About The Cover

The 2016 cover of "The J" features a special material called Thermal Ink. It is a silkscreen ink product that is reactive to temperature. It is placed over images/designs, and as the temperature rises into the upper 70's the ink begins to become transparent, revealing the covered image/design. This could be anything from a blow dryer, to your paw/hand held on the cover to transfer your body heat. The 2015-16 yearbook staff hopes you enjoy this unique feature.

We Are **Wildcats.**

We all walk through the same front doors at school as one team, as one voice. We walk through those foreign doors as freshman, our hearts filled with excitement. We rush through the first day, hearts pounding in our chests, barely noticing the new faces that surround us. The changing of the school year marks a new chapter in our lives. We pass through each grade, with fading memories of the first day, assemblies, and classes. The first three years of high school pass by in a blur until we reach the final hurdle: senior year. For the seniors, last football games are played.

Club meetings are held for the last time.

Homecoming just becomes memories captured by pictures.

Prom becomes an epic story.

And, in the blink of an eye, it's all done.

Throughout these four momentous years we create memories. These memories can be remembered by hearing a particular song, or smelling a certain smell. And, just like hitting the pause, fast forward, and rewind buttons, we are back to the glory days.

Let's pause for a moment and rewind through the 2015/16 school year.

This year's edition of "The J" is called "Paws, Fast Forward, & Rewind." Every year we look back at the year as a whole, and this yearbook is no different. We'll pause to remember moments we want to cherish forever. Time flies by in high school already, but there's always tougher moments we'd like to fast forward through. We'll rewind to our favorite parts of 2015-16 that we want to relive over and over again. We hope you enjoy the look back and open this book when you want to be reminded of your time at Jasper High School. - Yearbook Staff

The Wait is Over

August 21, 2015 | Story by Melanie Stone

GJCS recently adopted a new way of learning with the Intel Education 2 in 1 Classmate devices. These are designed specifically for education and have the mobility of a tablet plus the performance and productivity of a laptop, hence the name 2 in 1. Students are going to now be able to use these to take notes in class, start/finish assignments, take tests and quizzes, and stay in-the-know with what's going on in their courses throughout the year. Many teachers have already made their syllabuses and/or class notes as well as some assignments available on Canvas, which is what replaced My Big Campus from last year and can be accessed from the JHS school web page. One main contributor

that went into selecting these devices was that they were multifunctional. They have the portability of an iPad, but when you snap it onto the keyboard it becomes a laptop compatible with Windows 8 technology. The most popular thing about these seems to be the ArtRage Studio, an application that came installed on the 2 in 1s that lets you create all sorts of different art pieces with every tool you could think of. These devices are very new to the students at JHS as the students are still learning all of its functions. They were rolled out to seniors on Wednesday, and the rest of the student body received theirs on Thursday. As ECoach Mrs. Kunz has pointed out, with great privilege comes great responsibility, and the staff is going to go to great lengths to make sure these computers stay safe, functional, and clean. Best of luck to anyone who might not be as tech savvy as the next guy, but this school year is sure to be great no matter what!

The Blood Drive

August 25, 2015 | Story by Megan Schmitt

Today, August 25, students of Jasper High School flooded the community room hoping to have the chance to donate blood. Just like previous years, the blood drive was, once again, sponsored by the Indiana Blood Center. During this fall blood drive there were roughly 45 students who volunteered to donate. Some were turned down due to low iron or other issues but the majority of students were able to participate. Many

of the students who participated, such as senior Kelly Keeley (pictured

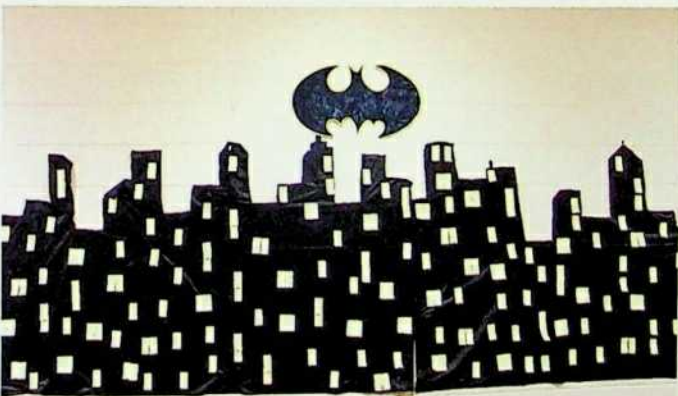

above) and junior Emily Haas (pictured to the right), were returning volunteers. Kelly Keeley stated that this year was actually her fourth year of trying to give blood. Unfortunately, she was not able to donate the first couple of times. "It's exhilarating donating blood and knowing that you are helping someone else," explained Kelly Keeley when asked why she kept returning.

The Hallway War

September 23, 2015 | Story by Catrina Arvin

For the homecoming week, it has been hectic with many dress-up days, and also, hallway wars. Student council had the idea to put on a hallway war where each grade has their own theme and shall decorate their hallways the best they can while matching their theme, and for the week they will keep score. So far, the Junior hallway is winning with 46 points. The freshman hallway theme is Harry Potter.

The freshmen student council decorated in a nice manner. There are numerous posters and different quotes from the books/movies, balloons, streamers, and even some very artistic drawings/paintings. The hallway is kind of bland, but has a cute way of showing the theme of Harry Potter. The sophomore hallways got the theme of Disney. The hallways looked nice with all of the colorful lights, but there is mostly just Frozen attributes throughout the hallway. Although, they did have some very expressive posters with other characters, and some material spotted along the hall that showcased something different. The junior hallway, which is in the lead, has the theme of superheroes. This hallway is very in tact and it feels like you are inside of a comic book. There are many streamers, vintage posters, and walls dedicated to Batman and Spiderman.

The amount of time and effort put in the junior hallway was well worth it, and came out looking very astounding. Lastly, the seniors theme was Star Wars. To the left of where the hallway begins is a very crafty R2-D2. That sums up what is about to come to this hallway. There are countless lights on the walls and sparkly paper on the bulletin boards that create a very cool, spacey vibe. With streamers hanging down from the ceiling, and unique posters all around, there is no question as to why they are in second place.

Homecoming week is all about having fun, and showing our school spirit! Yet, having some friendly competition never hurt anybody. Eventually, the juniors were victorious, and won the Hallway War!

Expressing Our Wildcat Pride

September 25, 2015 | Story by Megan Schmitt

This Friday, WFIE Channel 14 News paid a visit to the Jasper High School. Channel 14 News has been selecting schools from all around to spotlight their school spirit in its Sunrise School Spirit segment. They were also collecting food cans and boxes for the Tri-State Food Bank that each school brings in. Jasper obliterated their competition, Heritage Hills, by bringing more than 6,000 pounds worth of cans and boxes. Enough for 5,000 meals. Because of this, Jasper held the top spot for a while. Students of JHS gathered in the main gym an hour before school this Friday to show off their wildcat pride. Throughout the pep session, students engaged in many activities such as screaming chants and cheers from the bleachers, performing little skits and songs, and enjoying music from the band. During the pep session, leaders of clubs were interviewed by Channel 14 News. Students included

seniors Peyton Gentry, Aaron Persohn, Alex Korn, Carsyn Wessel, Nick Freyberger, Mira Vonderhide, Camille Ruff, Aaron Farr, Maria Johnson, Haley Hostetter, along with juniors Kyle Hollinden and Priscilla Olson. Meanwhile, the students of JHS were lead in cheers by Team Tailgate's own Peyton Gentry, Alex Korn, and Aaron Persohn. They even had a special guest for the occasion. Someone who is well known for starting the Alright, Alright, Ok, Ok cheer at multiple Jasper sporting events, 90 year old Frankie Ebenkamp. In between the many interviews, the theater students performed multiple skits for their audience such as Step One, Guys N Dolls, Yeah Yeah. They also performed Watch Me which incorporated the entire student body. Everyone was asked to come to the center of the gym and dance to the popular song Watch Me by Silento as a finale.

Goodbyes Aren't Easy

October 23, 2015 | Story by Heather Navarrete

While Spanish and ENL teacher Mrs. Johnson stayed home and raised a healthy baby, Mrs Cobo, or Señora Cobo, stepped in and was the substitute teacher for her. She has been filling in for Mrs. Johnson for two and a half months, inspiring and teaching kids many spanish terms. She left on October 21st, 2015, leaving fun memories that the students can remember. Mrs. Cobo is truly an unforgettable staff member, teaching students how to correctly pronounce and write words. The students made her laugh by imitating her accent on certain words, but overall Cobo did bring a lot of creativity and fun to the class. Everyday Mrs. Cobo would play a game called Dos Lineas, which translates to two lines, a game where the students would get into two lines and compete as opponents, translating words that Mrs. Cobo would have in colored flashcards. She would also assign projects or activities that

required interaction with classmates. Cobo would hand out study guides and show the class fun ways to remember a certain type of forms for a word. Juniors Emily Burger and Oneida Abarca both in Cobo's 6th period Spanish III class munched on food that the students could bring in the day that Cobo left, before they were asked to state memories of her. Abarca's favorite food brought in was the chips and salsa as Burger's were a hispanic favorite, empanadas de manzana. The two girls described Cobo as an energetic person who made learning both educational and fun, and had a very nice and caring personality.

Stop the Sirens from Sounding

November 10, 2015 | Story by Reagan Hochmeister

Red Ribbon Week is recognized nationally as a drug use prevention effort. This year the theme of the week was simply, "Respect yourself. Be drug free." Where did this movement sprout its beginning? Well, the National Family Partnership was established as a nonprofit organization in the 80's by a handful of concerned parents who were determined to play a leadership role in drug prevention. Nancy Reagan, wife of President Ronald Reagan, was on the board of NFP. Since its founding nearly thirty years ago, its efforts have been devoted to the well-being of youth. Their mission is to lead and support the nation's families and communities in nurturing the full potential of healthy, drug free youth. Here at Jasper High School, we take part in such a well-intended effort. Each passing period of the day, sirens would sound over the Public Announcement system

as a notification that a couple of students had just been given a white t-shirt with a red X spray painted across its front. This t-shirt symbolized a teen losing their life due to drug-related activity. While it could seem awkward or slightly comical to some students as the sirens sounded, there is a very real, very serious, very sad truth to each sounding. Our student group at JHS, S.A.D.D. (Students Against Destructive Decisions) did an excellent job with the activity to acknowledge Red Ribbon Week. This is because while it is a very difficult and relevant topic, they are working with teens and have to keep a sort of lightness about such a heavy conversation. It is a statistical fact that children of parents who talk to their teens regularly about drugs are 42% less likely to use drugs than those who don't, yet only a quarter of teens report having these conversations. So, parents, talk to your teens. And well-educated young adults, mentor your friends. Nation-wide movements such as Red Ribbon Week and organizations like National Family Partnership are important and appreciated, but we've all got to come together in this small town in order to reach each other. Together, we can stop these sirens from sounding.

The JHS girls golf team had a hole in one season. Head coach Philip Olignger and assistant coach Kate Brosmer, led the team with a result of 8 wins to 2 losses. The team truly showed their Wildcat spirit. The girls swung their way to 2nd in Big 8, 2nd at Sectionals, and 14th at Regionals. The golf girls received special awards from Jasper High School. Senior Sarah Ackerman and sophomore Gillian Blessinger won the All Conference award. Ackerman also received the "Most Valuable" award. Blessinger also won the "Mental Attitude" award. Senior Natalie Hopf won the "Most Improved" award. One of Hopf's favorite memories was when Taylor Stillwell hit a moving golf cart which turned out to save her ball from going into the woods. Coach Philip says that this season was a learning experience for them all. Junior Mady Horney says her favorite memory of this season was going on bus rides and attempting to do the "Whip" and "Nae Nae". Sophomore Gillian Blessinger's favorite memory was when Hannah Welp snorted water up her nose, and playing "What Are The Odds". Freshman Brynn Leinenbach's favorite memory of the season is when the team had a bonding night where they became closer friends and got to know each other. The girls had fun this season, but they also took it seriously by swinging and taking flags.

The JHS boys JV soccer team had a very successful season. They persevered and were always pushing themselves to be their best. Working hard was never a problem for these guys because it's easy to want to be good at what you love. This team gave everything they had during each match and it was pleasing to watch them work so well together on the field. They eliminated weaknesses and built upon their strengths which made for a very successful year. The future of the JHS soccer program is in good hands with these underclassmen players!

The JHS girls Junior Varsity soccer team played an intense season this year with an outstanding record of 11-0-1. With 11 wins, the girls never lost a game. The team's only tie was with Bloomington South in which they fought a tough game, however, the team ended with a score of 1-1. With such promising results stemming from the JV, returning players look forward to open Varsity positions. For many freshmen players, their first season of JHS soccer was memorable in part of their untarnished record and the success this season has brought them.

HEADS FORWARD

Page by Melanie Stone

Soccer players are always told to keep their heads forward, not down, so that they keep themselves aware of what is going on around them. This is something that this team never struggled with, physically or mentally, for the duration of their 13-4-1 season. It was always easy for these boys to bounce back from the things that disappointed them, such as the loss they faced against Evansville Memorial in the first match of sectionals this year. Nothing will keep them from pausing to look back on their awesome season and all of the memories they have made together as a team. For seniors, the end came too soon but they will continue to cherish this experience for years to come. Go cats!

KICKIN' IT FORWARD

Page by Megan Schmitt

Although the girls varsity soccer team's season came to an abrupt end at Sectionals, they played their very best all season. They ended with a record of 13-3-2. Each player pushed their hardest throughout their season and many of them earned awards at the end. Those students who won awards were seniors Brittany Haskins (Outstanding Forward and All Conference), Elizabeth Verkamp (All Conference, Most Valuable, and Second Team All District), and Nicole Nord (Mental Attitude). Juniors Madisyn Hunt (All Conference, Golden Boot and First Team All District), Anna Charron (All Conference and Outstanding Midfield), Annie Stout (All Conference), Nicole Hentrup (Outstanding Defense), and sophomore Summer Herzog (12th Man) also earned awards.

Q&A

What was the most memorable part of this season?

"At Hoosier Cup, there was a rain delay so everyone was stuck on the bus and we were singing songs back and forth with another team on the bus!"

-Annie Stout, junior

Is there anything you'd like to pause from this year?

"The seniors. Every year you always say you don't want your seniors to go but this is the year the juniors are closest to the seniors so it's sad knowing this was our last time together."

ONE TEAM ONE DREAM

Page by Taylor Johnson

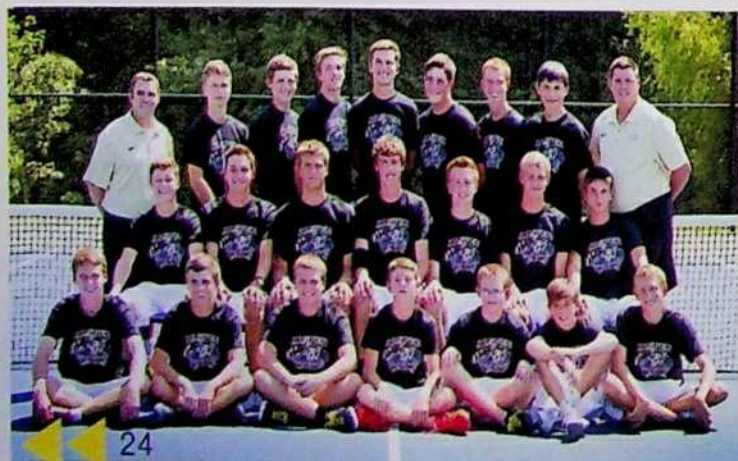

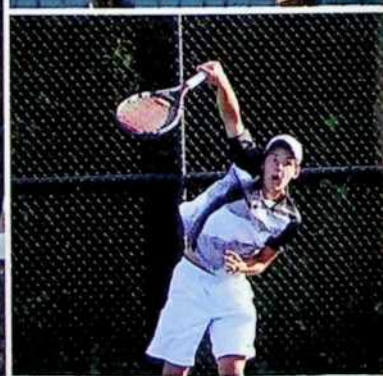

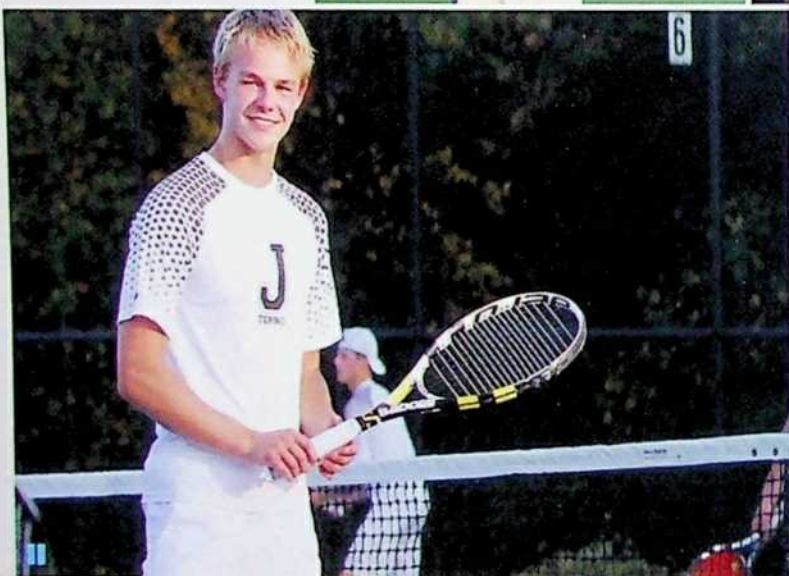

The boys tennis team has done it again. They managed to have a great year and put forth great effort. The Jasper boys were Big 8 Conference Champs, Sectional Champs, Regional Champs, and Semi State Champs. The tennis team made it to the State Finals for the fifth time in five straight years. This has only happened for two other Jasper teams over the years. The team really pulled through this year and made it the best they could. They ranked seventh in the entire state at the end of the season. The boys always stuck by each other to make the season the best season possible. After a great season, they are ready for another year to follow up on. The Cats are truly one team with one dream.

DIGGING THE PRESENT

Page by Heather Navarrete and Faith Fischer

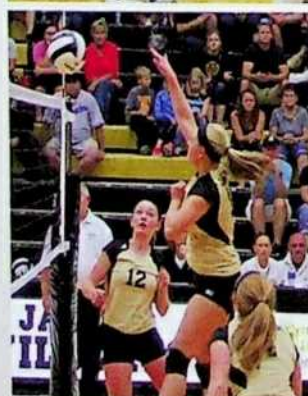

The freshman girls played a total of 19 games this season. They won 8 and lost 11. Even though the girls lost more than they won they still tried their best and did as well as they could. Most of the girls made new friends or grew closer to their friends that they played with. Throughout the entire season the girls and their coach Amber Breitweiser made memories with each other that they will look back on in the future. Taylor Mitchell's favorite memory from the season was a 6:00 A.M. practice where Anya and Mae overslept and the team had to run 42 up and backs. The girls are excited for the next season to begin!

MEMORIES

With a total of 21 games, only 11 losses but an equal 11 wins, the JV volleyball team has run through the courts, spiking or digging the ball with hope and determination to score a point and be the winner of the game. Several new players were introduced to the JV team, but each new member became more than a team together. They grew closer to treat each other like family. The team created many memories, the kind that can be looked back on. Sophomore Mariah Seifert recalled on her favorite memory from this year, saying, "winning sectional and regional on our own floor."

REMEMBER THE ACES

Page by Faith Fischer and Kayla Thimling

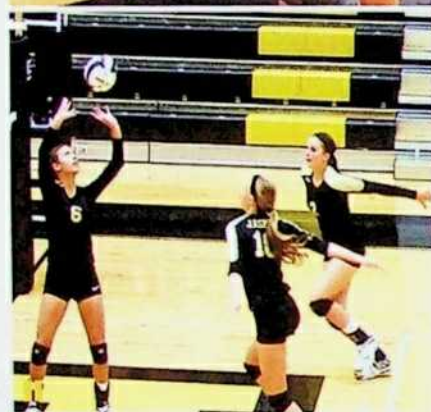

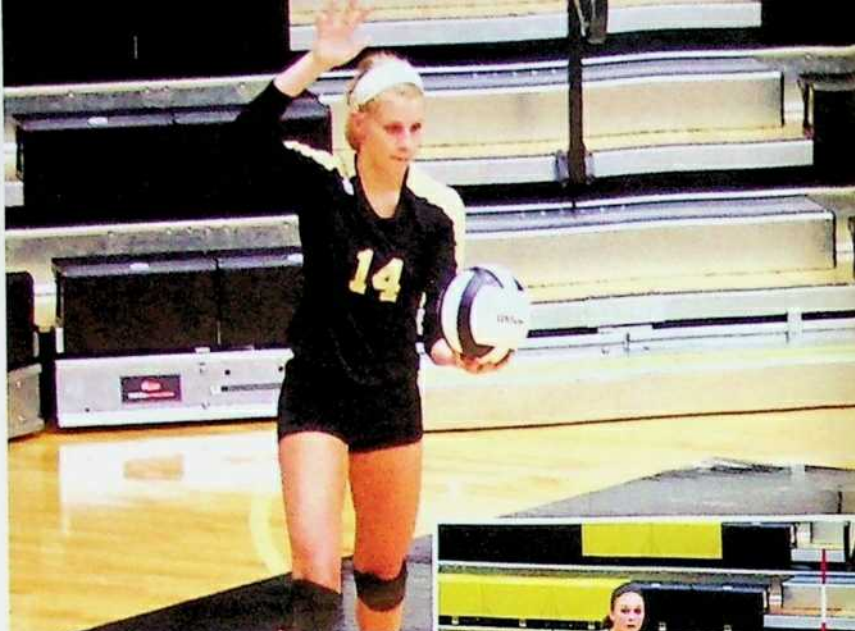

The varsity girls did a splendid job this season. They worked as a team and had a very good season. With 26 wins and 11 losses, the girls were proud of their season. The seniors this year Layne Sermersheim, Michala Flamion, Ally Metzger, Alyssa Simmers, Teyah Leinenbach, and Kinsey Bromm had a great last season at JHS. They are going to be missed dearly. The girls worked as a team and no matter what obstacles were thrown their way, the girls stayed united as one team. Alexa Steftenagel said that her favorite memory from the season was having a steak dinner before semi-state. Even though the Jasper Wildcats lost some players after this season they are still excited for the 2016 season and having new teammates for the next season.

■ Alexa Stenftenagel, number 6, setting the ball for her teammates to spike over the net.

■ Maddy Edwards, sophomore, and her teammates gearing up to score a point.

Q & A

What is your favorite memory of the season?

"When we went to semi-state and won against Northview."

-Teyah Leinenbach, senior

What are you going to miss the most about this season?

"I'm going to miss the seniors, being able to play, and their good attitudes."

TIMELY ENDURANCE

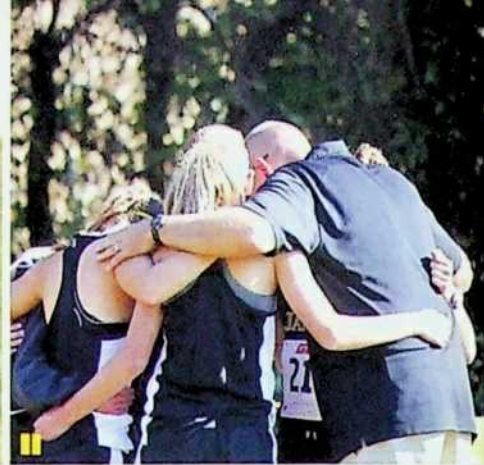

Page by Heather Navarrete

Surpassing even the highest expectations, the girls team was the Big 8 Conference victor and Sectional champion. Crushing the 14 year gap since the last regional victory, the girls claimed first place for the fourth time in JHS history. The boys team claimed second place in the Big 8 Conference and placed as runner-up in sectionals. Breaking JHS history books yet again, Cale Kilian, who also competed individually, won sectionals as the first Jasper boy since 2000. Both teams advanced to semi-state as one, however, only Cale Kilian (junior), Hannah Welsh (senior), and Tara Cassidy (junior) made it to state competing individually.

The Cross Country boys team had a great season and an even better team this year. The boys had numerous accolades, some of which include: Cale Kilian received the "All Conference" and "Most Valuable" award, Chris Backer received the "All Conference Honors" award, Noah Mehringer received the "Mental Attitude" award, Cody Schnell received the "Most Improved" award, Austin Hopf received the "Die Hard" award, Dimitry Gordon received the "Outstanding Freshman" award, and Nolan Kiefer received "Outstanding Senior" award. The boys ran a great season and are ready for another great year to come. The sweat, pain, and tears surely paid off for the boys throughout the season.

FRESH KICK

FRESH START

Page by Heather Navarrete and Faith Fischer

Though the competition was tough, the boys persevered, and finished the season strong with a record of 7-1-0. All season the boys worked their butts off to get to where they are. As a team they won and lost but they did it together. The boys played not for the back of their jersey, but for the name on the front of it. "Gibson Southern was about to score, they were on the one yard line and fourth down and we stopped them and went 99 yards for a touchdown," stated freshman, Hunter Schwartz, when asked what his favorite memory was.

Since the summer of 2015, the JHS JV Football has worked very hard for their August to October season.

The boys have been lifting weights, practicing tackling and running a lot to achieve their goal of a good season. The season was very well played, with a proud 6 wins and 1 loss. A lot of good memories and bad memories occurred, but Jake Ruxer's favorite memory was, "When the Varsity team played against Washington and I got put in." Both the JV and Varsity are like a very big family, always having each other's backs and pushing each other to work hard throughout the games, and make sure they bring home a win.

BACK TO THE END ZONE

The varsity boys played an excellent season this year. With a total of 12 games they lost 2 games and won the rest. The seniors are going to be greatly missed but the juniors soon to be seniors will keep the traditions alive and do their best. A lot of awards were given out at the banquet this season. A variety of seniors got these awards and no matter who got them all the players were happy for their teammates. The senior captains this year were Grant Theil, Tate Blessinger, Carson Englert, and Justin Goebel. The seniors got to end their last season with winning the first two rounds of sectionals but sadly lost the last round. They are still proud of how they ended their senior year though. They did a great job! Leo Magana, junior, said that his favorite part of the season were the coke parties, but the Reitz game came in a close second. All the sophomores, and juniors on the team are going to miss the seniors and playing the game with them. All the boys put their heart and soul into the season and are proud of the outcome. Some of the boys will never pick up another football or step onto another football field but the time they spent on the Jasper field will be in their hearts forever because they loved playing in such an amazing program and being coached by amazing coaches.

FOOTBALL HOMECOMING

Page by Taylor Johnson & Megan Schmitt

Homecoming is a time of excitement and enthusiasm. On Friday, September 25, Jasper High School held their annual football homecoming at the Jerry Brewer Alumni Stadium. The homecoming nominees included: (Freshmen) Laurel Hubster, Courtney Vennekotter, Isaac Bartley, and Reece Milligan; (Sophmores) Lindsey Aders, Hailey Hurst, Max Otto, and Nolan Henke; (Juniors) Hannah Erny, Emily Mathies, Mason Thewes, Cameron Heeke; (Seniors) Melanie Stone, Ally Metzger, Camille Ruff, Ian Guthrie, Josh Kremp, and Alex Korn. When asked what her favorite part about being on the homecoming court was, Hailey Hurst said "The honor of being nominated to represent the sophomore class!" Alex and Ally were the two seniors crowned homecoming king and queen. The pair looked absolutely stunning and everyone was so excited for them. Despite the rain, it was a beautiful night and nothing could have stopped everyone in the stadium from having a good time. Part of what made this such an exciting event was that we were up against one of our biggest rivals; Vincennes Lincoln. School spirit was unlike any other with the student section theme "Cowboys and Indians." The students stayed positive throught the wet weather and made sure to make as many memories as possible. They gave the football team the boost they needed to pull through and defeat Vincennes 28-0. Fall Homecoming 2015 was full of wonderful moments and the team cannot wait until next year so it can all happen again.

Q & A

Were there any funny moments from homecoming?

"Alex and I both missed the homecoming practice so we were oblivious on where to go when we were called."

-Ally Metzger, senior

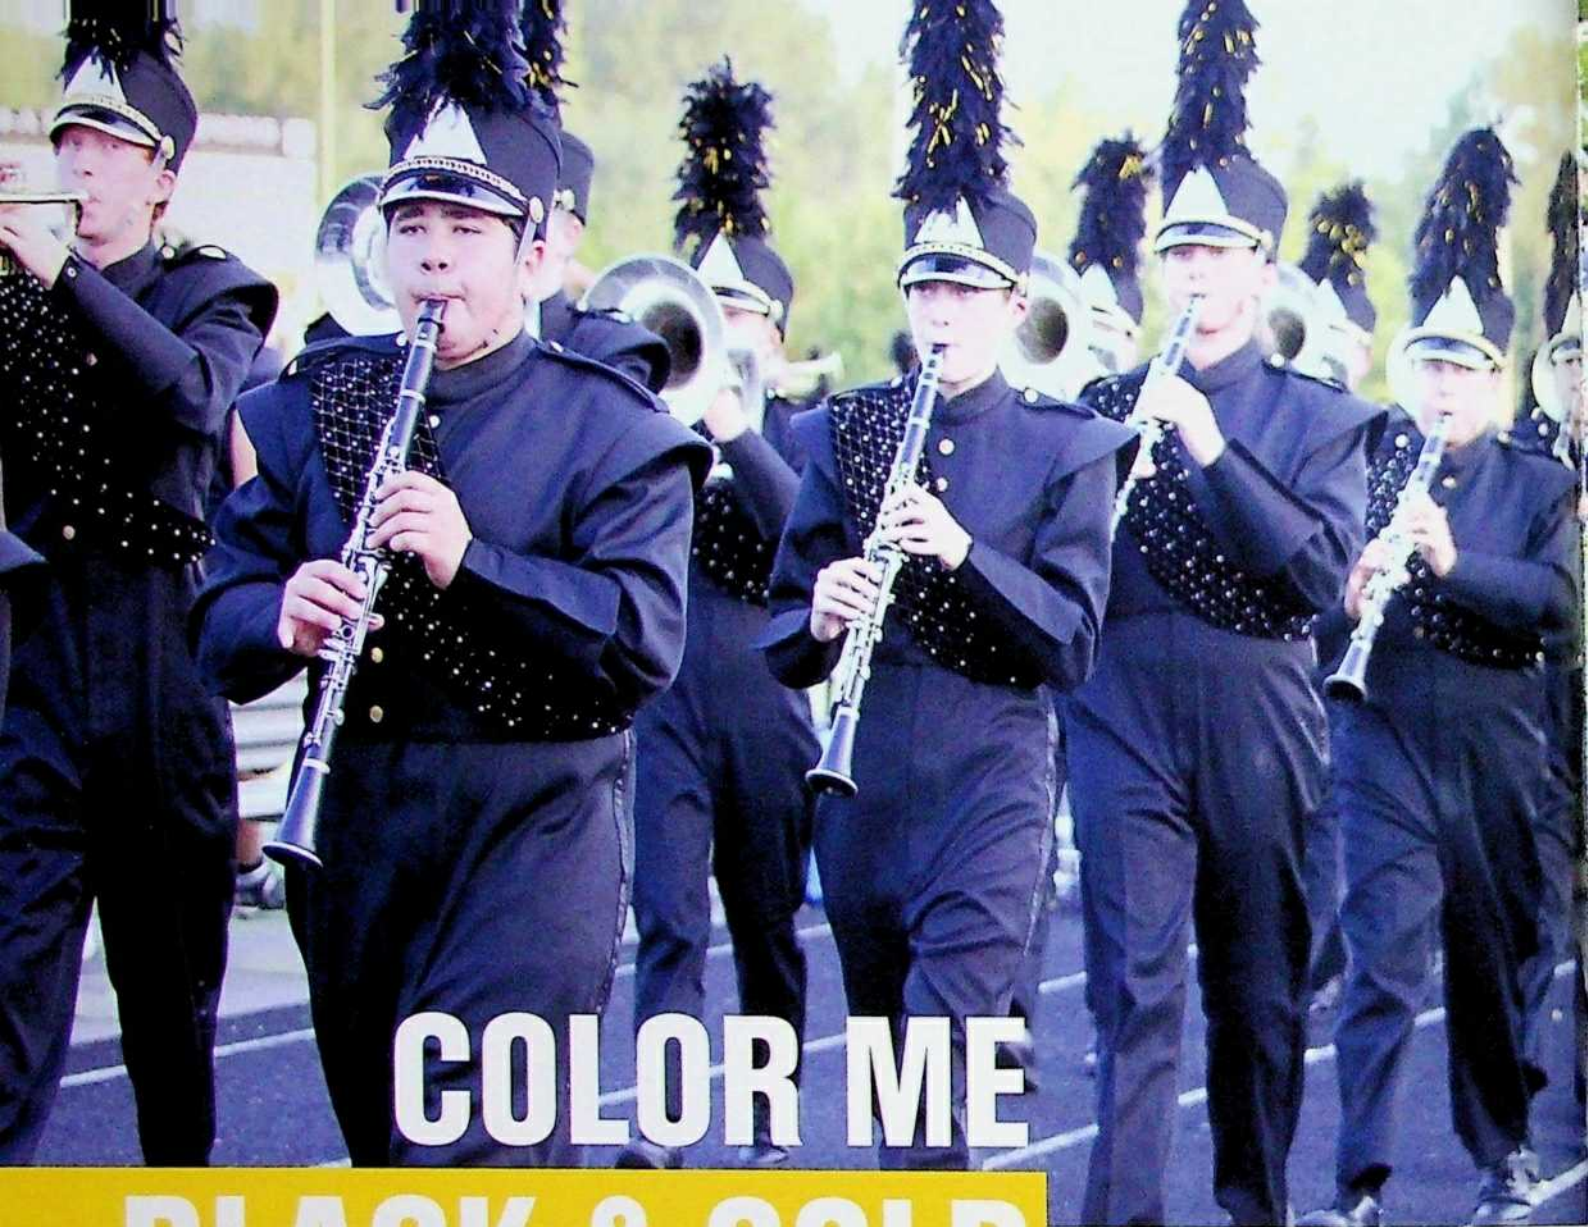

How did it feel being crowned homecoming king?

"When I heard my name called off I was very surprised and felt triumphant."

-Alex Korn, senior

COLOR ME BLACK & GOLD

Page by Melanie Stone and Megan Schmitt

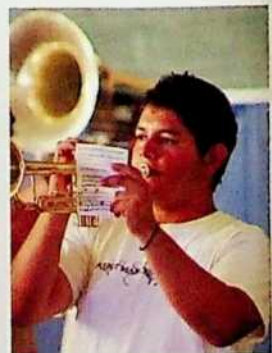

The Jasper Marching Wildcats, as always, had a very successful season this year. They don't actually care about the scores or placings and they don't do this year after year because they want to win. They do marching band because they know they will be able to look back on their high school years and remember all of the fun they had on and off of the parking lot, which is where they practice two nights a week with the people that become their 150+ member "band family." When asked what her favorite part of this season was, senior drum major Antoinette Birge said: "It was definitely crashing almost all of the other sections parties." Members in this group know how to have a good time but also know when it is time to get down to the nitty gritty to perfect all of the little details that end up making their performances the best they can be. The Marching Wildcats are in ISSMA's class B and have come out in the top 5 at state finals for as long as they can remember.

Q & A

How was your first season?

"It was my first time ever being in band here in the United States and I loved it. It was hard and Mr. Goodhue yelled at me all the time but it was worth it!"

-Carlos Sanabria, sophomore

What was it like being a soloist?

"It was very nerve-racking, especially at Lucas Oil Stadium, but I definitely enjoyed it."

-Noah Wright, junior

COLOR GUARD

Jasper's color guard is what makes the marching band shows as great as they are. Without them, there wouldn't be as much of a "Wow!" factor. Performing Color Guard duties is far from easy, but they effortlessly make it look as though it is. For The Secret Garden show this season, the guard walked onto the field wearing green uniforms that made them look like they were the vines of a plant. Halfway through the performance they would retreat to the sidelines and slip into beautiful pink skirts, turning them into blooming flowers. Band and guard fans alike will continue to look forward to what these girls bring to the field. Marching band would not be the same without them!

If you could pause and rewind back to your favorite moment, what would it be and why?

"Our shirts we made for winning the championship were grey and had deer antlers on them. On the back they said, 'We killed it, we killed it real good.' This was inspired by the accident we had where our bus driver hit a deer, and said 'we killed it, we killed it real good.'"

The spelling team won first place in their division, unfortunately they did not go to state. Sophomore Aurora Mendel won a medal for almost spelling all the words right. The surprising thing about spell bowl that not many know, is that they write the word down instead of going one by one and spelling the words out like in the movies. The spell bowl team likes to have a lot of friendly banter between them. Sophomore Kate Schuetter says that she likes their team practices because they get chocolate and the person who gets the most right on the practice test gets a cookie.

UNICEF \$AVING THE CHILDREN

Page by Catrina Arvin and Allison Rogers

On Wednesday, October 21st, the UNICEF (United Nations International Children's Emergency Fund) club here at Jasper High School had their annual trick-or-treating event. Now, this is not the typical trick-or-treating that you are probably thinking about. Yes, the members of UNICEF dress up in Halloween costumes and walk around in neighborhoods, but the reward they are looking for is not candy, it's donations. The members go from house to house with smiling faces holding out the little, orange donation box in hopes of having the residents donate at some money. Nearly all of the residents assume that they are just early trick-or-treaters that are desperate for some candy, but most give a very kind donation. The members make sure to thank them with as much generosity as possible, because at the end of the day, knowing that you went out and did something that will be a big impact to children's lives is a lot better than eating a Kit Kat.

SADD is dedicated to bringing awareness to students about the dangers and pressures the youth faces today. Students are presented with temptations such as binge drinking, smoking, drug abuse, and peer pressure. By endowing students with knowledge, SADD enables students to turn away from detrimental behaviors and activities. Here at Jasper High School, the SADD club organizes two important weeks out of the school year. One week is designated Red Ribbon Week and the second week is designated Orange Ribbon Week. Red Ribbon Week is celebrated in October and is an awareness campaign against alcohol, tobacco, drugs, and violence. Orange Ribbon Week is celebrated in April and campaigns against underage drinking. Participating in these campaigns, Jasper's SADD club organized themed dress up weeks, decorated the parking lot with colored ribbons, and played an annual game with the student body in which the victims of the game wore shirts with a spray-painted X displayed across the front. The shirts were presented to randomly chosen students during passing periods. These students represented the lives of those lost to overdose all across the world. In addition to the Orange and Red Ribbon Weeks' activities, real world facts and statistics were read over the intercom system every morning for each day of the week. Leader and adult representative of the JHS SADD club, Mrs. Rasche, encourages future JHS students to join and to continue making a positive influence for the school.

TAILGATES TO HEAVEN

Page by Ryan Gunn

Tailgating has been around almost as long as football itself. It is a social event held on and around the open tailgate of a vehicle. Tailgating, which originated in the United States, often involves beverages, grilling food, and lawn games such as cornhole, Ladder Golf, and Polish horseshoes. With that being said, here at Jasper High School, we have a team of students who are dedicated to having a good time, great food, and most importantly, school spirit. This team of students call themselves "Team Tailgate." Before every home football game, seniors Peyton Gentry, Aaron Persohn, and Alex Korn cook food, play games, and blare music to get other students in the spirit of the football game. This year marks four years since Jordan Haas started Team Tailgate here at Jasper High School. To this day, students flock to the William Schroeder Soccer Complex parking lot hours before kickoff to have a great time with friends, play games, and eat delicious food.

LIFE SKILLS

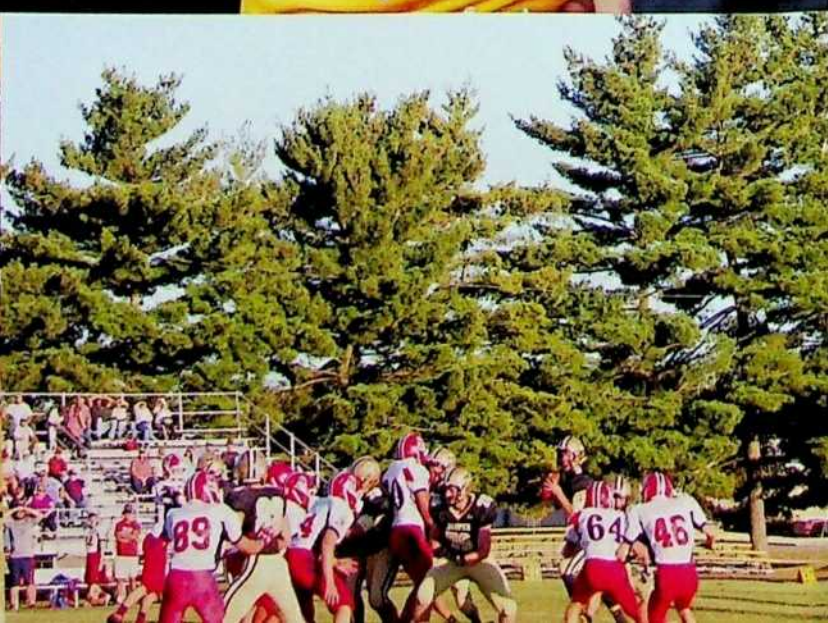

Page by Mila Vernon

The life skills class is not an average class. The purpose of life skills is "to teach students basic skills development through a functioned life skills curriculum. Learn skills needed to be successful, contributing adults. Communicate wants and needs in order to support independence. Develop self-advocacy skills. Gain work/job skills and experiences. Access and participate in community recreation activities," asserts Stenftenagel. The students also participate in sports, choir, and school functions. During the year the students go on field trips every month, some of these activities include: a holiday world trip in May, a picnic and grill out, a trip to Jasper Lake, a movie and lunch, a trip to Rasche farms, a trip to Jasper Gift Basket and Popcorn Co., a trip to French Lick and West garden, a trip to the Jasper Arts Center, and a bowling trip.

WINTER FEATURES

'Tis The Season

December 5, 2015 | Story by Taylor Johnson

It is the season to give back and share the joy. The Precious Blood church participated in this activity Saturday morning. St. Nick Outreach has been making lasagnas and fresh apple pies since 2001. They had originally started making 100 lasagnas and 60 pies, now they are making roughly 800 lasagnas and 300 pies. The pies are distributed after the masses of Precious Blood. The organizers of this charity are Missy Kremp, Stephanie Armstrong, Angie Schitter, Dana Thyen, Janet Rydberg, as well as so many more. The crew that helped were more than happy to take time out of their day and started getting ready at 6:00 am. The Jasper High School cheerleaders as well as the boys basketball team volunteered to help out by peeling apples, scooping ingredients to make lasagna, and cleaning to help out the community. The freshman boys on the basketball team took the early shift- which they do each year- and the boys varsity basketball team takes the next shift to make the lasagnas. When I asked coach

Goebel why he got the team involved in this charity and he said, "We are grateful for everything the community does for us and we feel like we need to give back to them. It is a worthwhile cause to show how blessed and thankful we truly are." The St. Nick Outreach organization has raised 8,500 dollars for the Crisis Connection, they have raised 5,000 dollars to build 2 houses in Jamaica for two different families with children, and over 10,000 dollars for Precious Blood Church and families. Everyone who took the time to volunteer for this worked extremely hard and enjoyed every second of it even through the sticky apples and the cheese flying everywhere. The day started with a single prayer and ended with an abundance of blessings.

The Holiday Drive

December 11, 2015 | Story by Evan Nichols

Throughout the week of December 7 to December 11, the student council hosted a holiday drive for Crisis Connection. A competition was held between first period classes by Mrs. Ferguson until the week ended. The winners, which was Mr. Land's first period class, received a batch of muffins from Winkler's Natural Foods in Jasper. The second place winner was Mrs. Burns, coming up just shy of being first place. By the end of the week, over 100 items in total were brought in by these classes. There was a huge list of items for everyone to bring for the occasion. All sorts of necessities were brought to the classrooms, such as tissue paper, toys, and toiletries. Just about any of these goods were brought in for the purpose of making Christmas special. The holiday drive helps out Crisis Connection, which will provide benefit to families that are not able to bring gifts for their children to celebrate a good Christmas.

"I will not be labeled as average!"

January 15, 2016 | Story by Heather Navarrete

After two snow days off this week, and a two hour delay on Wednesday January 13, Nashville, Tennessee resident, Meichelle Gibson, came to Jasper High School to teach the kids about compassion and kindness, and treating others with respect and to be aware of your classmate's feelings. Meichelle is friends with Rachel Scott's family, who was first shot in a school shooting on April 20th, 1999. Rachel wanted change in the world, and skeptically knew she would die young, but wanted to touch millions of people's hearts before she left the world. Rachel Joy Scott wanted happiness to be spread, not hate. She stood up for what she believed in, even if it made her made stand out against her classmates for going against what's expected of them. Rachel also wanted to make new students feel welcome, by sitting with them at lunch when they felt alone and vulnerable. She stood up

to bullies, thinking what she did didn't make much of an impact, but it did. Like Anne Frank, Rachel kept a diary. Often she would draw in it, and write analogies and how she would change the world one day. In one particular drawing, she drew eyes with tears falling down, 13 tears to be exact. The tears poured onto a flower, which blossomed from the ground. She drew it the same day she passed away, and as 13 tears were drawn, 12 students and a teacher were shot and killed, leaving 22 wounded. What Rachel wanted in her life was to spread happiness and joy. Meichelle shared that with the Rachel's Challenge program, which gave students a challenge to better live their life and challenge others to do the same. The 5 steps to kindness into the challenge was first to get rid of prejudice. Meichelle presented a video in where Rachel's brother Craig Scott explained about he had a black friend, and was ridiculed in the last few minutes of his life, before Dylan Klebold and Eric Harris shot him, and the others. The second was to dream big and write down your goals. Rachel did that by writing down how she felt, and how she dreamed of touching millions of people's hearts. The third is to choose positive influences, the fourth is to speak with kindness, and the fifth was to start your own chain reaction. Students were asked to then bow their head down and think about how many people were in their lives and to be appreciative of them, because no one knows when you can lose somebody so close.

Nominated: Lifechanger Award

January 15, 2016 | Story by Heather Navarrete

Back in December of last year, local teacher Mr. Rick Stenftenagel has been nominated for the National Life Group's Life Changer of the Year Award. On Monday, January 25th, voting was open for the day, where people could nominate for their candidates for the award. Comments were left on Stenftenagel's nomination page by staff members from the Greater Jasper Consolidated School District, including Jasper High School, and also Jasper Middle School. These comments by the staff consisted of congratulations, and expressing the support for him as a nominee. Mr. Rick Stenftenagel is a Special Education Teacher here at Jasper High School. Having recently been retired from his position as Jasper's varsity wrestling coach, He had spent at least 30 years coaching young wrestling athletes made an impact on them, and was inducted into the Indiana Wrestling Hall of Fame. However, he still is

coaching other students in the program Unified Track, which was brought to Jasper High School. Most of his own students work in the cafeteria under supervision, and thanks to their help, has made the kitchen run efficiently. Extra hard work is required when taking care of the special needs students, and Mr. Stenftenagel takes full responsibility, with noting how to get special needs students to be successful and comfortable in school. With his own personal motto, "Be a step above", there is no doubt that his nomination was very much well-deserved.

FINISH FAST

The Jasper girls' swim team had a tremendous season this year. They finished 2nd in the Big 8 tournament, 1st in sectionals, and 29th overall at the state meet. Four swimmers were awarded the All Conference title: Carmina Armstrong, Payton Painter, Lindsay Mehringer, and Cady Mehringer. Armstrong was also awarded the "Most Valuable" and Painter the "Mental Attitude" award." It's no surprise that these girls give nothing but their all while in the pool and we can expect great things from the swimmers returning next season. We look forward to seeing them improve their times, showing their team spirit, and earning those ribbons!

Q & A

What are you most excited for about college swimming?

"I'm most excited about the team and all the trips/bus rides. We go to different states for meets, and if this team is anything like my high school I'll have a blast."

-Cady Mehringer, senior

What did you enjoy most about diving?

"I really enjoyed showing others and myself what I was capable of. It's very pleasing when you get or perfect a difficult dive you've been working towards."

TURNING HEADS

Page by Melanie Stone

Swimming is notorious for long practices, and requires every ounce of your strength if you want to make it to the end of them. These boys' hard work certainly paid off, as they came out on top at the Big 8 tournament and at sectionals. One moment in particular, though, is what will come to mind for years to come as people look back on this '15-'16 season. Senior Bennett Nolan, voted "Most Valuable" on the team, broke the record in the 100 M butterfly at the IHSAA sectional meet. According to Bennett, everyone knew how badly he wanted this due to his overflowing exuberance and excitement at such an event. Next year, returning swimmers expect to make an even bigger splash at sectionals and further on into post season tournament play.

Q&A

What was your favorite part of the season?

"Going to sectionals and winning by a very close margin and making it to regionals."

-Trey Mathies, junior

How excited were you to have broken a record?

"I was very excited. That took me forever to get. That's one of our oldest records, if not the oldest, and I've wanted it since freshman year!"

FRESH THROWS

Page by Faith Fischer

With a total of 9 wins and 2 losses, the girls had a fantastic season. As a team the girls got through a very good season. Coaches Blazey and Shroering have worked very hard to create this amazing team. These girls are just freshmen, but they play like seniors, always chasing the ball and striving to make a basket. Most of the girls have been playing for years. Rachel Gress's favorite memory from this season was getting to play in the last minute of a varsity game. Most of the girls are hoping to make varsity next year and achieve goals that they wish to pursue. They started as a family, and hope to end as a family.

FRESH OFF THE COURT

The first year of a high school sport is the first stepping stone on a winding path paved by past athletes. Folly and error are a team's best friends during this year trial, but the freshmen boys adeptly learned as their season wore on and valiantly displayed their athletic prowess through their teamwork. The freshmen boys cinched their season with a win to loss to tie ratio of 12-8-0. Managed by Jadon Mehringer, freshman, and coaches Eric Dall and Cam Harris, the boys left the Jasper Invitational victorious as the 2015-2016 champions.

The dribbles, the passes, the supporting cheers, and the final but most powerful; the sound of the buzzer. Those were the noises the JV girls constantly heard, and with an almost tied score of 12 wins and 9 losses throughout the total of 21 games. Although, the girls gave it their all to try and win more games, but it was really all of the good times that mattered, and will matter, down the road. Sophomore, Kate Schuetter's favorite memory was sitting on the bench and supporting the team. Throughout the losses, the girls were there for each other as the coaches cheered them on to do much better in the next game.

The boys junior varsity team is only one year away from being the big dogs. They had an extraordinary season and were undefeated this year with an outstanding record of 21-0. Led by coaches Jeremy Wolf and Eric Dall, the boys entered the JV Dubois County Tournament headstrong with a clear, direct goal. Bolstered by their prior victories, the team performed confidently and now proudly displays their title as the JV Dubois County Tournament Champs. Looking back on this victorious season, the players will recall the pride and exultation of claiming an undefeated season and will strive to create such season records with many years to come.

IT'S THE FINAL PASS

Page by Laci Smith and Faith Fischer

Although this season may not have been the best, the girls varsity basketball team persevered and finished strong. They sadly did not win regionals but, they placed 15th overall. The "All Conference" award went to senior Kirby Ruhe's favorite saying is "Play for those who are not able to." "The Most Valuable" award went to senior Nicolette Eckert, her favorite saying is "Don't wait for the perfect moment. Take the moment and make it perfect!". The "Most Improved" award went to junior, Madisyn Hunt, her most proud moment in the season is when she was a starter and had a career high of 18 points. Another one of the achievements another player is most proud of is finishing 2nd in conference. Even though the girls did not make it far in sectionals, they are still positive and give good luck to the new team next year. Their coach, Jessica Mehringer, said that new leaders have emerged and the girls pushed themselves to new levels this year, and hopefully next year will be as great.

Basketball, a sport rooted in the history of Jasper High School, continued as a tradition this 2015-2016 season with a 10 win margin for the Jasper Boys. With 17 regular season wins and 7 regular season losses, the team celebrated many victories all the while enduring the sting of losses. Utilizing these learning opportunities, the boys placed as runner-up in sectionals and earned the co-champ title in the Big 8 conference with a 5-1 record. With the end of the season, athletes Alex Allen, senior, and Tyler Nottingham, junior, were granted the "All Conference" awards with Allen additionally awarded the "Most Valuable Player" award.

BASKETBALL HOMECOMING

Page by Taylor Johnson & Megan Schmitt

The Jasper homecoming is never disappointing and this year was no exception. Dresses were ripped, food was being eaten, and the crowd was going wild for our Jasper Wildcats. The school's power couple won with ease on the night of the crowning and the crowd was extremely proud to have the two win. Haley Sample and Aaron Farr were chosen by the ballot and the two senior crowners who had the honor to present them were Caryn Wessel and Craig Sheperd. "After homecoming was pretty fun because people brought us trays and trays of cookies and I was so hungry," stated, senior, Aaron Farr. The basketball team was able to pull a win through to chalk up the great night with a win. Everyone supported the homecoming court as well as the team playing on the court. The music was provided by Jasper High Schools student ran radio station, 93.7 The Scratch, and ended the night off with a bang.

Q & A

Was there anything funny that happened homecoming night?

"Carsyn's dress (senior Carsyn Wessel) completely ripped and she had to change right before so we laugh about that now."

-Haley Sample, senior

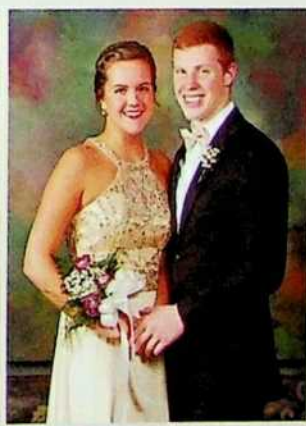

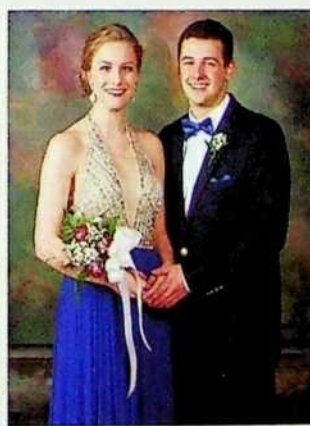

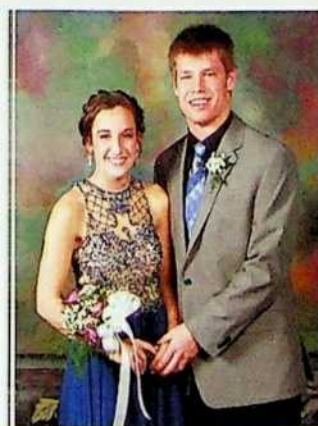

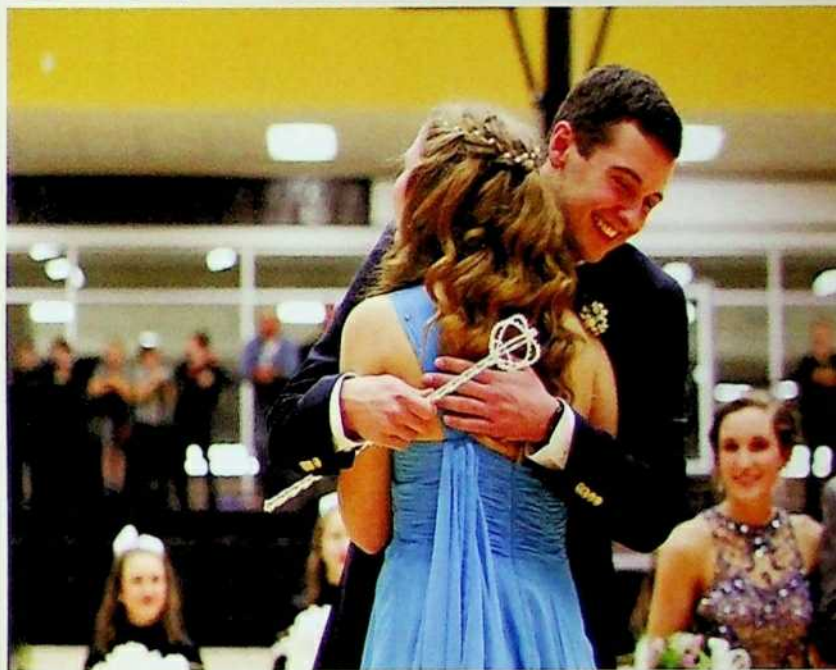

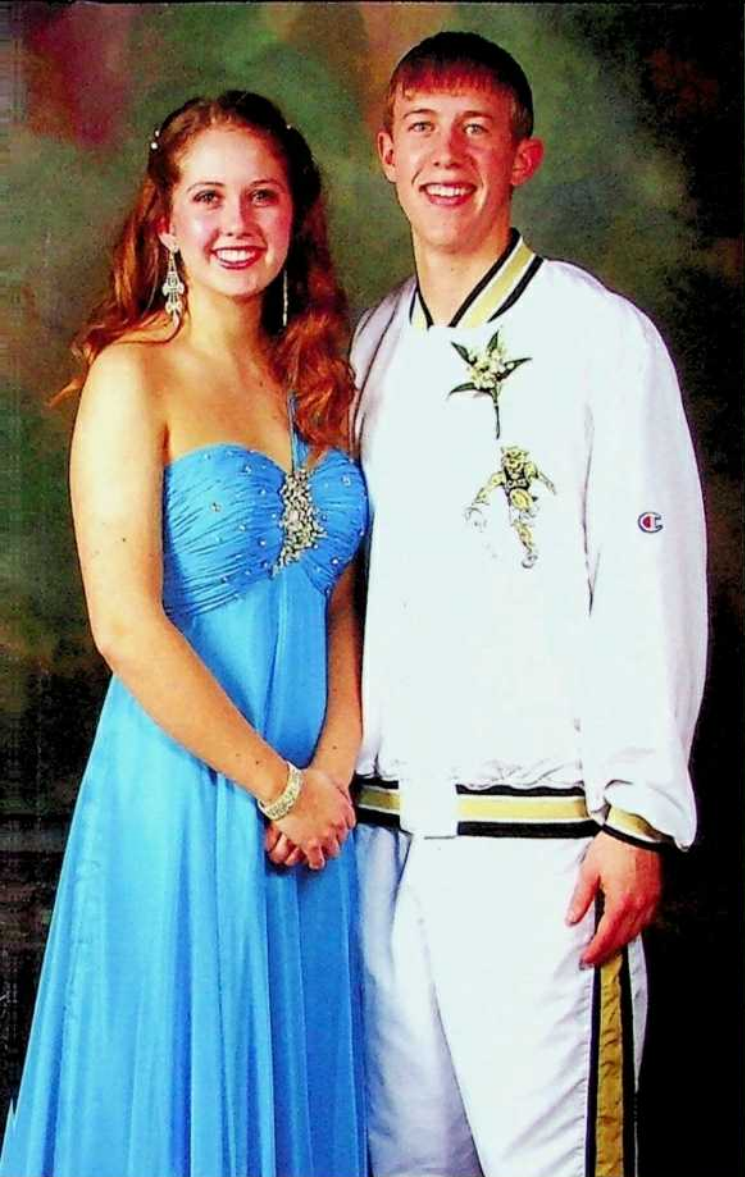

What was it like being crowned homecoming king?

"Terrifying. I was nervous because I didn't know if a different girl would be called or another couple."

PINNING & WINNING

Page by Taylor Johnson

The JHS wrestling accomplished a lot in their 2015/16 season. This year the wrestling team participated in a local conference, which resulted in a great overall outcome.

Each season means something different for every member. For senior Harry Seng, this season meant achieving his goals. Although he started in the middle of the year, Seng went throughout his short career with nothing but wins.

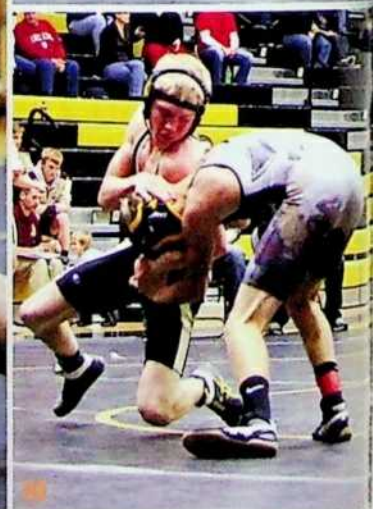

The awards received were: "Most Valuable," Georden Terwiske, "Most Improved," Ethan Wigand and David Derr, "Team Motivator," Geordan Terwiske, Eli Green, and Reid Eckert, "Most Valuable JV Player," Matthew Rottet, "Freshman Award," Zachary Flynn, "Iron Man Award," Geordan Terwiske, and "Most Team Points," Ethan Wigand.

KINGS OF THE LANES

Page by Kayla Thimling

Striking out the competition this year, the boys bowling team paved their own lane as they wrapped up their regular season with an undefeated season of 12-0. Rolling through the IHSB tournament, the boys were sectional champs at Eastown Lanes and advanced to regionals at King Pin Lanes in Seymour. They finished in third place but continued with an unshaken resolve towards semistate at Championship Lanes in Anderson. Swiping second place, the boys prepared themselves for a state title that both teams have not won since the girl's bowling team victory in 2005; however, their efforts proved fruitful. In Lafayette, the Jasper Boys Bowling Team was crowned champions of the IHSB 2015 Tournament.

Splitting their way down the lanes, the Girls Bowling team made it their mission to demonstrate their bowling finesse. When tournament time rolled around, the girls advanced as far as Championship Lanes in Anderson. The girls were sectional champs at Eastown Lanes and advanced onto regionals at King Pin Lanes in Seymour. After finishing second in the bracket, they moved onto semistate at Anderson. Despite putting forth their best effort, the girls fell short and ended their tournament spin. With the ending of the season, the girls look forward to the future seasons for the Jasper Girls Bowling team and the potential that awaits.

The dance team gave it their all this year. The team is composed of twenty members ranging from sophomores to seniors. The theme for this year's hip hop dance was *The Purge*, based off of a 2013 social science fiction horror film. The song for their routine was a mashup remix that set a show-stopping mood and captivated their audience. The squad was able to bring home a third place award in hip hop. In pom, they received fourth place with thier preformance. The girls practiced hard and came out victorious, and cannot wait for next season.

The mat club is a group of girls that manage the wrestling team. They take photos for the scrapbooks, help clean the mats, and have clean towels handy. They make the gifts for the seniors, and they put a lot of effort into their scrapbooks. Senior Ali Brescher won a scholarship award and is the student leader of mat club. The mat girls had gotten little tokens on the night of the wrestling banquet. Sophomore Breanna Truesdale has been a member of this club for two years and has noticed a drop in the member count. She says people should join because it truly is a fun and unforgettable club.

ELFING AROUND

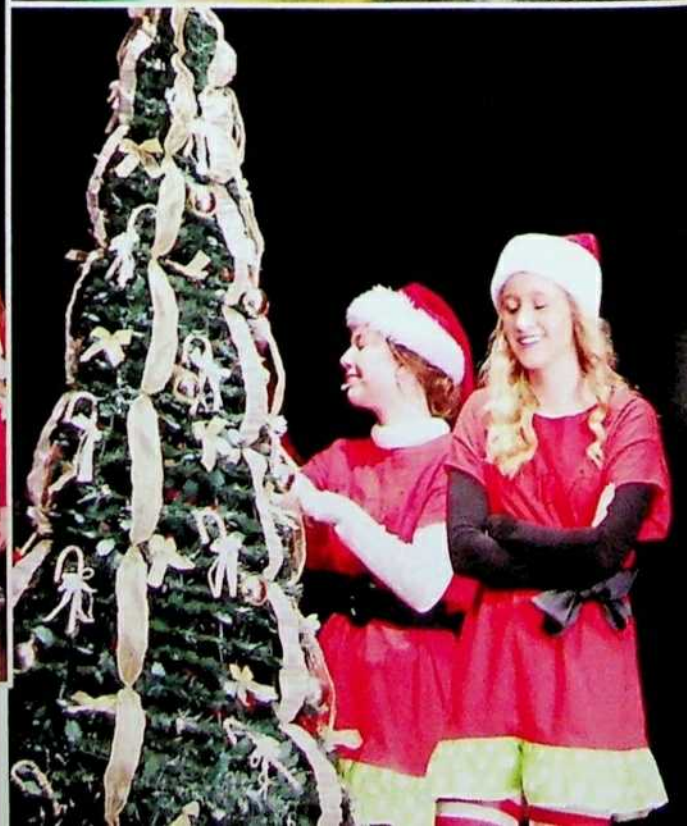

Page by Laci Smith and Allison Rogers

The Jasper High School theater picked the widely known and popular movie *Elf* as their fall musical. The two main actors were Kyle Hollinden (Buddy) and Piper Keusch (Jovie). Other supporting roles were Aaron Farr (Dad), and Larry Burgess (Santa Claus). The musical is about an Elf named Buddy, a young human orphan, who unknowingly crawls into Santa's famous red sack of toys and is then taken to the North Pole. No one knows he is actually human and is raised by the elves. The audience follows Buddy on a journey of finding his identity. The musical was full of Christmas music and happy tunes. Many will hit rewind to watch this jovial rendition of *Elf*, and several are eager to hit fast forward to see their next production, *High School Musical*.

holding area, where in the next few minutes they will rush to the stage to receive their awards. This year, there will be 14 students moving onto state where they will compete with BPA members from all around the United States.

With the club celebrating its 50 anniversary, there were numerous special events held at the BPA competitions. One of which included the Social Media Blitz, where seniors Larry Burgess and JP Luke won several of the categories. At nationals the special events continued. The festivities included taking tours throughout historic Boston, and walking the Freedom Trail.

Future Farmers of America, or FFA, is a club that has a career and technical element that can be applied to future careers. Although FFA may sound as though it is catered to farmers, the club is actually welcome to students who wish to precede in other careers such as business and science! Students who participate in FFA receive a plethora of skills. Just some of these useful skills taught are public speaking, problem solving, meeting management, and management of financial matters. Through FFA students are taught technical skills that can help them later on in life. FFA is comprised of a total of 629,327 students and has 7,757 chapters total.

A SOCIETY OF HONOR

Page by Taylor Johnson

From their creation in 1921, the National Honor Society, or NHS, has been a staple in the lives of many teenagers. The sole objective of this wonderful organization is to acknowledge outstanding teenagers who are active in their schools. Not only does NHS acknowledge the achievements of their members, but they also push them to succeed and to further develop themselves. The National Honor Society had a big year with it being the 65th annual celebration. Every year, the students who are inducted become even more organized, involved with leadership, and academically advanced. The induction ceremony

of the junior class had the pleasure of Renee Kabrick giving a speech to all of the incoming, as well as current, National Honor Society members. The 113 members must uphold their obligations to National Honor Society. To vindicate their obligations, members must complete four tasks; leadership, scholarship, service, and character. Jasper High School is proud to have had 65 years of membership in our chapter.

FRIENDS OF RACHEL

The Friends of Rachel, FOR, club is about achieving a culture of kindness and compassion. Rachel's Challenge was created in memory of Rachel Scott, the first person killed in the 1999 Columbine shooting. The club was created by Rachel Scott's father, using her "Code of Ethics" that she wrote. The mission for Rachel's Challenge is "Making schools safer, more connected places where bullying and violence are replaced with kindness and respect; and where learning and teaching are awakened to their fullest," states rachelschallenge.org.

48 Students, 1 Team

March 11, 2016 | Story by Mila Vernon

2016 marks the fiftieth anniversary of Business Professionals of America, or BPA. The celebration will be held in Boston, Massachusetts. BPA, which originally was OEA, or Office Education Association, is a co-curricular club, that is involved with volunteer work through BPA Cares and the Special Olympics. There are 23 states who participate in Business Professionals of America. Starting on Sunday, March 6 and continuing until March 8, the Jasper High School BPA state qualifiers participated in several business competitions ranging from computerized to team presentations at state, which was held at

downtown Indianapolis. This year, 48 students from Jasper High School went to state. And, of those 48, 18 were seniors. Jasper High School has been a part of Business Professionals of America for ten years, and with the guidance of Mrs. Kunz and Mrs. Schipp, the club has blossomed into more than just a club. Students who participate in BPA receive numerous benefits. According to Mrs. Schipp, students will receive "a chance to compete in subjects they love and achieve success, a chance to meet new people, opportunities for developing and enhancing leadership skills, and opportunities to travel and see new places." Fourteen members qualified for nationals. This coming May they will be traveling to Boston, Massachusetts. The news broadcast team, which consists of Caroline Theil, Gillian Blessinger, and Joey Wallace placed first in their competition. John Paul Luke, who competed in database applications, placed first as well. New to state this year, each person who placed first will receive a \$2,500 scholarship. Also, Larry Burgess, Luke Fleck, Nolan Harmon, Olivia Ruckriegel, Nellie Mowat, Ethan Nichols, Brandon Sizemore, Elizabeth Verkamp, Hanna Welp, and Kelby Uebelhor will be heading to nationals.

Pepping Up

March 28, 2016 | Story by Laci Smith

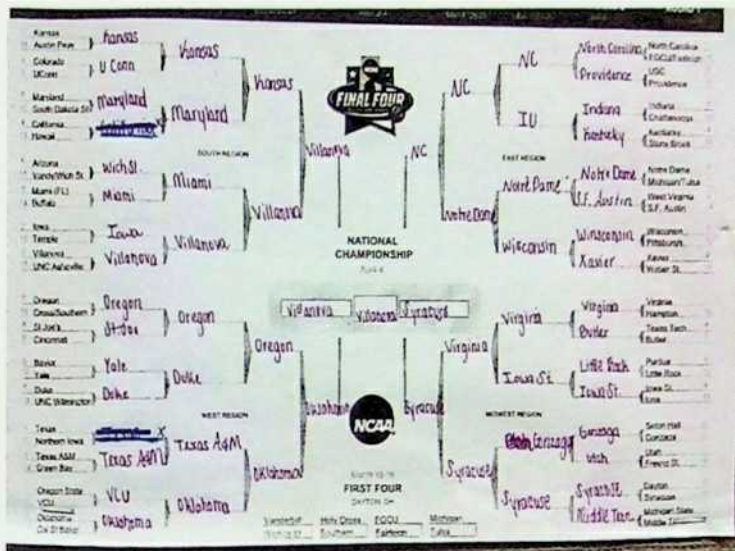

We had a pep rally March 18th, for showing appreciation to the spring sports. The grades like to compete with each other and this pep rally was the way for them to show off and win some points against the other grades. Firstly they had musical chairs, it all come down to a sophomore Alec Erny, and Mrs. Stenftenagel. Sadly no grades won this round Mrs. Stenftenagel had won musical chairs. Next the dance team had dances for the school. Their performance was really good. After that they had the basketball game against student and teachers. After that they had the basketball game against student and teachers. Sadly the teachers had won this one also 11 to 9. Next we had Name That Artist, sadly the scores have not come in yet to see who won. And

after that they had Lyric Fill-In which we also do not have the scores in yet. Lastly they had the dance off, which the Freshman did not do so well at. The seniors and juniors and maybe the sophomores did not do so bad. The juniors had won by doing the dougie really well.

The NCAA Bracket Heard 'Round the Nation

April 5, 2016 | Story by Evan Nichols

Rebecca Gentry, a junior here at Jasper High School, has made national headlines for something unique: she filled out an NCAA bracket with only three mistakes that were made. This astounding feat could place her first in the country for such a perfect bracket, which all started when she simply agreed to fill it out for her class. Gentry submitted the bracket as part of a competition for Mr. Hohl's English Literature and Composition class. Most of the games were only guesses in the two days that she worked on it, and says herself that she does not consider herself a huge basketball fan. In fact, she only saw one game at the time. The prize she accepted was donuts for her and her classmates, though there could be some websites that would offer fifty thousand dollars or a trip around the world for such a perfect bracket. Mr. Hohl himself had 3 errors on the bracket, something that he considers to be

jaw-dropping. Gentry had thought that she had picked poorly because of the three errors made until she heard from the other classmates which most had more than twenty mistakes. It was stressful for Gentry because of all the guesswork she put into the paper, and would not work on another bracket again. She also says that she doesn't consider herself a celebrity after her successful outcome.

Life Skills and Life Changers

May 10, 2016 | Story by Taylor Johnson

I started the day off watching the kids who are looked upon differently be typical everyday kids. I think it is important to realize just because someone has a different ability than others does not make them any less special or important in the world. The students I had the privilege to be with on their field trip changed lives in so many ways just with their smiles alone. The kids were able to take a trip to a local grounds that had a lake, house, and a place to play some fun games. We started out in the house but the kids immediately wanted to get the fishing poles out and catch some willing fish in the lake. The smiles on their faces were indescribable. I think we take for granted all of the things the students here at JHS get to do while the kids who have different obstacles do not have such amenities. But that day was all about them and they sure took advantage of all of the opportunities they had. Logan

Randolph, freshman, had never been fishing before until the day they went on the field trip. He was the first one to catch the biting fish and ended up with more than anyone that day. He was so patient so it was inevitable that fishing came naturally to him and the smiles were uncontrollable and the happiness of everyone radiated throughout the morning. The thing that really made me think about how different we need to look at life is the fact that all of the kids that were in the life skills class were so encouraging. Everyone helped each other and encouraged one another without a blink of an eye and that was amazing to me. The pure love and joy of the kids I got to be with was enough to change anyone's perspective on life. Just spending a morning being able to capture these students having a blast was the most amazing opportunity. Alex Britzman and Antwon Chatman are two of the best friends I have ever met. They love talking and sharing stories but that is only the beginning. They were the same shirt every Friday. Yes every Friday. Now if that is not real friendship I am not sure what is. They even got first in their relay even the night before which was an outstanding accomplishment for both of them. So I started my day out by snapping photos and the only thing on my mind was the fact that my shoes were getting wet and muddy and they were going to squeak all day and I just could not deal with that noise or feeling. By the end of my time with these little angels, the last thing on my mind was my shoes and the first thing was the fact that these students, brothers, sisters, daughters, sons, friends, had never once let their lack of ability to do something hinder their fun or time on their field trip. The only true disability is in fact a bad attitude and that is one thing the life skill students did not have. These kids truly changed my life and will continue to amaze me with all of their love and abilities that go beyond you and I.

The Girls JV softball may be young compared to the varsity, but that does not mean they are any less fierce. They have played very tough games with the toughest being sectionals. The girls in the end won sectionals and won 12-4-1. The team truly bonded throughout the season, starting with bonding nights and telling heart felt stories. They really liked to motivate each other by giving pep talks and cheering each other on before, during and after the games. It ended up being a good season.

Nearly knocking the season out of the park, the JV Baseball boys finished with a record of 20 wins and 1 regrettable loss to Evansville Harrison in early May 2016. In redemption, the boys earned the title of Jasper JV Invitational Champs led by the experienced coaching of Jeremy Wolf, Eric Dall, and Jeff Zink. With an almost equal ratio of 12 sophomores to 10 freshmen and one sophomore manager, Nick Riehle, comprising the team, the exceptional teamwork displayed provides hope that the future seasons will be grand slams.

The Jasper varsity softball girls played an exceptionally well season this year. They had a total of 25 wins, 4 losses, and 1 tie. The girls won the Big 8 Conference and Sectionals. They sadly did not win Regionals, and that was the end of their season. The "All Conference" award goes to senior Nicolette Eckert, and juniors Lindsay Mehringer, and Olivia Knies. The "All State" award went to Nicolette Eckert and Olivia Knies. The "All District" award went to Lindsay Mehringer. The District 5 Coach of the Year went to Matt Pyor. "Most Valuable" went to Olivia Knies. The "Wildcat Spirit" award went to senior Paige Wener. The "Outstanding Offensive Player" award went to Lindsay Mehringer. The "Defensive Player" award went to senior Olivia Burger. Nice job ladies and hope we can keep up the great record next year!

Q & A

What is your favorite memory that happend at practice?

"Lindsay Mehringer bunted a ball foul, and didn't run it out. The coach made her run 4 laps in the aux. gym. She ran with a helmet on and it took her 30 minutes to do the 4 laps "

- Grace Werner, sophomore

What is the hardest part of your practices?

"The hardest part is doing the 21 out drill. Which is a drill where we have to get a consecutive 21 outs without any errors or mistakes at all."

THROWING IT FORWARD

Page by Taylor Johnson and Megan Schmitt

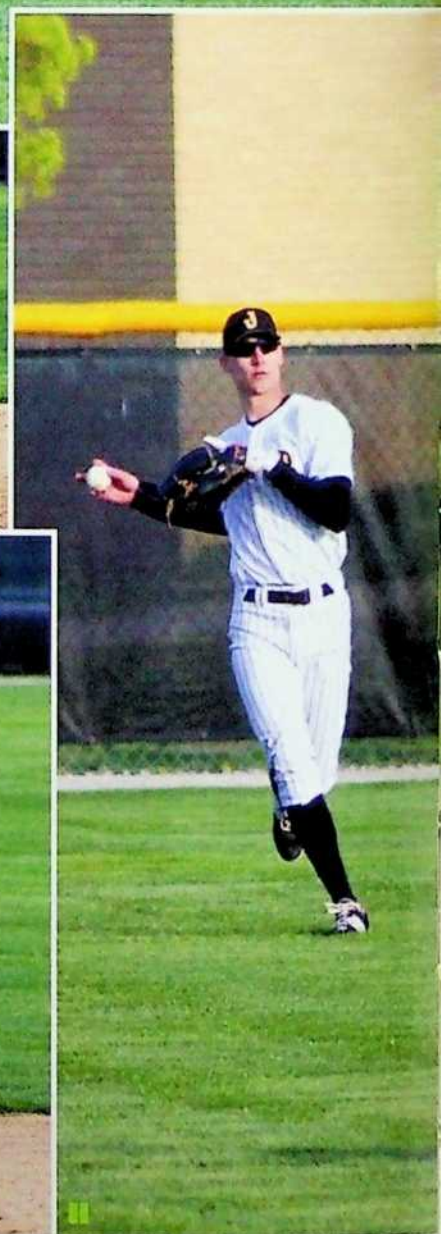

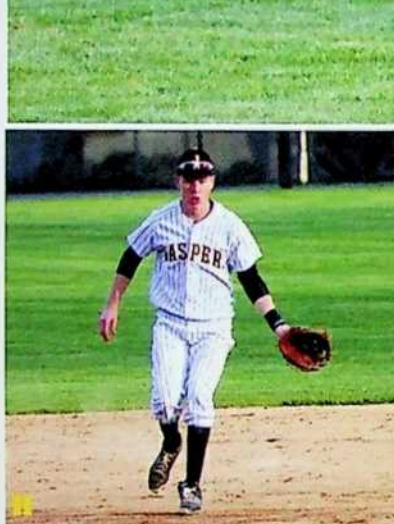

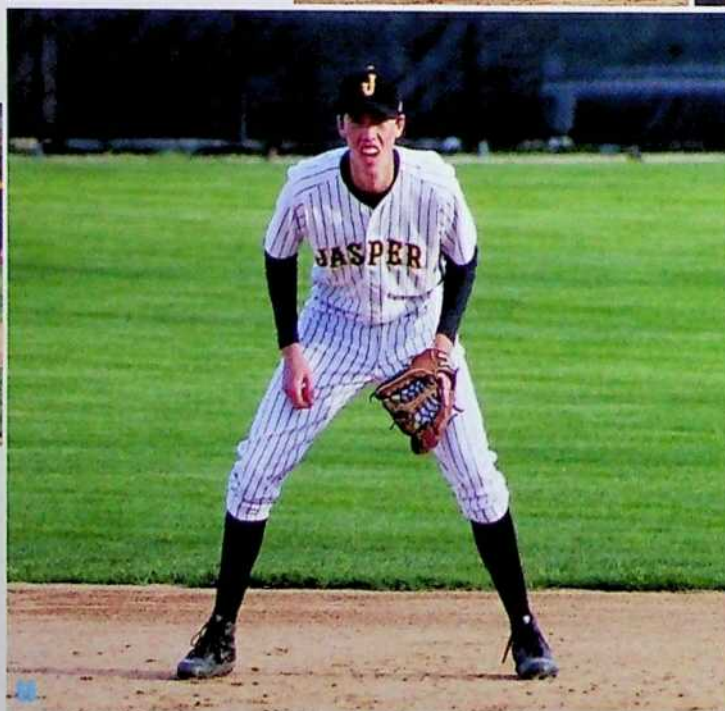

The Jasper boys varsity team came out of the season with tremendous amounts of love and support from their family and friends. They took on some tough teams but all in all had an outstanding year. Senior Cal Krueger led the top ranked team to victory throughout the season and will continue his baseball career at Indiana University. Craig Shepard will also be playing for the University of Evansville. Both Cal and Craig were named to the 1st team All-State by IHSBCA, and junior Evan Aders was named 2nd team All-State. The Cats really put their all into their games they played. The years to come will always be memorable. As the seniors leave their legacies, they will never be forgotten by their teammates or fans.

DON'T NEED WINGS TO FLY

Page by Melanie Stone and Kayla Thimling

The Boys Track 2016 season proved to be a successful year. Their regular season stood tall with a win-to-loss ratio of 22-2. Led by head coach Kevin Schipp and assistant coaches Joe Shelton and Aaron Hohl, the boys coasted to the state finals while placing first in sectionals in well over a decade and third in regionals. Jasper placed 21st in the 3200 Relay, 21st in the 800 meter dash, and 16th in the 1600 Relay. Atop their superb performance at the state finals, new school records were set. Cale Kilian, Will Smith, Henry Love, and Corbin Kaiser set the school record for the 3200 Relay with a time of 8:00.18. Cale Kilian set the school record for the 1600 Run with a time of 4:24.52. Awarding the boys' hardwork and accomplishments, coaches and parents organized a commemorative banquet. Awards were distributed in recognition of the students' accomplishments. Elliot Prange, Henry Love, Corbin Kaiser, Tristan Backer, Will Smith, and Caleb Dosch received the "All Conference" award. Sam DeWitt received the "Most Valuable Player" award. Henry Love received the "Mental Attitude" award. Ben Schuetter was awarded the "Most Improved". Reece Milligan received the "Outstanding Freshman" award, and Henry Love received the "Outstanding Senior" award.

Expectations were sky high this year for the girls tennis team. With one of the top 1-2 singles punches in the state, along with an extremely deep roster of experienced players, the team was highly ranked before the season even started. Despite playing a brutally tough schedule, the team rose to the challenge and stepped up the ladder to advance. They placed 1st in Big 8, won Sectionals, Regionals and Semi- State. Unfortunately, the girls were one match shy of playing for a state title when they fell to eventual runner-up, South Bend St. Joe. Senior Maria Lueken won the Most Valuable and Mental Attitude award, and will go on to play college tennis at Marian University. Junior, Mallory Ahlbrand won Most Improved, Senior Emma Yarbrough was the teammate of the year. Sarah Monesmith (10) had the 100% hustle, and the best winning record went to the 2 doubles team of Emma Seger (11) and Jillian Seger (12). The season was certainly a success, and one that they will remember for more than just the wins.

Q & A

What moment would you pause during the season?
When #1 doubles won their match against Providence to clinch Semi-State. It was such an amazing moment to know that we were going to state again.

-Sarah Monesmith, sophomore

What will you miss most about Jasper tennis?

There's so many things I'll miss. The bus rides, going to state, and being part of a second family.

This year the boys golf team did a marvelous job at achieving many wins. They had a total of 61 wins, 16 losses, and only a single tie this season. They played a lot of games this year, individually and as a team. It has brought them closer, as they advance through tough matches in their high school career. As the season went on, the team was awarded in many ways. The "All Conference" award went to senior Josh Krempp and junior Carson Pierce, sophomore Bryan Hagan, and freshman Jack Bies. The "Most Valuable Player" award was given to Josh Krempp. The "Mental Attitude" award went to Jack Bies, and the "Most Improved" award went to Carson Pierce. The team had made it past sectionals scoring the top place. However when they made it to regionals they got 5th place. They did a very good job.

Unified track may have only been at Jasper High School for a couple years, but it has made a big impact. This program allows high school students with and without intellectual disabilities to come together as one and represent their school in a sanctioned IHSA competition. Between the practices and the tournaments, students of all personalities and disabilities have united as one and, as a result, friendships have blossomed.

■ The first annual JHS Dance Marathon for Riley Hospital may not be an official school sponsored club, but it was still a group of dedicated students that found a way to make a difference, while still having fun. Even the Dance Marathon sponsors were impressed by the large amount of donation and sponsorship money raised to help the kids at Riley Children's Hospital in the first year.

SPEECH & DEBATE

Since this is the speech and debate team, we could talk about this year for hours! The team competed at numerous meets this season (though they usually only get a couple of in due to weather conflicts). The team received the first sweepstakes trophy in three years during the Evansville Memorial meet. Two team members, Hilary Bauer and Hannah Rydberg, Juniors, advanced to state competition. Overall, it was a very successful season!

PEER MENTORS

Story by Andrea Rillo

Making the transition from middle school to high school isn't always easy for freshmen, that's where peer mentors can help. From guiding the freshmen through the halls during orientation to monthly visits in freshmen homerooms, peer mentors are there to attend to all of a freshman's concerns. Peer mentors stand as role models to the underclassmen, and are always willing to help them in school. Mentoring kids goes beyond high school for some peer mentors. Peer mentors actively assist the D.A.R.E. program, and visits local elementary schools to teach young kids about the dangers of drugs and alcohol. These upperclassmen express friendship and leadership throughout the school and community.

KEY CLUB

Key Club is the oldest and largest service program for high school students. It is a student run organization for students to volunteer, help the community, and form leadership skills and strong personalities. Every year Key Club consistently steps up and serves the community in many ways. This year they did service activities such as Day Without Shoes, Rake and Run in the fall, Highway Cleanup, and bell ringing for Salvation Army at Christmas time.

ACHIEVING GREATNESS

Page by Evan Nichols & Mila Vernon

Junior Achievement is a club based on teaching students about entrepreneurship. Through this unique club, students create and sell products to the public. Every year the students involved in Junior Achievement create new products to sell. This year the club made charming burlap wreaths with ribbons entwined. "We put up flyers in the teacher lounges at all the schools. We also did door-to-door sales" says Thomas Peters, senior, when asked about their advertising methods. Through Junior Achievement students are taught life skills that can be applied to daily life.

SOFA ARTS IT OUT

Page by Laci Smith

SOFA means Society of Fine Arts. SOFA is for people who like art, it does not matter if they are good at art or terrible at art, they don't judge. They plan to take a European trip to Athens, Florence, Rome, and to the ruins of Pompeia in the summer of 2017. They had their annual Christmas party, where they all bring in presents and they pass the gifts around, and in the end they all get a gift. They went on a field trip to the VUJC Art Center to learn from a water painter (Beth Shadur). They had a demonstration from the artist and they even got to do their own water color paintings, some did one others got to do two.

PAWS ON THE AIR

Page by Mr. Elrod

In its second full year on the air, 93.7 The Scratch had even more student shows and involvement that resulted in great growth and experience. From small things like giving away Scratch pens/stylus for the new 2 in 1 devices, to big equipment and custom furniture upgrades. The year was also complete with awards like Best Radio Imaging at the Indiana Association of School Broadcasters contest. The JHS tradition of having several finalists and winning the Best Documentary category at the WKU Film Fest continued with a group of seniors and their multiple accoladed project about Olivia Lueken.

A Night at The Astra

Radio & TV students enjoyed a special treat this year during the end of the year celebration "aCATemy awards". The third annual event was held at the historic Astra Theatre on the square. The night is a chance to showcase student video projects done throughout the year to all students, friends, family, and even the public. It's also another chance for the ladies to get one more night out of their prom dresses! Pictured above are all the aCATemy award winners in attendance on the Astra stage with their "L-Rod" awards.

BELIEVING ATHLETES

Page by Laci Smith

FCA is Fellowship of Christian Athletes, they believe in their team, and in their God. In this club, religion and education are combined as one. FCA keep athletes humble and on track with their religion and educational goals. They have speakers come in and speak to them about how being in this club helped them in school. On how to stay on track with the goals you plan in life and how God comes and helps you out, and most importantly on how to keep faith in tough situations, and keeping faith in themselves.

Knitting Club. A place where teens can "Get their high from a different kind of needle". This club takes the time to do a creative and mostly forgotten art form. Knitting Club has been operating for two years now. They create mittens, hats, socks, scarves, and blankets with just some colorful yarn and a needle. Anyone can be a member even someone who knows nothing about knitting. There are plenty of club members who have previous knowledge of knitting and would gladly help a newcomer. Knitting Club is a place to share stories, enjoy others company, learn a creative craft, have fun, and knit. The current club leaders are, President Nellie Mowatt, Vice President: Danielle Beuchline, Secretary: Luke Robling, and Historian: Allison Rogers.

CLUB FRANCAIS

Page by Allison Rogers and Catrina Arvin

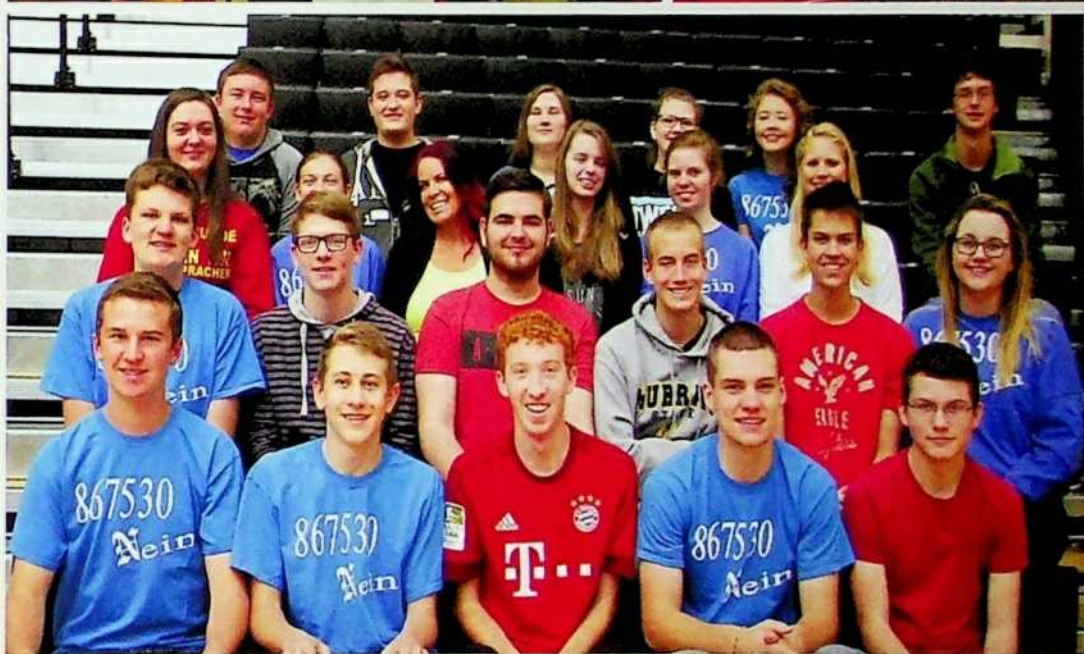

French Club is an organization where students who are taking and have taken French classes, or people who are just interested in the French language and culture, can gather and have some fun while learning more about French. This year the students in French club gathered for Halloween and Christmas to celebrate the holidays in the French way. Students learned to make a Crusty Gentleman, which is a French style grilled cheese sandwich, and to play petanque, which is like horseshoes, but with steel balls. With Rottet, French Club is a great time, or un bon moment.

Throughout the year, the German Club had over 30 JHS students interested in bringing the German heritage into school. Senior Olivia Otto was president for both junior and senior year. Bryce Siegel, Thomas Peters, Hannah Soellner, and Max Otto also helped tied the club together. German teacher Frau Arthur would host the club in her room, watching students bond and the fun unravel.

The club would sell chocolate with the profits helping German Club. Every Thursday there would be a movie day. Otto hosted a barbecue as well, and the German club had a Bergfest and ate at the German centered restaurant, The Schnitzelbank.

Members of the club include Jasmine Divine, Caitlen Bass, Sara Haas, Cole Steftenagel, Nick Hedinger, Cameron Egler, Samantha Schuetter, Saoirse Byrne, Bree Tumbleson, Drake Siegel, Logan Pinkstaff, Corbin Kaiser, Tyler Richardson, Chloe Daum, Taylor Klem, Caden Dugan, Skyler Klueber, Aubrie Petry, Sydney Peters, Marcus Page, Bryan Hagan, Carrisa Rasche, Kathie McInerney, Kevin McInerney, Will Dixon, Devin Bohnert, Ethan Seger, Mason Thewes, Abby Soellner, Taylor Mitchel, Grant Keller, Luis Lopez, and Savanna Jo Parr.

SPANISH CLUB

¡Hola, bienvenidos al Club de Español! This year, the club was led by Spanish and American Literature teacher, Ms. Schuetter. Meeting early in the new 2015-2016 schoolyear, club members presented potential T-shirt designs. In the end, one design gained the majority favor. The design read, "Fiesta like there is no mañana," printed across the T-shirt front alongside Jasper High School Spanish Club. An image of a piñata and bright, complementary colors such as turquoise and pink completed the design. Upon completing shirt order forms, members were eager to arrange a Spanish

food night. A date was set and preparations were made. Foods such as handmade avocado dip, beef and chicken tacos, nachos, and an assortment of drinks were arranged. Looking forward to next year, returning club members wish to create many more Spanish cuisines and even purchase their own piñata club mascot!

STUDENT COUNCIL

Page by Laci Smith

Student Council is the school's planning committee. They plan most of what goes on in the school. They help clean the school toward the end of the year, they organize the pep sessions, sell cookies at lunch, make the Thanksgiving dinner lunch, and do community service. Their president for the year 2016 was senior, Carsyn Wessel. The vice president was senior, Nicole Nord and treasury was senior, Sasha Heeren. They are all about helping the students out and helping the community out in any way they can.

ROBOTICS OPERATION: STATE

Page by Emily Huddleston

Robotics, a branch of mechanical engineering dealing with computer sciences, made their way this year to the state competition in Kokomo. Their first step was competing in the Indiana Tippecanoe, March 12th, where the team did better than what they could have ever hoped for. The victory at Tippecanoe led to the next event during spring break at Perry Meridian,

where robotics once again did great. After both events, the team ranked 17th in the state, qualifying them for the state competitions, April 14-16. However, though this was the robotics team's first time going to state, there came a burden: raising \$4,000. Luckily, the team had devoted sponsors who donated all the money they needed for state registration. When mid-April came, robotics recieved the traditional state sent off, and spent their weekend in Kokomo, where the state competitions were held. Though, the team did not come out on top, they still did great.

RACING TO THE FINISH LINE

Page by Taylor Johnson and Emily Huddleston

When problems arise, the team must gather together and agree on a consensus of how best to approach the problem and solve it using their ever growing knowledge of motors. Adult representative of the Motorsports club, Mr. Collin Daunhauer, offers an experienced hand to the young students and imparts new material and knowledge as the students continue to design and build their motorsport cars. Test runs and continuous tweaking help to perfect the motorsport cars and prepare them for competitions where they can showcase their hard work and talent as the Japer Motorsports club.

Motorsports is the place to go if you want to learn anything about how a car runs. Every year, motorsports works on two different kinds of cars: the Formula car (built on the speed it can reach) and the Supermileage car (built on how many miles it can reach with a gallon of gas). Anyone who has ever wanted to learn about the works behind an engine has left the back engineering room with a good grasp on what it is all about. Motorsports is not only an excellent place to learn about automobiles, but to also build a good understanding of teamwork dynamic. The Motorsports team must gather together to discuss car anatomy, its functions, and its designs.

Choir is a class that takes practice, diligence, and a positive attitude. Choir is a place to learn about vocality, music, and also make friends. Joining choir gives students an opportunity to meet new people and discover or strengthen a new talent. This year choir did performances with the theatre class in their musicals, Veterans Day, and traditionally, they sang at senior graduation on May 27.

The GSA club has a day dedicated to silencing out bullying on the LGBT+ Community. During this day whoever has a multi-colored bracelet stays quiet all day. This club is a safe environment for students to meet and get support from other students. Anyone can join this club and be who they really are without feeling out of place. It's a club that no matter your sexual orientation or gender identity and expression you will be shown love, kindness, and hope for equality for future generations. Sarah Engelhardt-Gregory said that she joined GSA because she felt like she needed to be there.

- || Going to the state finals with the boys tennis team was such a cool experience for me.
- ▶▶ As a sophomore I'm looking forward to having more opportunities to do even bigger and better things within the media department.
- ◀◀ I'd rewind and go back to going up to Bankers Life Fieldhouse to call JHS's basketball game. It was by far the highlight of my young broadcasting career.

Kerrigan Welp

My favorite part of freshman year was probably having more freedom at school.

I'm most excited not to have to be "the freshman" anymore.

I honestly don't think I would relive anything from freshman year.

Grace Schotanus

- || I liked having teachers who weren't mean and were always happy to help.
- ▶▶ I'm looking forward to having more time to take elective classes instead of required ones.
- ◀◀ Walking in on the first day and not being scared, but excited.

Erin Herbst

I loved working in small groups for classes like intro to communications.

I'm looking forward to meeting new teachers and going back to theater.

I'd relive second semester. Going to prom, being in theater, and being an important part of Ambassadors choir!

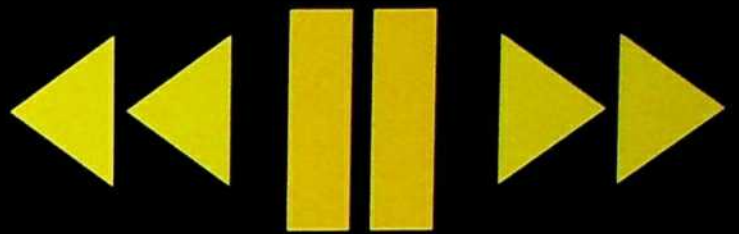

We asked freshman students what they would "Pause, Fast Forward, & Rewind" about their first year in high school. Above are their answers.

YOUR STORY

Take this moment to reflect on
YOUR 2015-16 school year.
What moments would you;
Pause to remember,
Fast Forward through, or
Rewind to relive again?

AUTOGRAPHS & MESSAGES

(Because you never know who will be famous someday!)

■ Senior Editor Megan Schmitt looks slightly frazzled after organizing last minute club photos.

■ Mila Vernon, sophomore, shows Catrina Arvin, junior, a new skill on the iMac computers.

■ Some of the yearbook staff still having a good time during a summer work session.

INTERACTIVE MEDIA

Page by Mr. Elrod

Imagine being tasked with capturing the memories of our entire school all year long, then having to pick and choose the best photos and stories from those months of work. This is the goal of our Interactive Media staff. Their job is to practice their photojournalism skills by not only creating the 2016 yearbook, but also covering interesting stories throughout the year on our student run news website, WildcatWeekly.org. After losing several veterans to graduation last year, the new crew came together as a team to once again complete another fantastic yearbook... If we do say so ourselves, that is.

Staff includes: Catrina Arvin, Kayla Thimling, Allison Rogers, Megan Schmitt, Ryan Gunn, Heather Navarrette, Faith Fischer, Evan Nichols, Laci Smith, Taylor Johnson, Melanie Stone, Mila Vernon, Emily Huddleston, Regan Hochmeister, Mariya Merkley, and Mr. Elrod.

*Also, a big thanks to all the photos sent in from area photographers, or from readers like you via ReplayIt
