Welcome

Back!

Welcome back, Jeeps! To start the new school year off, we had some changes. Starting with some new faculty. Sydney Harris joined our team as the new social worker and psychology teacher. Logan Dodd became the new 7th- and 8th-grade science teacher. Korrine Whitehead and Ella Hughes are new assistants. We also have two new nurses join our team, Jenny Hilsmeyer, the main nurse, and Jami Weikert, the nurse assistant. Additionally, we also got some new additions to the sports department. Thank you to Liberty Federal Union for the new soccer scoreboard and new scorer's bench in the gym. We have also gotten some new paint jobs throughout the school, including a painted rock out front and the cafeteria walls. In the classrooms, there have also been some changes, starting with JEM. JEM got a lot of new equipment, including an embroidery machine and a new $40,000 plasma table. The class of 2026 has begun their last year of high school, and whatever this school year brings, we hope it will be a great year. Let's Go Jeeps!

Wood shop

Patoka Overlook Project

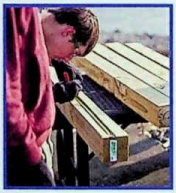

On Tuesday, April 7, the Woodshop class under Mr.Friedman's guidance, helped build a new railing at the overlook at Patoka Lake. Over 3 - 4 hours, students took out old poles, measured distance and cut 2x4 and 2x6 wood boards. They used rocks to hammer the standing poles in the ground and assembled the fence using drills and impact drivers. A highlight of the trip was driving over the dam with the J bus and getting pizza and breadsticks for all their hard work. Will Livingston was interviewed telling about the day.

FUN DAY

This wasn't just a school day—it was a whole experience. From start to finish, it was filled with laughs, competition, and good times with friends. From movies in the commons, color kickball tournament, card and board games, video games, and even some study time, there was something for everyone. Whether we were in the pool, playing tennis or pickleball, or walking the track, it was a day the JEEPS won't forget!

Drama Club

This year the drama club put on the play Fast Food. A silly little play about the crazy life of fast food workers and their crazy customers.

Team bonding cookout

On 5-14-26 the team had a team bonding activity. Before they ate their yummy pizza, they ran a 4x1 relay where they got to run with anything but a baton. Some ran with a umbrella, a stuffed chicken, a microphone, a skeleton hand, a pole, a Barbie, and a tire. They had so much fun and a great way to spend time together.

Boots have traditionally symbolized hard work and freedom. You've been wearing boots pretty much since you could walk! Back then, you called them "boo-ks". You'd put them on and tell us, "I going to work!" You're fiercely independent and hard-working, despite obstacles unknown to most. Now, you're trading your boots for scissors, foils, and capes. No matter what you wear, there's no doubt you're going to work hard and be the best you can be! Chase your dreams and never forget your roots (or your boots)! We love you and are so proud of you!

Mrs. Karen Terwiske
Thank you so much for 40 years of being an AMAZING teacher.
Enjoy!!

As the year comes to a close. We wish the class of 2026 the best. This year was full of twists and turns but overall an amazing year! With the first Academic Pep Session to the many opportunities to celebrate the spirit of the Jeeps especially with making Jeep Baseball HISTORY by advancing to the State Championship and receiving Runner Up!!. Can't wait to see what next year brings!

At the Boys Baseball State Championship game in Indianapolis, Matt Dalton received the Champion Educator Award.
