Dr. Matt Thompson
Principal

Dr. Thompson is in his second year as principal at Forest Park High School. Forest Park has had a very successful year. The student participation in the arts, athletics, and extracurricular clubs has been excellent. Under Dr. Thompson's leadership, students have thrived, competing in various competitions and proudly representing both our school and the community.

Diabetics: The only people who take drugs to avoid getting high.

Geo Zelaya

"You left your fridge open, somebody just took a sandwich."- Kanye West

Jaxon Lueken is a standout three-sport athlete at Forest Park High School, recognized for his elite talent as a right-handed pitcher. After graduating in 2026, he will continue his baseball career at Indiana University. Jaxon is also a versatile football player, contributing as a wide receiver, quarterback, and safety, and is a key member of the basketball team. Alongside his athletic achievements, he has consistently earned a spot on the Forest Park Honor Roll throughout junior high and high school.

Anna Muller officially signed her National Letter of Intent to play soccer at Kaskaskia College, where she will major in Criminal Justice and Pre-law. From the first whistle of her freshman year to her final season under the stadium lights, Anna has been a force to be reckoned with, known for her relentless hustle and tactical vision on the field. Congratulations, Anna.

Xander Fleig has committed to IU East, where he will major in Business. On the golf course, Xander's achievements are impressive: he is a two-time MVP for Forest Park, holds the two lowest season scoring averages in school history, placed 38th at state, won the Optimist International qualifier, and is a two-time Indiana Boys State qualifier. Congratulations, Xander!

Maren

What are you enjoying most about being in Dubois County and the United States?
I enjoy meeting new people and hanging out with my new friends I have made here.
Do you plan to visit any other state or place while you are here?
My family is coming here in the spring. While they are here, we are going to go to Washington D.C. and New York. I also might travel with my host family over spring break.
Who is your host family?
Adam & Manda Combs
What is your favorite thing about being in school at Forest Park?
All of the teachers here at Forest Park are very nice. They are all very welcoming and kind.

Paloma Barrigas Rodriguez

From Spain to Dubois County

What are you enjoying most about being in Dubois County and the United States? Playing sports and hanging out with friends.

Do you plan to visit any other state or place while you are here? Yes, South Carolina

Who is your host family? Eric and Angie Evitts

What is your favorite thing about being in school at Forest Park? The people

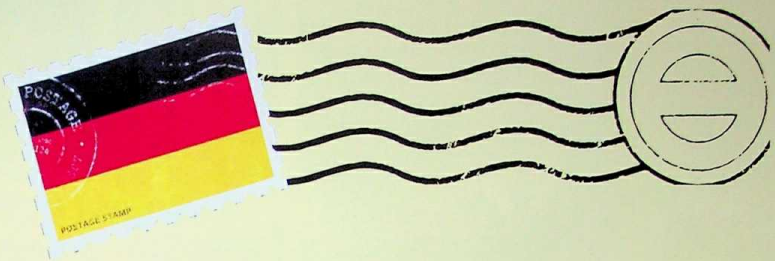

From Germany to Dubois County

What are you enjoying most about being in Dubois County and the United States? I enjoy experiencing American culture and living it here in this community.

Do you plan to visit any other state or place while you are here? I have already visited Cincinnati, and we are thinking about visiting Chicago.

Who is your host family? The Benton's

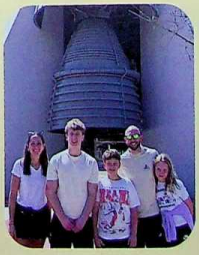

What is your favorite thing about being in school at Forest Park? I enjoy the good connections between teachers and students, and that the school is kind of its own community, where teachers and students are well-connected to each other.

Greetings from our Clubs

RANGERS

Ranger Cares

Empowering our youth.

Ranger CARES put on a number of fundraisers to raise money to support community efforts. The club cooked two meals and visited the Dove Recovery House with multiple tubs of donated items to support the women residing in the home. We were able to eat alongside residences and learn of their journeys in recovery. Club members worked together to come up with fun activities to represent Red Ribbon Week within the Jr./Sr. high school. Activities were played at lunch, banners were hung in hallways and ribbons were placed on cars to represent the commitment for a drug free school environment. Students also attended Pine Ridge Elementary's Wellness week and presented on healthy habits to grades Pre-k through 4th. The club members utilized raised funds to purchase prizes and games to support the specific content used to accommodate each grade level.

Ranger Cares Members

Natural Helpers

Natural Helpers participated in a day-long retreat, building skills to support their peers. They worked together to problem-solve and recognize when to help find a resolution—and when to seek additional support. Members are selected by their classmates as trusted people to turn to when someone needs to talk.

Academic Teams

Alone we can do so little, together we can do so much.

Math Academic Bowl

This year's Academic Bowl team showed their American spirit, diving deep into the Revolutionary era for their patriotic theme. Competitions came alive with questions from historical novels, poems, artwork, and even the musical Hamilton. At the Southridge Area Invitational, the team earned impressive results: 3rd place in both Math and Social Studies, and 1st place in English–securing a spot at the state competition. The English squad represented us at Purdue University on May 9, finishing as state runners-up! The 2026 Academic Bowl team made history of their own, combining knowledge, teamwork, and pride all season long.

Fine Arts Academic Bowl

History Academic Bowl

FACS

FACS is a student organization that focuses on helping those in the community, with a focus on families and children. Activities members may participate in include: volunteering with various agencies throughout Southern Indiana including Crisis Connection, Memorial Hospital Cancer Center, Dubois County Food Bank, and other various activities. The fundraiser for the club is selling Marion Kay spices in the fall. Mrs. Christa Widolff is the sponsor for this club.

Hannah Kuebler works on a card for the Soup and Sunshine project.

FACS Club Members

Students help make cards to their Soup and Sunshine project.

Members help put the flags out around town for special days.

Students help serve food at their Christkindlmrkt booth.

KEY CLUB

Key club is a service club that has enrollment of students from their freshman to senior year. The motto of a Key Club is "Caring-Our Way of Life". Through work in the home, school, and community, members learn this organization's concept of caring. Goals are to develop leadership skills, to provide experience of living and working together, to serve school and community, to cooperate with school officials, and to promote citizenship. Mr. Brad Weyer is the sponsor for this club.

Key Club Members

This group advanced to the State Leadership Conference.

BPA

Business Professionals of America members participate in activities to accomplish their goals of self-improvement, leadership development, professionalism, community service, career development, public relations, student cooperation, safety and health to reach their goal. The goals are to enhance student participation in professional, civic, service and social endeavors.

Congratulations to Miranda Rickelman on being selected as the next Indiana BPA Region 10 President!

BPA Club Members

Torch Award Winners: Miranda Rickelman, Natalie Thompson, and Alexa Tyree

ART CLUB

Forest Park High School Art Club returned this year and they created magic! This year, our artists took on a vibrant community project: painting a mural in the Ferdinand Elementary Library that transformed plain walls into a lively tribute to beloved book characters. Over Christmas Break, our dedicated art students volunteered their time to bring this mural to life, ensuring it would be ready to greet and inspire young readers as they returned to school. Now, every week, hundreds of students enter a library filled with color, imagination, and excitement—a space truly designed for discovery and learning.

ARCHERY

Archery shot up another great season. The team started their practice at the end of October and finished the year in May. The team shot at a few competitions and qualified for state. It took a lot of time and practice, but it was well worth it. The team went to Indianapolis to shoot for state and did great. They shot so well they made it to nationals! There were more seniors than ever this year and they all shot their heart out. We couldn't be more proud of our team!

Glockenspiel at Christkindlmarkt

CHORUS

The JHS Chorus program has delivered a standout year of high-profile performances and student excellence. Highlights include singing the "Star Spangled Banner" at a Cincinnati Reds game, performing "God Bless America" with the Evansville Thunderbolts, and celebrating local heritage at the Christkindlmarkt opening ceremony. Three students earned the prestigious honor of performing with the All-State Honor Choir in Fort Wayne, while the spring season features a collaborative recruitment tour, the ISSMA Organizational Festival, and a special concert with renowned composer Greg Gilpin. The year concludes with the Spring Fine Arts Extravaganza and a performance at graduation.

Cincinnati Reds game

Veteran's Day Program

Chorus Club Members

This year, Rangers for Christ, aka RFC, has been working on encouragement and reminding students that God has a plan for each and every one of us. In the fast pace of the school year, we know everyone can get caught up in schooling and extracurriculars but we were able to meet and share our personal stories and experiences to reflect on them and how we can be there for ourselves and our peers in stressful times. RFC is a club where everyone is welcome to join at any time, whether it's to share your thoughts and feelings or just be there to listen and feel included. We would love to see new and current faces next year! All are welcome! They hold bi-weekly meetings, trivia, and activities such as Prayer by the Pole and National Day of Prayer.

Rangers For Christ

Brylee Longabaugh,11, leads the group in an opening prayer before the activities began.

RFC Board Member Seniors Bree and Addison lead the group in a devotional

To greet our students getting off the bus and getting dropped off, members passed out pieces of candy with positive messages on them.

Students were able to enjoy donuts provided by the club before the National Day of Prayer gathering.

FP students came together on a beautiful morning to share fellowship and faith before starting their school day.

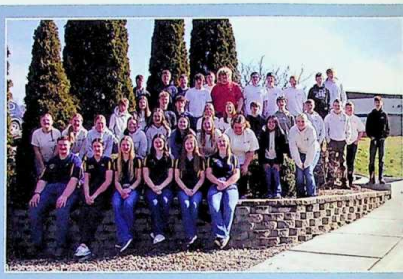

"I can do all things through Christ, who strengthens me."

"Learning to Do, Doing to Learn, Earning to Live, Living to Serve"

The Forest Park FFA Chapter had another outstanding year filled with leadership, competition, service, and success. Members participated in numerous Career Development Events (CDEs) and leadership contests that allowed them to strengthen their agricultural knowledge and hands-on skills. Students competed in events including Forestry, Soils, Crops, Livestock, Dairy, Poultry, Welding, Envirothon, and Livestock Skillathon, earning many top individual and team finishes at area, district, and state-level competitions. Several teams advanced to state contests, and members proudly represented Forest Park throughout the year.

In addition to competitions, members demonstrated strong leadership and community involvement. Students participated in district leadership contests, public speaking events, quiz bowl, demonstrations, exhibits, and dodgeball competitions. The chapter also celebrated major accomplishments through SAE (Supervised Agricultural Experience) grants and leadership opportunities. Members earned national grants, attended leadership conferences, and prepared for the Washington Leadership Conference in Washington, D.C. Forest Park FFA was also recognized at the Indiana State FFA Convention as a Top Fruit Sales Chapter, Gold Emblem National Chapter, and Big 10 Chapter Donor.

One of the chapter's largest accomplishments this year was another successful fruit sale fundraiser, where members sold 1,864 boxes of fruit and raised over $14,000 to support chapter activities and travel opportunities. The chapter also recognized many students for earning Discovery, Greenhand, Chapter, and Hoosier Degrees, highlighting their dedication and growth within the organization. Throughout the year, Forest Park FFA members continued to embody leadership, teamwork, and service while promoting agriculture within their school and community.

FFA Club Members

Officers

Trinity Foll, Lance Boeglin, Sophie Miller, Adalyn Luebbehusen, Miranda Rickelman, Caiden Beck and Kynsley Gogel.

G.A.M.E Club

The normally quiet FP Library was filled with laughter, good natured jabs, and gasps of astonishment again as the GAME Club continued its tradition of hosting meetings on Mondays and Thursdays. The 7th grade through 12th grade members spend time either playing games (computer, console, or board and table top), debating what the value of certain words are, or just relaxing and hanging out.

LIFE IS
A GAME,
PLAY IT!

ROX: Ruling Our Experiences

ROX (Ruling Our Experiences) is the National non-profit leader on programming, research and education focused on girls. Their mission is to create generations of confident girls who control their own relationships, experiences, decisions, and futures.

NATIONAL HONOR SOCIETY

This year, our National Honor Society members made a powerful impact through service, leadership, and scholarship. Students volunteered at a wide range of community events and organizations, including the Christkindlmarkt booth set up and tear down, Ice Skating Rink, Christkindlmarkt Open Ceremony Dinner, St. Benedict's Brewery and Fish Fry, St. Anthony Fireman's Fest, Soup Kitchen, and cleaning bleachers after football games. They also supported youth camps, church picnics, parking spot repainting with Student Council, school landscaping, Anderson Woods, concessions, FP Girls Basketball Club Registration, the 4-H Fair, Celestine Streetfest, St. Henry Fest, Heimatfest, Dubois County Humane Society, and Vacation Bible School. To become a member, students in the Class of 2027 must maintain a 3.6 GPA, complete 10 volunteer hours during the summer before induction, and volunteer 10 hours each semester through graduation. Each year, the club also fundraises at Christkindlmarkt and completes a group service project in the spring. Our NHS members continue to inspire with their dedication to service and commitment to our school and community.

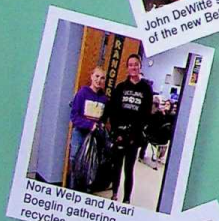

Avery Hill assisting the nursing home patients .

Haley Pund hands Addison Mehling her Beta club certificate.

John DeWitte stands in front of the new Beta Members.

Nora Welp and Avari Boeglin gathering recycles.

Adalyn Luebbehusen and Nora Welp assisting paper pick up.

Nora Welp and Leigha Nord giving a helping hand.

COMMUNITY IMPACT

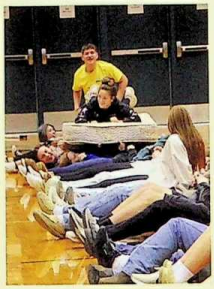

Community Impact Club is dedicated to making a positive difference in our school, community, and environment. Club members collect paper from FP recycling boxes and recycle plastic items both weekly and during basketball games. They also choose and participate in a variety of service projects throughout the year. Occasionally, the club helps at events to raise funds for donations to organizations in need. This year, Community Impact organized an Earth Day Recycling Challenge, giving students a chance to compete in eco-friendly activities. Congratulations to the senior class for winning the recycling challenge, and to Paloma Barrigas Rodriguez for guessing the correct number of bottle caps!

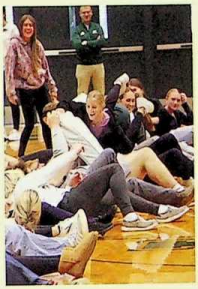

Thank you to Mrs. Lavina Begle for sponsoring and supporting the club's efforts.

Student Council

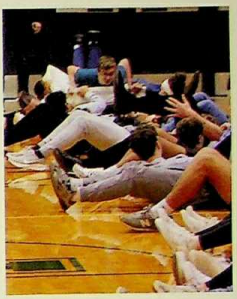

This year, Student Council welcomed two new advisors, Jaxon Cronin and David Lusk. Highlights included energetic spring and fall pep sessions, creative dress-up days, and a fun-filled Dress Down December.

Mattress Surfing

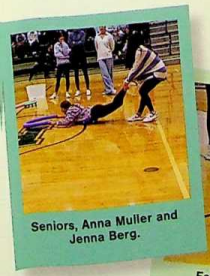

Santa, aka Kyle Schlachter, hands out candy canes to the student body.

Greetings from our Academics

When Sweating is Good, but Deodorant is Better

Physical Education

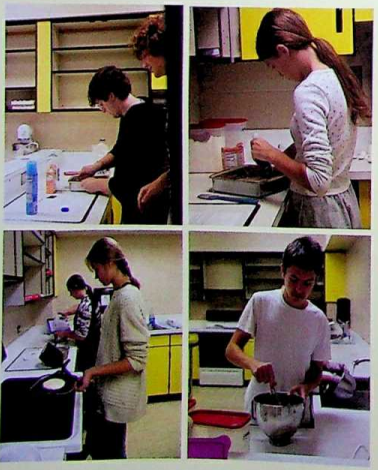

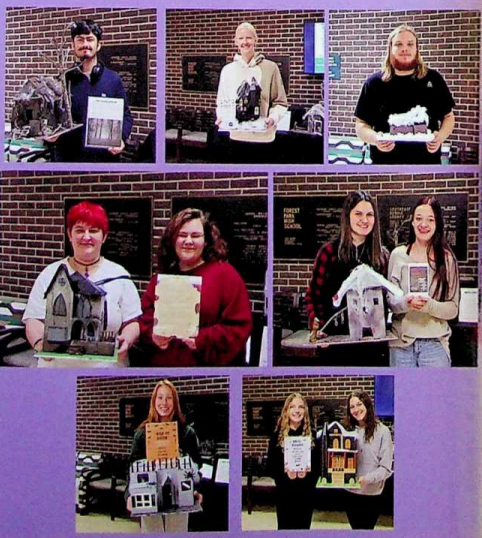

This year, our Physical Education program focused on building lifelong fitness, teamwork, and sportsmanship. Students participated in a variety of activities, from classic team sports to creative games. Our classes emphasized skill development, healthy habits, and positive attitudes, helping every student grow stronger both physically and mentally. We're proud of the enthusiasm and effort our students brought to every class, making this year in PE active, fun, and memorable!

Hands-on Learning

FACS classes are hands-on electives that teach essential life skills and practical knowledge for independent living, formerly known as home economics. It covers topics like nutrition, cooking, financial literacy, child development, interior design, and textiles.

Students in Principles of Interior Design spent the first nine weeks exploring different architectural styles and learning key vocabulary. For their final project, they built creative houses for a haunted village display. Using a variety of materials and embellishments, students designed and constructed every detail—from walls and windows to porches and columns—showcasing both their knowledge and creativity. The haunted village is a true testament to their hard work and imagination!

Hallo and Hola!

Spanish teacher Emily Hauser, helps Trinity Foll, during a test.

Shelby Steckler and Kinsley Gogel

German students take a field trip.

Latino Shared Day field trip.

This year, Spanish 4 students embarked on an in-depth study of Spain's rich culture—exploring its history, sampling traditional foods, and learning Flamenco dancing. They read the novel El Secuestro and researched Latin dances like salsa, merengue, and bachata, culminating in a field trip to a live show featuring authentic music and dance performances. Spanish 3 students expanded their language skills by mastering new vocabulary and tenses. They celebrated Día de los Muertos by creating vibrant papel picado, immersed ourselves in the La Catrina video series, and looked forward to a festive Cinco de Mayo celebration.

Let's Get Chemical

Our science classes offer hands-on activities and engaging labs that bring concepts to life. Mrs. Wolf incorporates zSpace computers to help students explore atoms and molecules in 3D, and she provides exciting demonstrations to keep learning fun and interactive all year long. She teaches Chemistry, AP Chemistry, Earth and Space, and Integrated Chemistry and Physics.

Mr. Lusk teaches Biology, AP Biology, and Anatomy and Physiology. He enjoys giving students opportunities to build new skills that prepare them for the future, and he values discussions sparked by students' curiosity, encouraging them to dig deeper into the material.

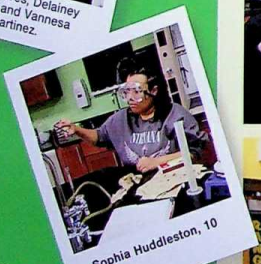

Juniors, Madelyn, Crowley and Kendall Schnarr.

Jensen Phillips, 10

Sophomores, Delainey Auffart and Vannesa Martinez.

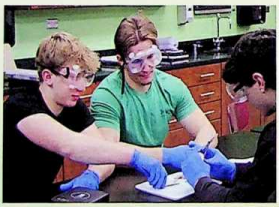

Sophia Huddleston, 10

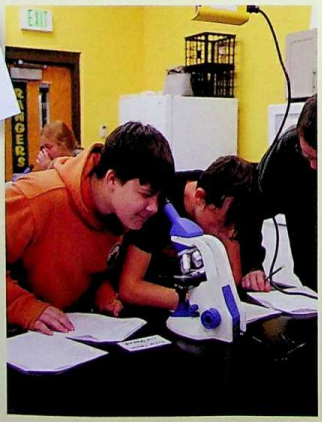

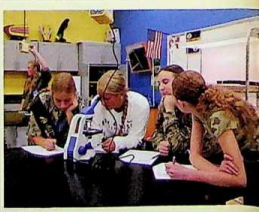

Sophomores, Bralyn Messmer and Jaden Hopf.

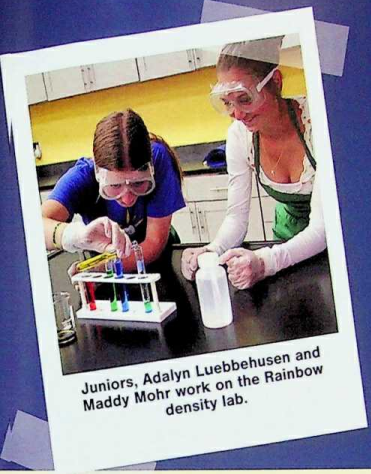

Juniors, Adalyn Luebbehusen and Maddy Mohr work on the Rainbow density lab.

Plant & Soil

Students learn how soil sustains plant life through nutrient cycling, water management, and organic matter.

Jace Wright, 10

Ava Verkamp, 12

Bailey Anderson, 12

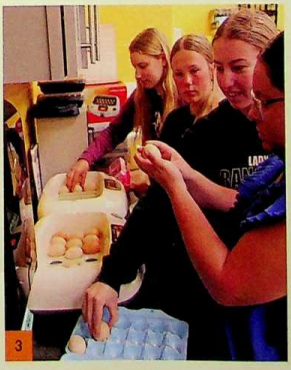

1

Animal Science is a hands-on class where students learn what it really takes to care for and manage animals. From nutrition and health to behavior and handling. It's a class full of real-world experiences and problem-solving.

Plant & Soil Science gets students digging into how plants grow and what makes soil come alive. Through projects, labs, and field activities, students explore everything from plant care to crop production. It's an interactive class where science meets the real world, giving students the chance to grow, experiment, and see agriculture in action.

Fabricate, Build, Create

Welding and Woods Class

Caleb Sickbert, 9

Keegan Betz, 10, Izak Meyer, 11

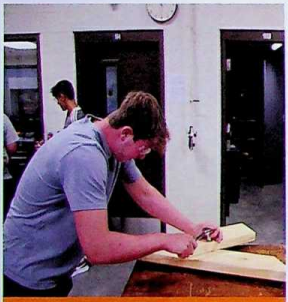

Wyatt Tipton, 9

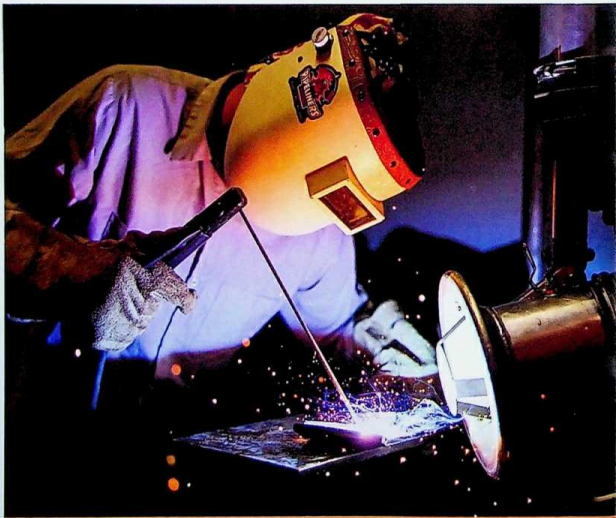

Kaden Boeglin, 9

Ryles Gogel, 12

Drew Eckert, 11

Lucas Grieshaber, 12, is welding on a piece of metal, using specialized equipment to fuse materials together and practice essential fabrication skills.

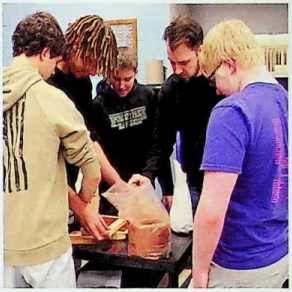

Mackenzie Jacob, 11

Mr. Stenftenagel teaches Principles of Welding Technology and Agriculture, Structure and Technology. Students in his classes are able to earn free college credits and have the opportunity to participate in more rigorous projects and labs and learn how to weld and build things out of wood.

Mr. Daunhauer teaches Engineering Design, Principles of Engineering, Civil Engineering and Architecture, and Automotive Service. In his classes, students have the opportunity to work on real-world projects, develop creative problem-solving skills, and learn the fundamentals of engineering and automotive technology. Whether they're designing innovative structures, constructing architectural models, or working hands-on in the automotive lab, students gain valuable experience that prepares them for future careers. Mr. Daunhauer encourages teamwork, critical thinking, and curiosity, creating a classroom environment where students are inspired to push boundaries and explore new ideas.

Mr. Daunhauer's CEA students build a framing module.

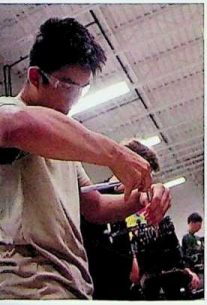

Mr. Daunhauer's POE class pack sand for molds.

Mr. Daunhauer took two of our FP teams to the CTIM Challenge at VUJC, where students faced off with local teams in industry-designed challenges for cash prizes. Both teams excelled—placing in multiple events and earning 1st and 3rd place overall! success!

Fine-Tuning the Future

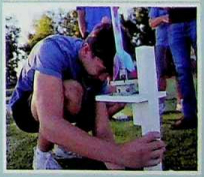

Mr. Daunhauer, shows students how to put together a piece of machinery.

Principles of Engineering students put their knowledge of kinetics and kinematics to the test! They used CAD to map out flight paths and predict trajectories. Then, it was launch day—students tested their calculations, aimed for their targets, and gathered real-world data to analyze rocket velocity. Hands-on learning in action!

Painting Memories

Students in our art classes make art, study art history, and learn design, deepening their understanding of art. Art education is tied to better academics, critical thinking, creativity, and engagement. Studio classes are hands-on, while art history explores key periods. Students learn to analyze and critique art. Additionally, art classes help students grow by showcasing their work in art shows.

Math and Technology

Max Carpenter, 12

Juniors, Kenley Frick and Kali Mohr

Grace Englert, 12

This year, our Math Department challenged students with real-world problem-solving, collaborative projects, and hands-on activities that built strong foundational skills and confidence. In Technology, students participated in our Chromebook Repair Lab, learning valuable technical skills by diagnosing and fixing devices used throughout the school. This hands-on experience not only taught practical repair techniques but also encouraged teamwork and responsibility. Together, these programs inspired curiosity, empowered learners, and prepared students for success in and out of the classroom.

Jazzmyn Cummins, 12

Kate Pund, 12

Mrs. Prechtel's Advanced Composition students presented their argumentative presentations. They showcased persuasive techniques and sharpened their critical thinking by identifying and avoiding logical fallacies. We are proud of their hard work and growth!

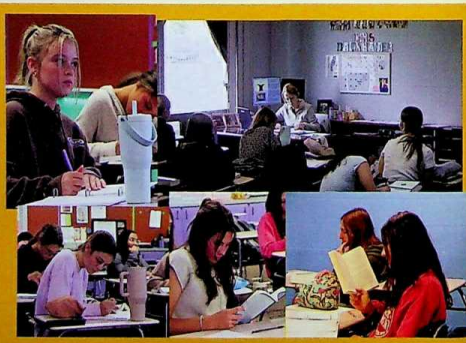

English

Today a Reader, Tomorrow a Leader

Romeo & Juliet

The freshman class performed an exciting fight scene from Romeo and Juliet, bringing the classic play to life with energy and teamwork. Their creative performance was a memorable highlight of the year.

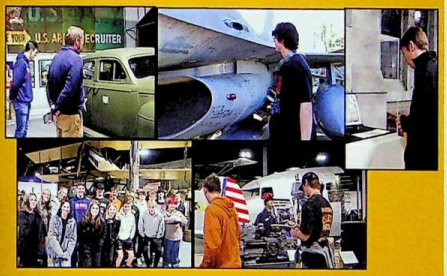

The Glass Castle

Mrs. Daunhauer's sophomore English classes dive into Jeannette Walls' memoir, *The Glass Castle*. Students brought the story to life with creative one-pager projects, showcasing their insights and artistic interpretations. The unit wrapped up with a special viewing of the film adaptation, giving students a chance to compare the book and movie in a memorable culminating experience.

Social Studies

Every Generation Creates It's Own History

Mr. Hagedorn took his students on an exciting field trip to the Indiana Military Museum. After touring the main museum, students walked through a mock trench to experience its size and setting—a great spot for a group photo! Along the way, they discovered impressive tanks, creative scenes of life in the barracks, and exhibits showing what the homefront was like. It was a memorable day of hands-on learning and history!

Social studies and history classes help students understand United States, and world history, government, economics, and current events. Our teachers are dedicated to exploring the lives of influential people and key events that have shaped our world, while providing valuable background knowledge about different places and cultures.

Bringing Democracy to Life: Seniors Experience Voting Firsthand with Local Election Leaders

Mr. Keller's classes brought the privilege and responsibility of voting to the classroom. We were excited to have Amy Kippenbrock representing Dubois County Clerk and Tanner McIntosh (Regional Outreach Facilitator) representing the Indiana Secretary of State Diego Morales, visit to engage with our students. The session was very hands-on: our seniors were registered to vote for the 2026 midterm election (Indiana law allows them to register early if they'll be 18 by then), and they had the chance to interact with the democratic process firsthand. This included a demonstration of the Indiana Microvote machine used in local elections, which the students were then allowed to try out themselves. Our goal is to ensure students understand that this is a fundamental right of American citizenship.

RANGER COUNTRY

Senior Award Blanket Winners

Riley Hinson

Riley Hinson is the daughter of Rachel and Karl Hinson. She was a three sport athlete throughout high school. She participated in cross country (lettered 4 years), soccer (lettered 4 years), cheerleading (lettered 1 year), basketball (lettered 2 years), track (lettered 4 years). Riley was a member of the FP Athletic Council, National Honor Society, BETA, Student Council, and Students Against Destructive Decisions. She was a member of the Sectional Championship soccer team her junior and senior year. Riley advanced to Cross Country Semi-state Freshman year, Regional sophomore year, State junior year and Regional senior year. She earned 1st Team PAC honors all four years of cross country. Riley was also named a 2A All-State Honorable Mention for cross country. She was on the PAC championship track team her Freshman year. Riley advanced to the State Track and Field meet all 4 years of high school. She also earned PAC individual honors all four years with different events such as pole vault, 400, 4X100 and 4X400 meter relays. Riley was individual sectional champion in pole vault (Freshman year), 4X100 (sophomore year), 400 (junior year), and 4X400 (senior year). Riley currently holds the school record in the pole vault. Other awards received include All-District Cross Country, Academic All-State Cross Country and Soccer, Mike Zehr Official's scholarship, Mary Kay Ruhe Senior Female Athlete Blanket, and Honors Diploma Scholarship. Riley plans to attend Purdue University to major in elementary education.

Jaxon Lueken

Jaxon Lueken is the son of Nate and Kyla Lueken. In his 4 years at Forest Park he was a three sport athlete participating and lettering in football, basketball, and baseball all four years. Jaxon was an academic all PAC athlete in each sport every year. He received PAC team titles in football and baseball every year. Jaxon was an IFCA All-State recipient in football his sophomore year and was selected as a North/South All-Star his senior year of baseball. He was a part of the sectional championships in basketball all 4 years and regional wins his sophomore and junior years. Jaxon has several individual recognitions in football, baseball, and basketball throughout his career. Along with his sports commitments, he was a member of BETA, SADD, National Honor Society, and the Athletic Council. He received the Mary Kay Ruhe Memorial Scholarship, the Jake Meyer Memorial Scholarship for baseball, the National Football Foundation Scholar Athlete Scholarship, Brenden Gutgsell Memorial Scholarship, and the Indiana University Academic and Athletic Scholarship. He plans to attend Indiana University to study Business/Finance and play baseball.

Rangers...All Together Now!

Serving up Success...

Boys Tennis has a great season!

Senior Spotlight: Alex Fischer

The Forest Park Boys Tennis team returned just three players this year, with only two in the Varsity lineup. Led by senior Alex Fischer and junior Eli Brockman, the team welcomed six freshmen and newcomer Clayton Roesner. Freshmen Miles Rea, Jace Brockman, Jace Betz, and Drew Fischer played key Varsity roles. The main lineup featured Miles, Jace B., and Jace Betz in singles, with Alex/Eli and Clayton/Drew in doubles. Alex and Eli finished with a 13-4 doubles record. After a strong 8-3 start, the Rangers ended the season 8-8, falling to Jasper in Sectionals. Despite losing most of last year's Varsity, Coach Hochgesang was proud of the team's progress and looks forward to next season. The Rangers finish their season 8-8 with a brand new lineup from last year, and hope that this year is a learning year for the years to come with the inexperienced FP lineup. End of season awards were: MVPs, Alex Fischer & Eli Brockman; Most Improved, Miles Rea; Mental Attitude, Clayton Roesner; Coaches Award, Alex Fischer; First Time Letter Winners; Jace Betz, Miles Rea, Jace Brockman, & Drew Fischer.

Miles and Smiles

The boys cross country had another successful season.

Freshman Xavier Berg looking strong as he passes two guys.

Senior Owen Troesch made his way out of the woods and heads to the finish line.

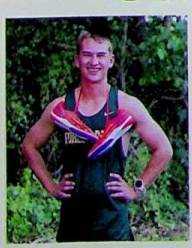

From Left to right: Coach Chris Atkins, Xavier Berg, Camden Cole, Marcus Berg, Owen Troesch, Bailey Anderson.

Seniors

Owen Troesch

Camden Cole

The 2025 Forest Park Cross Country team was led by two outstanding seniors, Owen Troesch and Camden Cole, whose leadership and dedication set the pace for the season. Joining them were Sophomore Marcus Berg and Freshman Xavier Berg, both key contributors to the team's success. Owen and Xavier shared the role of top runner throughout the season, each finishing first for the team in several meets. Their hard work paid off as both qualified for the Regional Championship Meet, capping off a memorable year for Forest Park Cross Country. Marcus and Camden also had impressive seasons, lowering their personal-best times in the 5K and showing tremendous growth throughout the year. Overall, the team's effort and determination—both in practice and in competition—made this season one to be proud of.

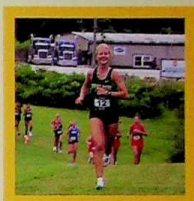

Run, Sweat and Tears

Bailey Anderson

End of Season

The 2025-2026 Forest Park Girls Cross Country team was led by seniors Riley Hinson and Bailey Anderson. Hinson paced the Lady Rangers in every race she competed in during her final three seasons, while Anderson served as a manager after injuries limited her junior and senior years. The team also included sophomores Kendal Gehlhausen, Kendall Fischer, Delainey Auffart, and Paloma Barrigas Rodriguez, along with freshman Addi Evitts. The Lady Rangers finished the season with a 29–44 record, narrowly missing qualification for Regionals as a team. Individually, Hinson and Gehlhausen advanced to the Regional Championship. End-of-season honors included Hinson earning Most Valuable Runner, Gehlhausen receiving the Mental Attitude Award, Auffart and Gehlhausen named Top Academics, Fischer earning Most Improved, and Evitts recognized as Top Underclassman and Practice Queen.

Season Results:

The 2025 season was one to remember, as the team finished with an impressive 13-5 overall record and went 9-2 in PAC play. Highlights included capturing the sectional championship for the second consecutive year and tying for 2nd in the conference. The team's defense was outstanding, recording 11 shutouts while outscoring opponents 62-16. Four players earned All-Conference honors, with two named to the PAC First Team and two to the Second Team. Each new season brings fresh faces and new challenges, and the future looks bright for this talented program.

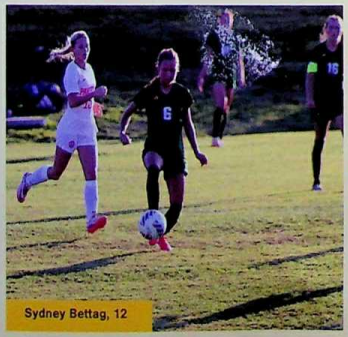

End of season awards were: Paige Memmer (Golden Foot); Ellie Meunier (Most Improved); Anna Muller (MVP); Amelia Widolff (Mental Attitude); Haley Pund (Defense).

SEASON STATS

The Forest Park Football team finished 3-7 this year. We won the border bowl for the 3rd consecutive year. Though the record does not indicate success, there were a lot of younger guys who got meaningful playing time, and hopefully this can translate in years to come. Just as in life, there are going to be trying times, and these boys handled those times with class and determination. I am thankful for this year's seniors: Davin Pund, Will Steckler, Jaxon Lueken, and Carson Jacob. Their leadership and dedication helped continue the framework for the program.

Award Winners: Mental Attitude, Anden Uebelhor; Most Improved, Justus Groeger; MVP, Hudson King; Best WR, Cam Lueken; Best OL, Nathan Verkamp; Best DL, Riley Begle; Best RB, Will Steckler; Best LB, Will Steckler; Best DB, Jaxon Lueken; Special Teams, Hudson King; Most Tackles, Hudson King; Ranger Award, Will Steckler.

Varsity volleyball has outstanding season

This season, Forest Park's varsity volleyball team had the best season they've had in over 20 years. There were records broken, winning streaks, and lots of great memories made. We ended the season with a 22-7 record, 9-3 in the PAC The Lady Rangers had a 14 game win streak, and were Crawford County tournament champions. This year, we saw so much growth both physically and mentally, gained confidence, and shared a deep love of the game. Several girls on the team stepped up as leaders and truly everyone came together to work hard and have fun as a team. It was a year of rebuilding, and we did exactly that. We built a foundation for Forest Park volleyball to stand on for years to come!
End of season awards were: MVP, kills, digs, serving % and aces, Madeline Tuggle; Assists, Natalie Thompson; Blocks, Avery Hill; Mental attitude and teammate award, Mya Wehr.

Season Overview

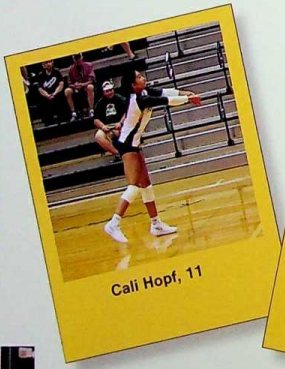

The volleyball team wrapped up the season with a 10-12 record, but the numbers only tell part of the story. This year's squad demonstrated remarkable growth, resilience, and versatility on the court. Many of their losses came in hard-fought three-set matches against teams they haven't traditionally competed with, highlighting their competitive spirit and development. Statistically, several players stood out. Anelle Warren led the team with 85 kills, 20 blocks, and 28 aces. Lexi Berg was close behind in kills with 81. Brylee Longabaugh dominated at the service line with 101 serving points, while Madelyn Ferguson anchored the defense with 172 digs. Myah Jamniczky set up her teammates with 134 assists.

Season Overview

The bowling team rolled through another impressive season, showing growth and determination at every match. Each player focused on improving their consistency and perfecting their technique, making steady progress as the season went on.

Senior Kale Wissel reflected, "I started bowling as a sophomore, and my most memorable moment was scoring a 213. This year, I loved celebrating strikes with the team. I improved my consistency with ball release, and Ryles and I were always known as Beavis and Butthead. What a fun season!"

Senior Ryles Gogel shared, "I started bowling my freshman year, but my favorite memory was during junior year when the team went out for Mexican food. Kale Wissel ordered so much they brought him seven plates—and he finished them all!"

It was a season full of strikes, laughs, and memories.

Play Hard, Win Proud

Rangers make it a 5-peat Sectional Season

The Rangers battled a great deal of injury adversity from start to finish this season. Despite the circumstances, they were able to capture a school record with their 5th consecutive Sectional championship by defeating Evansville Mater Dei. FP finished with a 13-14 record, but competed against the top ranked schedule in 2A for public schools. They were able to get great contributions sophomores, juniors, and seniors this season due to the experience gained throughout the regular season. The Rangers were able to get a signature win over ranked 3A opponent Boonville on their way to closing the season winning 6 out of their last seven games before falling in the Regional to Austin High School. Kamdon Partenheimer led the way in most statistical categories, but received key help from multiple other contributors such as Grant Fleck, Dee Finch, Hudson King, and Talan Blessinger in the tournament.

Senior Spotlight

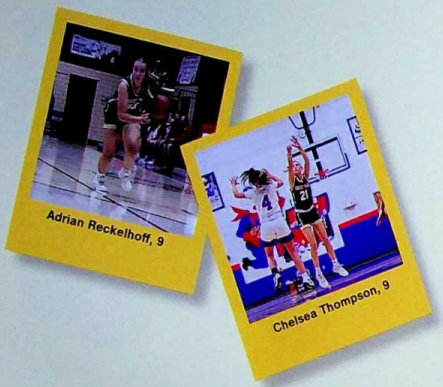

Lady Rangers have a winning season

The Lady Rangers had a great season. They ended with a record of 13-10 and were able to have multiple players in double digit scoring in several games. Coach Berg said he was very pleased with the progress the team made over the course of the past year. The team achieved several big wins and finished the season with a winning record. They have a strong core of returning players and excellent depth heading into next season. The coaching staff is excited about the potential our FPGB program has going forward. End of season award winners were: Rebounds, Blocks and Defense: Avery Hill; Steals - Ellie Meunier; Deflections and Charges - Claire Warren; Assists - Bree Howard; 3 point percentage leader and Mental Attitude - Jenna Berg; 2 pt field goal percentage leader and Offense - Mollie Combs; and Most Improved - Bailey Begle. Avery Hill broke the blocks record this season with a total of 64.

Unstoppable Force

JV Girls Basketball Team Shines This Season

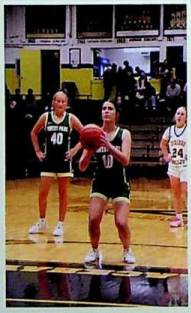

Back row: Coach Berg, Coach Pund, Anelle Warren, Makenna Morrison, Kendal Gehlhausen, Ava Mohr, Alivia Hoppenjans, Leigha Nord, Adrienne Reckelhoff, manager Bailey Anderson, Coach Combs, Coach Hasenour.
Front row: manager Anna Muller, manager Callie Schuetter, Tenley Blessinger, Chelsea Thompson, Ellie Meunier, Lily Muller, Haley Jahn, manager Kynlee Schuetter.

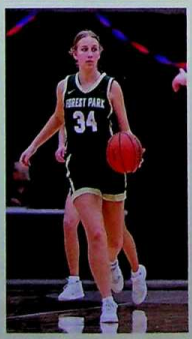

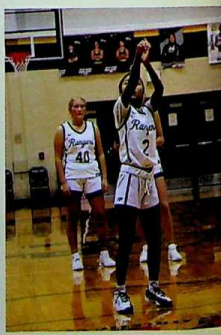

JV Season Recap

The JV Girls Basketball team had an outstanding season, finishing with an impressive 16–2 record. Their hard work paid off in several exciting victories, including big wins over Jasper, Mater Dei, and Gibson Southern. More than just the record, this season was defined by the girls' commitment to one another, their competitive spirit, and the fun they had along the way. It was a season to be proud of and one that set a strong foundation for the future of our program.

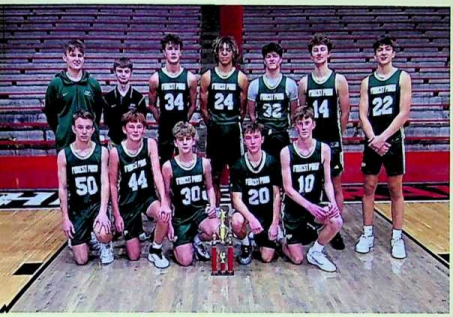

Heart and Hustle

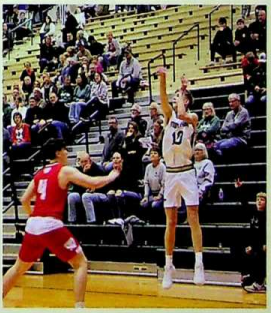

JV Boys Have a Winning Season

Back row: Mason Winkler, manager Colton Osborn, Reid Fleck, Braydyn VanWinkle, Parker Wolf, Talan Blessinger, Cash Laake.
Front row: Reid Mehringer, Gavin Sickbert, Conner Rahman, Bryce Jahn, and Miles Rea.

The JV team wrapped up the season with an impressive 15-7 record. While the results show success, this year was anything but typical. Injuries on the varsity squad meant frequent changes for our JV lineup, often requiring players to step up in new roles, sometimes playing just a quarter or two instead of the whole game. Despite these challenges, the team showed resilience and adaptability. Highlights of the season include capturing the Baird Classic championship to kick off the new year and pulling off a hard-fought win against Mount Vernon with a short-handed roster. "I'm incredibly proud of how our players rose to every challenge and supported each other throughout a unique and memorable season," said Coach Phil Winkler.

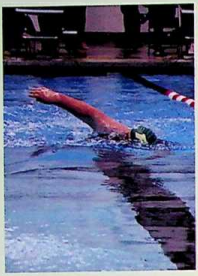

Making Waves

"Life In The Fast Lane"

Our small but mighty swim team made waves this season, achieving countless personal bests and creating unforgettable moments in the pool. Senior Jacob Keller provided steady leadership throughout the year, while juniors Caiden Beck, Lance Boeglin, and Emma Schroering fueled our team's drive and spirit. Sophomore Marcus Berg's determination earned him the title of Boys' Most Valuable Swimmer, and freshmen Ellixon Kieper-Fiocco and Estella Merkel brought fresh energy to the team—Ellixon was recognized as Practice King, and Estella was honored as Best Underclassman. Additional awards included the Boys' Mental Attitude Award for Caiden Beck and Most Improved for Lance Boeglin, while Emma Schroering was named Girls' Most Valuable Swimmer. Despite our small roster, our swimmers displayed tremendous heart, perseverance, and support for one another every step of the way. Congratulations to all on an outstanding season!

Own the mat!

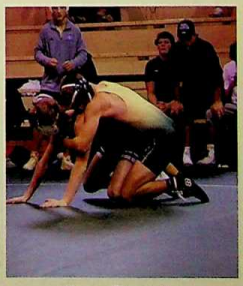

As a team, we finished 913 overall and placed 2nd at both the North Knox Invitational and the FP Invitational. Individually, we had champions at the North Knox Invitational in Colson Healy, Jace Wright, Clayton Roesner, and Izak Meyer, and at the FP Invitational, our individual champions were Eli Brockman, Clayton Roesner, and Izak Meyer. In PAC, three wrestlers placed on the podium: Ayden Stenftenagel and Tucker Weyer finished 6th, while Clayton Roesner finished 2nd. At the state tournament, Clayton Roesner and Hunter Osborne were our two Regional Qualifiers, with both falling just short of advancing to Semi-State. Clayton Roesner had a standout season, earning Most Pins, Most Takedowns, and Team MVP honors. Additional team awards included Eli Brockman receiving the Captains Award, Izak Meyer being named Most Improved, and Owen Troesch earning the team's Warrior Award.

Seniors

The 2025-2026 dance season was unforgettable! Our team went undefeated in both Pom and Hip Hop, earning State Champion titles in each. We also brought home the bronze medal in Kick. From energizing the crowd at basketball games to hosting a successful dance clinic, the team gave their all every time they took the floor. The IHSDTA season was a highlight, filled with growth and camaraderie. Special thanks to our seniors for their outstanding leadership and dedication. Proud doesn't even begin to describe it!

The Faster You Run, The Quicker You Get Done

The 2026 Lady Rangers Track & Field season was defined by grit, determination, and a relentless pursuit of the podium. Finishing the year with an impressive 46-9 record, the team proved to be a dominant force in every arena they entered. The Lady Rangers consistently rose to the occasion during championship season, securing hard-fought second-place finishes at the Forest Park Invitational, the Frosh-Soph Invitational, the PAC, and the Sectional meet. This collective effort paved the way for a historic postseason, where 10 athletes advanced in 11 different events to the Regional meet. The season reached its pinnacle when Riley Hinson and Ellie Meunier qualified for the State Finals, representing the program among the best in Indiana. The team gathered for their annual banquet to celebrate these achievements and honor the individuals who led the charge. Avery Hill was recognized as Most Improved, while Paige Memmer was named Most Valuable Thrower. The prestigious Ranger Award was presented to Olivia Wehr for her leadership and spirit. Kendal Gehlhausen earned the title of Most Valuable Distance runner, while two standout athletes shared the spotlight as team MVPs: Riley Hinson, who was also named Most Valuable Jumper, and Ellie Meunier, who was honored as Most Valuable Sprinter. The program also welcomed manager Addison Andry as a First Year Letter Winner.Beyond the scoreboard, the 2026 squad etched their names into the school record books with several Top 10 all-time performances. Avery Hill (4x400 relay), Claudia Ebert (4x400 relay), and Callie Hopf (pole vault) all secured their places in history. State finalists Riley Hinson and Ellie Meunier further cemented their legacies, with Hinson ranking in the Top 10 for the 400, 800, 4x100 relay, 4x400 relay, 4x800 relay, and pole vault, and Meunier ranking in the 100, 400, 800, and 4x400 relay. The Lady Rangers also demonstrated that they are true student-athletes, as Paige Memmer and Olivia Wehr earned All-State Academic Honorable Mention honors. The depth of the roster was further highlighted by the members of the Point Getter Club, which included Riley Hinson, Ellie Meunier, Avery Hill, Ava Mohr, Kendal Gehlhausen, Claudia Ebert, Felecia Eckert, Mallory Morrison, Delainey Auffart, Kendall Fischer, Paige Memmer, Jalyn Schulz, and Addi Evitts. Congratulations to the Lady Rangers on an outstanding season of growth, record-breaking performances, and unwavering Ranger pride.

BOYS TRACK

The boys track season began with seven athletes but grew to 12, with every athlete contributing points. The young squad—five freshmen, four sophomores, one junior, and two seniors—improved from last year with better performances in six events including the 400M, 800M, 4x400M, Long Jump, Discus, and Shot Put. The team returns five of its top seven scorers, including four freshmen. Team captain Owen Troesch broke the 5:00 mile mark at sectionals with a time of 4:59.42, placing 7th in a competitive field after posting a 5:00.87 at the PAC Conference Meet. Freshman Caleb made an unforgettable postseason run in the discus, advancing from sectionals (144'0", 2nd) to regionals (151'8", 3rd) and state (145'11", 26th). As the second-highest placing freshman at state, Caleb out-threw his seed at each stage. In the shot put, he posted a season-best 50'4.5" at regionals to finish 4th, narrowly missing state. His combined performances placed the team 22nd at regionals. Thanks to the fans who traveled to Evansville and the community that supported the send-off parade in Ferdinand.

RANGERS CAPTURE FIRST-EVER SECTIONAL CHAMPIONSHIP!

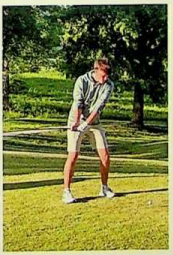

The Forest Park Rangers made history by claiming their first Sectional Championship while setting yet another 18-hole school record with an incredible team score of 299! Even more impressive, the 299 is the lowest team score recorded at the Jasper Sectional in the last 14 years. Leading the way were seniors Xander Fleig and Collin Lorey, who each fired outstanding rounds of 73, the low scores of the tournament. Fleig would later capture the title of Individual Sectional Champion after defeating Lorey in a sudden-death playoff. The Rangers also received a huge performance from Maddox Geyer, who shot a career-low 75, while Ben Rasche delivered another strong round with a 78. Freshman standout Miles Rea, considered one of the top freshmen in the area, rounded out the scoring with an 86. The Rangers came up 10 shots short of advancing to the State Finals in the incredibly competitive Washington Regional. Castle Knights Boys Golf captured the Regional title with a 291, followed by Bloomington South Panthers Boys Golf at 295 and Evansville Memorial Tigers Boys Golf at 299.

Bottom Row: Natalie Thompson, Leigha Nord, Claire Warren, Mollie Combs, Maren Kallestad, and Bree Howard

The 2026 Forest Park Softball season was one for the record books, marking the most dominant offensive performance in the program's 29-year history. The Lady Rangers finished the year ranked second all-time in team batting average, hits per game, on-base percentage, slugging percentage, and total RBIs. The team's scoring power was relentless, ranking third all-time in runs per game (7.91) and home runs per game, while also securing the fourth-highest totals for home runs and stolen bases in school history. The Rangers' explosive bats also made an impact at the state level. The team set a new Indiana state record for the highest single-game team batting average, hitting .645 against Springs Valley. Against South Spencer, the squad tied for third all-time in the state for home runs in a game and secured the fourth-highest total bases. They also recorded the seventh-highest total bases in a game against North, while Leigha Nord etched her name into the state records with the tenth-most triples in a single season. Individual excellence was celebrated at the annual banquet, led by Player of the Year Rheyse Fleck. Leigha Nord earned both the Batting and Pitching Awards, while Claire Warren took home the Golden Glove. Other key honors included Mollie Combs (Mental Attitude), Ella Hagedorn (Most Improved), and Amelia Widolff (Best Teammate). Conference recognition followed, with Mollie Combs earning PAC All-Conference 2nd Team honors, and Claire Warren and Leigha Nord receiving Honorable Mentions. The Lady Rangers were equally impressive in the classroom, earning Team Academic All-State honors. Individually, Kaelyn Backer and Rheyse Fleck were named Academic All-State Honorable Mentions. From record-breaking state performances to academic accolades, the 2026 season set a new standard of excellence for the FP Softball program.

Season Summary

The 2026 season tested the Rangers like few before. After opening with six straight losses against one of the toughest Class 2A schedules in the state, the team fought back to win 13 of their last 21 games—a turnaround built on grit, not luck. Three seniors led the charge: Jared Burger, Grant Fleck, and Jaxon Lueken, whose leadership and commitment over four years have helped establish a tradition that will continue long after they've graduated. While the season didn't end the way the team had hoped, this group's resilience and refusal to quit made 2026 one to remember. Award winners included Hudson King (Player of the Year and Silver Slugger), Jaxon Lueken (Pitcher of the Year and ERA Award), Jared Burger (Gold Glove), Grant Fleck (Mental Attitude), and Riley Begle (Most Improved).

"Rangers Rule the Court: 12-5 Season of Excellence"

The girls tennis team served up an unforgettable season, finishing with an impressive 12-5 overall record and an 8-4 run in conference play. Led by Coach Meredith Helming the varsity squad—consisting of Addison Schneider, Sydney Berger, Jenna Matthews, Bree Morrison, Anna Jahn, Abba Collignon, and Kenley Schipp—demonstrated outstanding chemistry and determination as they prepared for sectionals. The team also proved to be champions in the classroom, earning Academic All-State Team honors with an exceptional 3.947 average GPA.

The varsity awards celebrated the dedication and spirit of this remarkable group. Senior Addison Schneider took home MVP honors after playing the hardest varsity position for three of her four years on the team and improving her record to 10-7. Addison also earned the Mental Attitude Award for her exemplary court etiquette, alongside an individual Academic All-State nomination for her rigorous academic achievements. Kenley Schipp was named Most Improved after transforming her game through tireless late-night practices, while Bree Morrison earned the Ranger Spirit Award for her exemplary leadership and helpful initiative. Adding to the varsity success, Jenna Matthews and Nora Welp were proudly awarded their first varsity letters.

The future of Ranger tennis remains incredibly bright with a strong Junior Varsity squad, led by Coach Emma Grundhoefer. Nora Welp earned the JV Ranger Spirit Award for her positive attitude and hard work, while Savannah Scherzer took home the JV Mental Attitude Award for her dedication and complaint-free work ethic. Addison Hochgesang was named JV Most Improved for her outstanding overall growth throughout the season. Coaches Helming and Grundhoefer are incredibly proud of all the players' hard work and sportsmanship. Congratulations to the Rangers on a fantastic season!

JV Softball: Building for Tomorrow

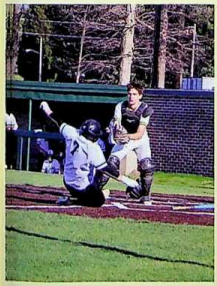

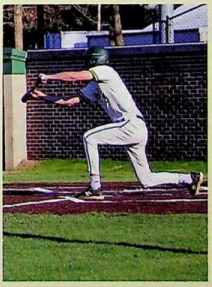

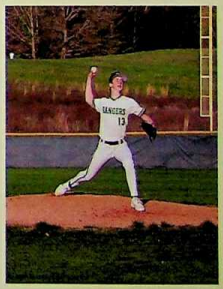

The Forest Park JV softball team finished 2–7, but the record doesn't tell the whole story. These young ladies showed tremendous growth, resilience, and determination all season. They embraced every challenge, improved each week, and never stopped competing—several close games proved just how far they came. Watching each player gain confidence, develop her skills, and learn the value of teamwork was incredibly rewarding. Their positive attitudes and support for one another made this season a success in ways wins and losses can't measure.Team award winners: Pitching – Adrian Warren, Hitting – Madelyn Ferguson, Golden Glove – Adrian Warren, Most Improved – Lily Muller.

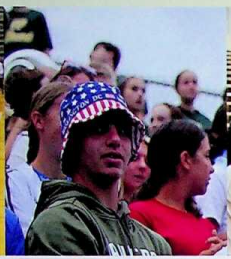

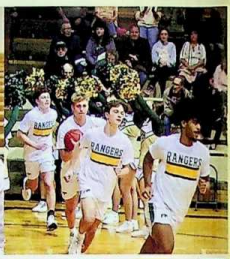

JV Baseball: Building a Winning Tradition

The junior varsity Rangers finished the 2026 season with a 3-7 record, but the numbers don't tell the whole story. This young squad faced varsity-level competition and used every game as a chance to develop. With players gaining valuable experience and building chemistry, the foundation is being laid for future success. The progress made this season will pay dividends as these athletes move up the ranks.

"Our Feet Told the Story"

On December 19, Forest Park celebrated its annual winter dance at the St. Anthony Community Center. Students arrived dressed to impress in elegant dresses and sharp shirts and ties, ready for an unforgettable evening. Countless photos were snapped to capture the laughter and excitement as friends danced the night away to music spun by a lively DJ. The 2026 Holiday Ball was more than just a dance—it was a night of cherished memories that will last a lifetime.

Catch Me If You Can

"It's not what a man has but what a man is that's important."

Once again, the FP Drama Department wowed audiences with their adventure-filled production of Catch Me If You Can. The cast and crew dedicated countless hours from January through March preparing for another fantastic show.

Senior Gavin Winkler starred as Frank Abagnale Jr., with Jacob Keller as Carl Hanratty. Supporting leads included Ethan Goldman (Frank Abagnale Sr., 12), Sophia Bettag (Paula Abagnale, 12), Brylee Longabaugh (Brenda Strong, 11), John Dewitte (Roger Strong, 12), and Eve Gatwood (Carol Strong, 9), along with a talented ensemble and hardworking crew.

After four wonderful performances, the cast, crew, and directors are grateful for the community's support and look forward to another great year ahead. Congratulations to everyone involved!

Midnight Memories

Students enjoy a night full of fun and games

Forest Park hosted this year's Post Prom, transforming the school into an activity-filled celebration for juniors and seniors. Students enjoyed a wide range of games and competitions, including cornhole, dodgeball, volleyball, poker, a horse racing game, Cash Cab, bingo, and Plinko. Excitement ran high as participants had the chance to win amazing prizes such as mini fridges, TVs, air fryers, gift cards, couches, an inflatable kayak, an iPad, speakers, and an Apple Watch. The event kept the energy going from 11 p.m. to 3 a.m., ensuring a safe, memorable, and fun-filled night for all who attended.

Masterpieces

Annual Art Extravaganza

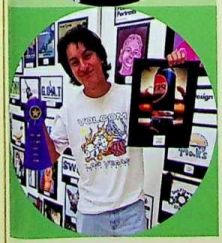

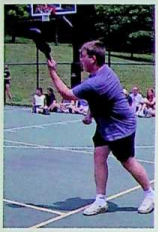

This year's Art Extravaganza celebrated creativity across our school, featuring impressive artwork alongside performances by our choir, band, and jazz band. Student art created throughout the school year was proudly displayed, and ribbons—sponsored by Psi Iota Xi—were awarded for achievement in every class, including Staff Choice and Superior awards. Congratulations to Best of Show winner Sophia Bettag (Clay Sea Life Totem) and all our class winners: Taryn Lamkin (Painting), Grace Hulsman (Drawing), Areli Martinez (Intro to 2D), Ellie Meunier (Intro to 3D), Lilly Andry (Advanced 3D), Liam Wilson (Advanced 2D), Savannah Scherzer (Graphics), Michael Davis (Photography), and Jazzmyn Cummins (Ceramics). Seniors presented special art displays, with Grace Hulsman earning the Senior Display Winner award. The Art Club hosted a popular booth, raising funds for a future museum trip. We're so proud of all our students' hard work and talent. Congratulations to everyone who helped make the night a success!

MAY MADNESS

To bring up some stress before finals week the student council hosted an afternoon full of fun. There were tons of activities to join including: a pickleball tournament, sand volleyball tournament, corn hole tournament, and a kickball tournament. Before the activities started we had lunch out on the football field. All the students showed up and had a blast.

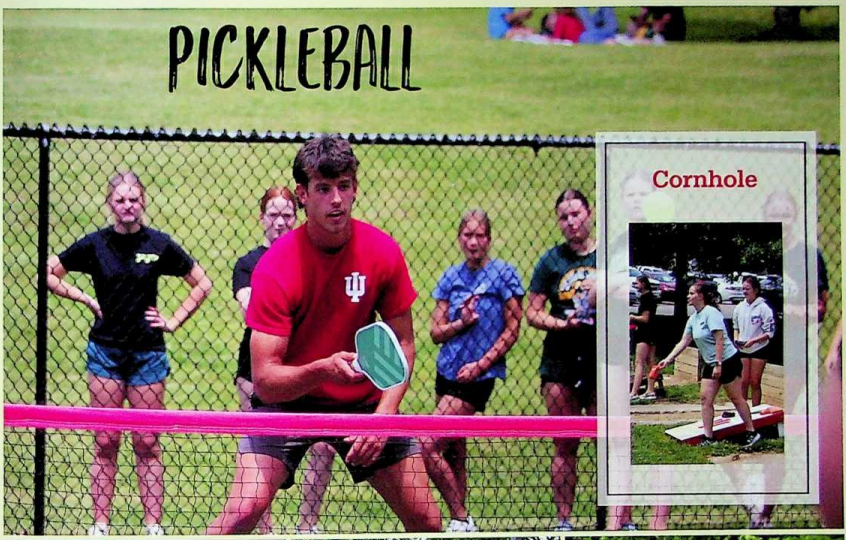

PICKLEBALL

Cornhole

— GAME ON! —

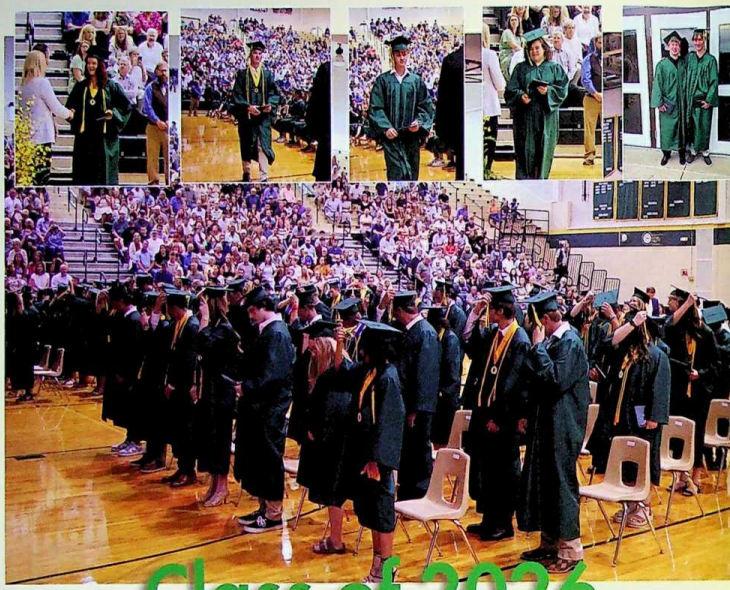

"Onward."

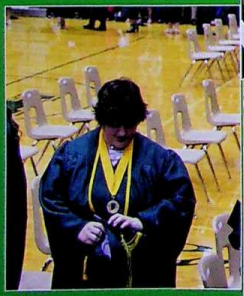

Graduation is a season of celebration. Seniors spent their final days touring elementary schools, tackling last finals, and sharing moments with friends they've known for twelve years. This year, they gathered under the stars for an overnight movie night on the football field.

On graduation day, they entered Buechler Arena one last time as Forest Park students. When they shook hands and received their diplomas, the weight lifted. Tassels moved from right to left, and they officially became the Class of 2026. Our valedictorians were Haley Pund and Addison Schneider. Our salutatorian was Liam Wilson. This class impressed with both their intelligence and their genuine care for one another. The Class of 2026 gave new meaning to the word respect.

Class of 2026

never a dull moment

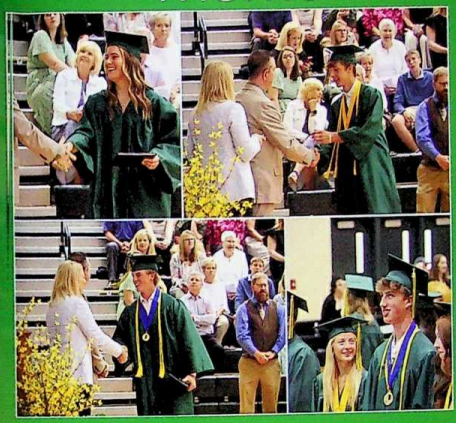

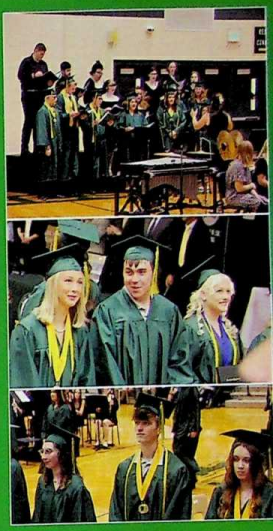

memorable moments

Brendon Anthony Gutgsell
April 22, 2008 - July 29, 2023

Brendon left a mark on our school and our lives that will never fade. He had the kind of smile that could brighten anyone's day, and he wore it often. No matter what was going on, he chose to live with joy, kindness, and a love for the people around him. Being around Brendon meant laughing a little harder and appreciating the moment a little more.

He poured his heart into everything he did. Whether he was involved in FFA, 4-H, tennis, or other sports, he showed dedication and pride. He loved helping on the farm, fishing, hunting, riding dirt bikes, and making memories with his friends and family. Those were the places he felt most at home—outside, surrounded by the people and things he loved.

This year would have been his senior year, a year full of milestones and celebrations. While he isn't walking the halls with us, his presence is still felt in so many ways. He lives on in the stories we tell, the lessons he taught us about living fully, and the love he gave so freely.

Brendon may have had only 15 years here, but the impact he made will last a lifetime. He will always be remembered, always be missed, and always be a part of us.

"So I'll cry cause it's over and smile because we had you. Packed a whole lot of living even though it ended all too soon. And in time, I'll start healing but even when I get that feeling. No matter where I go or what I do, I'll Never Not Remember You."

- Cooper Allen
