It is hard to judge how a year went by the record alone. Their record doesn't show all the amazing work, dedication, and talent they put in both in season and out of season. We are so proud of each one of them. They had a record of 5-15 before sectional. End of season awards were: Best Teammate, Ella Hagedorn; MVP, Kaitlyn Randle; Hitting, Kaitlyn Randle; Pitching, Leigha Nord; First Varsity Letter, Bree Howard; Mental Attitude, Avery Hill; Golden Glove, Mollie Combs; Most Improved, Millie Widolff. In 28 seasons of FP Softball, this group was 2nd in HRs, 3rd in Slugging, 4th in EBH and RBIs, 5th in Doubles, and most stolen bases we've had in five years. Plus turned 12 double plays! Junior, Sydney Bettag, also reached the top of the season stolen bases record with 17!

With a new head coach leading the way, the varsity baseball team had another successful season. In his first year, Mr. Kyle Greulich led his team to a season record of 11-12. The record doesn't represent the hard work and dedication the Rangers endured. The team was led by six seniors who had been a part of this team for the past four years. The end of season awards were: Most Improved, EJ Brosmer and Korbyn Persohn; Mental Attitude, Nolan Begle; Defense, EJ Brosmer; Offensive Player of the year, Jared Burger; ERA, Pitcher of the year and Player of the year, Jaxon Lueken.

The coaches and returning players are looking forward to building on the foundation they started in year one.

Steal the Show

The Boys JV Baseball team didn't have the best season as they ended with a record of 2-3. We are so proud of what this team was able to accomplish this year, getting better on and off the field. We can not wait to see what they have in store next year for our baseball program.

Good Girls Steal

There has not been a girls JV softball team since before Covid 19. Even though their record does not show it, the girls on this team worked hard, improved their game throughout the season and had fun. End of season awards were: Pitching, Kinley Hawkins; Most Improved, Jenna Berg; Hitting, Bree Howard; and Golden Glove, Sydney Bettag.

The Greatest Game Ever Played

Our Boys Golf had a tremendous year ending most tournaments high in the ranking and winning the majority of their matches. They fought hard to improve their skills all year long and grew so much as a team. The 2025 Rangers have a lot to be proud of looking back on their season. They set a new 18 hole record of 326 at Sultans Run, as well as a 9-hole record of 146! They finished 2nd for the second consecutive year at Sectional, as well as 2nd in the PAC Championship. The Rangers will return their top 4 players as well as 6 reserves for the 2026 campaign.

Our Spring Extravaganza this year was scheduled for Friday, May 16th, but due to weather, it was cancelled and rescheduled for the following Monday, May 19th. Even though there was chaos, these artists persevered. They put up their art displays with pride and brightened the school halls with color and showed off amazing talent. We are so proud of all of our art students. Five seniors displayed their artwork from their four years at Forest Park. Overall, it was a successful event in which our students were able to show off their creative side.

FP Shows Its True Colors

Forest Park celebrated its last 'normal' Friday with a color run celebration open to all high school and junior high students. We are extremely grateful to Ms. Hawkins for leading our student council, which put on this event. The students were able to have one last hooray of the year and the seniors of their high school careers. With lots of color, ice cream, and awards, the year ended with a blast.

Junior Winners

This year we held our first annual Powder Puff game. The girls of each grade dominated the field while the guys cheered.

And They All Lived

The seniors of Forest Park with their family and friends celebrated the end of their High School career on May 24th. The class of 2025 graduated 104 students. We are so proud of their hard work and dedication to finish this school year. We wish them the best of luck in all of their future endeavors. We hope that they remember the stories that led to this moment, that they dream big dreams, and that they live out their fairy tales.

Congrats, Jillian!

As we celebrate your high school graduation, we watch in amazement at the inspiring young woman you have become. We are very proud of you! Can't wait to see what God has planned for you.
Love, Mom and Dad

Congratulations, Aleigha!

Aleigha, to say I'm proud of you in an understatement! You have achieved great things thus far, I can't wait to see what your future holds! All the best in your future endeavors!

Love Always! Mom

Congratulations, Austin!

Your journey is just beginning, and the best is yet to come.

*Love,
Your Family*

Congratulations, Ella!

We are so proud of you and all that you have accomplished. We are looking forward to cheering you on in the next chapter!
Love, Mom, Dad & Adalee

Oh, the Places You'll Go!

We are proud of you and excited to see where life will take you!

Love Mom, Dad, Kaiyah

The logo for RDM Wholesale is centered within a light blue rounded rectangle. The letters 'RDM' are large and stylized, with the 'R' and 'M' in red and the 'D' in blue. To the right of 'RDM', the word 'Wholesale' is written in a smaller, dark blue sans-serif font. Scattered around the logo are several line drawings of plumbing fixtures, including a toilet, a sink, a bathtub, and various pipes and valves.

The Forest Park Yearbook is a student-made publication. Any misspellings of words or names, mistakes in identification, incorrect facts, or other errors were not intentional. We thank you for your understanding and hope you appreciate the hard work our staff put into this edition. Special thanks to the Ferdinand News, Stephen & Rhacia Brown, Kylie Schepers, and Jeff Wollenmann for allowing us to use some of the photos they took throughout the year.
